THE TARIFF TROUBLES.

Waiting For the Verdict on Senator Hill's Resolution.

THE HOUSE NOT ANXIOUS!

Say They Can Pass the Amended Senate Bill, Whatever the Verdict on the Resolution May Be.

WASHINGTON, Aug. 12.—Yesterday was anything but a day of rest for the tariff leaders. They were on the go from early morning until late at night. It was a day of conferences at the White House, at the private residence of the conferees and at the hotel. Secretary Carlisle was with President Cleveland throughout the afternoon. The senate and house conferees made no effort to get together, and they remain as wide apart as when their meeting broke up on Friday night.

At the outset the house conferees satisfied themselves of the parliamentary situation of the bill. They had done this with the greatest care toward securing an accurate and authoritative decision. Speaker Crisp had been asked to examine with care the precedents bearing on the case, and it was understood that he had in turn consulted with Secretary Carlisle, who, as speaker of the house of representatives, is regarded as one of the best authorities on parliamentary procedure.

From the examination which had been made the conferees were fully satisfied that the house of representatives had the right to pass the senate bill now or at any time. This determination was much further than has heretofore been understood. It was that the house, having the actual physical possession of the tariff bill, could pass it with the senate amendments before the Hill resolution passed or after the Hill resolution passed, or after the Hill resolution was defeated. That is, no conferees were the house conferees of their right to pass the bill at any time that they regarded their rights as entirely unaffected by anything the senate could do with the Hill resolution or with any other resolution. They recognized that there were some precedents against this position, but they regarded the overwhelming force of authority with them, and they therefore accepted it as settled that the house had supreme authority over the bill, without reference to what the senate might do today or hereafter.

This conclusion was of the utmost importance in bearing on the action of today's caucus. It assured them, in the first place, that there was no need of precipitate action toward accepting the senate bill before Mr. Hill's resolution has passed. It was agreed, however, that no such haste was necessary. On the contrary, it was felt that the house, in having possession of the bill and a parliamentary right to pass it at any time, had every thing to gain and nothing to lose by deliberate action. There is undoubtedly a desire on the part of a large majority of the Democratic senators, practically all of them, unless it may be the Louisiana senators, to have the house take possession of the bill. This is due to the general belief in the senate that the house will accept the senate amendments and that the senate bill will thus become law, and to the fear that if the bill should again go to the senate it would be indefinitely postponed, while on the other hand it is believed that if the house should agree to the senate amendments the senate would acquiesce in this action and waive the technical objections which might be raised over the possession of the bill. It is understood that even Senator Hill, notwithstanding his opposition to the bill, would be disposed to accept the favorable action of the house as final, and to permit the bill to go to the president without raising any parliamentary questions concerning it.

PETER JACKSON ANXIOUS

The Colored Pugilist Wants to Force a Fight with Corbett.

CHICAGO, Aug. 12.—Peter Jackson left last evening for New York, where he goes to personally learn from Corbett whether the champion is trying to fool him out of a match. "I will never fight in the south," declared Jackson. "I expressed myself clearly upon the point when I first came to this country, and even when the original articles of agreement for my second fight with Corbett were drawn up it was stipulated that the contest should take place north of the Mason and Dixon's line. My object is solely on the score of the race prejudice which exists there. It is not that I notice that Brady, Corbett's theatrical partner, said recently that one of the reasons why Jim had not wished to fight in England was because I had too many friends there. Well, I'll just ask any reasonable man how I should feel about fighting in the south when I should not only have Corbett's friends to contend against, but with the prejudice as well."

Lancaster's Water Famine. LANCASTER, Pa., Aug. 12.—This city is suffering from the second water famine in two months, both having been caused by the replacing of broken joints at the pumping station. The electric cars were compelled to stop running yesterday, as they could get no water in their power house, and manufacturers were warned not to use any water for motive purposes today.

A Baby Acid Throver. BRISTOL, Pa., Aug. 12.—The 3-year-old daughter of W. A. Renner, residing in Hilltown township, threw a bottle of carbolic acid in her little brother's face. The children's mother had been cleaning carpet and had used acid. The boy's face was horribly burned and he may lose the sight of both eyes.

Relay Cyclists' Remarkable Time. DENVER, Aug. 12.—The fastest relay bicycle rider reached this city at 10:37 last night. The time consumed in carrying the message from Washington to this city, a distance of 2,007 miles, was six days, ten hours and thirty-seven minutes, a gain of thirty-seven hours and twenty-five minutes over scheduled time, breaking all records. George M. McCarthy was the last rider. At Sand Creek he took the message and covered the necessary five miles in the remarkable time of twenty minutes. A. D. Black took the bag from him and delivered to Governor Waite a message from President Cleveland and to General McCook one from Greeley.

Toronto to Join the Eastern League. WILKESBARRE, Pa., Aug. 12.—The board of directors of the Eastern Baseball League met in this city yesterday. An official communication was received from the management of the Binghamton club, stating that the stockholders of that club were ready to throw up their franchise. Walter Burnham, of Toronto, Can., said he had been in negotiation with the Binghamton management for the transfer of the club of that town to his city, if the league would grant a few days' grace to complete the deal. Burnham was given the necessary time. Binghamton will play the scheduled games until Toronto is formally admitted.

Anarchists Threaten Vengeance. BERLIN, Aug. 12.—The St. Petersburg correspondent of The Koenigsche Zeitung says that much ill feeling was caused by the czar's refusal at the time of the Grand Duchess Xenia's marriage to declare an amnesty for minor criminals. Since the wedding many anonymous letters threatening revenge have been received by the czar. The St. Petersburg police have been notified from Paris that several of the ugliest French anarchists have left Paris for Russia. French detectives, who know the faces of the most desperate French anarchists, have been stationed at the entrance of the Peterhof palace.

COUNTY REPUBLICAN CONVENTION.

DELEGATES ASSEMBLE AT POTTSVILLE THIS MORNING.

THE SUCCESSFUL NOMINEES.

Hiram Moyer, of Pottsville, Elected Permanent Chairman.

The Convention was Called to Order by County Chairman W. J. Whitehouse.

After Which a Permanent Organization Was Effected—Appointment of Officers.

Special to the HERALD. POTTSVILLE, Aug. 12.—The delegates to the Republican county convention, candidates for nomination and their friends arrived here in force this morning, but several of the candidates opened their headquarters last night. The early morning trains brought the delegates in by scores and by nine o'clock they crowded the pavements for three squares along Centre street.

Major Losch was the first of the candidates to appear on the battle field. He got here yesterday morning and learned that Brumm had bagged at least two-thirds of the vote of this place. Hon. Elias Davis also arrived here yesterday morning. Hon. John T. Shoener came in the afternoon and Hon. Charles N. Brumm and Alex. Scott arrived in the evening.

Brumm opened his headquarters in the Schiller building, Losch at the Merchants' Hotel, and Shoener and Scott in the House building.

The Brumm people were exceedingly enthusiastic last night and this morning and claimed they had a good margin over a sufficient number of votes to secure the nomination on the first ballot. On the other hand Major Losch and County Chairman Whitehouse stated that one ballot would not nominate the Congress man and that the Brumm people would find in the convention that they had over-estimated their strength.

At an early hour this morning it was reported that the Losch and Shoener people had combined to make Joseph Wood, of Tamaqua, chairman of the convention, but a later street caucus showed that Capt. L. C. Leib, of Ashland, and Hiram Moyer, of Pottsville, were coming prominently to the front as candidates for chairman. Leib and Moyer were considered by many as the two best men to test the convention on the Brumm-Losch sentiment. At 10:30 o'clock the sidewalk caucuses were still in full bloom.

10:45.—Pottsville presents a holiday appearance to-day. Hundreds of delegates, politicians and a mixed contingent thronged the streets. They gathered about clothing stores, saloons and in front of Lorton hall, discussing the situation. The general feeling here is that Brumm and Scott will win easily and on the first ballot. The convention hall has just opened.

11:20 a. m.—It was half an hour after the doors opened before the convention was called to order. In the meantime the delegates took their seats and conversed in a manner that conveyed the impression that the result was a foregone conclusion. Joseph Wood, of Tamaqua, was proposed for chairman of the convention in behalf of Lorton hall, discussing the situation. The general feeling here is that Brumm and Scott will win easily and on the first ballot. The convention hall has just opened.

11:30.—The convention was called to order at 11:30 by County Chairman Whitehouse. This followed the roll of delegates by clerk, George Walker. This was completed at 11:32.

Hon. D. D. Phillips, of Gordon, after an eulogistic speech in behalf of Capt. L. C. Leib, of Ashland, nominated that gentleman for chairman of the convention. Hiram Moyer, of Pottsville, was also nominated. Both names were heartily applauded.

A delegate suggested that each voter rise upon the calling of his name, whereupon County Chairman Whitehouse said with much force that the suggestion should not only be enforced, but if any one not a delegate should attempt to vote he would be arrested and prosecuted.

Reading clerk, Charles A. Snyder, called out the names of the delegates for the vote for chairman.

The vote for chairman was announced by County Chairman Whitehouse. Mr. Moyer received 150 1/2 votes and Leib 121. The result was received with general applause.

Messrs. D. D. Phillips, of Gordon, F. C. Job, of Tamaqua, and Capt. L. C. Leib, of Ashland, were appointed a committee to escort Mr. Moyer to the chair and when Chairman Whitehouse introduced the gentleman there was the wildest applause.

Mr. Moyer made a few remarks which were only heard by those in the immediate vicinity of the platform.

The following gentlemen were then named as vice presidents: James H. Wood, Tamaqua; John Berry, Kelly; S. G. Middleton, Maizeville; Capt. L. C. Leib, Ashland; James Keller, Middleport; Harry James, Ashland.

The nominees for secretary were Daniel Duffy, St. Clair; Charles A. Snyder, Pottsville; William Wintersteen, Port Carbon; George W. Glenn, William Short, St. Clair; Albert H. Roebig, Minersville; and George T. Walker, Pottsville.

The following committee on credentials was appointed: Harry Hunter, Ashland; H. S. Albright, Orwigsburg; David H. James, Shenandoah; M. J. McGill, Minersville; F. C. Job, Tamaqua. The gentleman appointed as committee

THE REPUBLICAN PRIMARIES.

Brumm and Scott Win in Shenandoah After Spirited Contests.

The Republican primaries held here Saturday proved the most spirited and closely contested held in the town for several years. There was a hot Brumm-Scott combination fight in every ward and the combination succeeded in getting fourteen of the twenty votes.

There was an unmistakable Davis feeling throughout the town, but the majority of the people who went to the polls took the view that Congress was of more importance to the people at large than the office of Sheriff and that Brumm should be the nominee.

All the Scott delegates were pronounced Brumm men, while the Davis delegates were composed of Brumm, Shoener, Losch and unpledged men, and rather than have an uncertainty about the support Brumm would receive in the county convention the majority of the people decided to vote the other ticket in full and sacrifice Davis.

Davis secured the two delegates in the First ward and one in the Fourth ward. Scott got the balance. As to Congress, Brumm secured eighteen of the twenty votes the town is entitled to in the convention, one of the delegates having refused to pledge himself to any of the Congressional candidates.

An interesting fact connected with the primaries was that four Councilmen were on the tickets for delegateships of some kind and three of them were knocked out. The fourth was saved from defeat by being upon both tickets in his ward. This Councilman was T. J. James. The defeated ones were Messrs. Lamb, Straughn and McElhenry.

The elections made in the respective wards were as follows:

FIRST WARD. County delegates—Charles Smith and Alex. Morris. Alternates—David Hughes and Colfax Brown. Senatorial—Frank C. Reese and Adam Mort. Alternates—Joseph Repachinski and James Leekie. Legislative—Thomas Miners and John Hanning. Alternates—James Major and Philip Maier. Standing Committee—Joseph Morris.

SECOND WARD. County delegates—Edward Kester and William Schwinn. Alternates—H. Cherrington and Roll Sheeler. Senatorial—John P. Boehm and John W. Weeks. Alternates—Alfred Evans and Amos Yarnell. Legislative—Henry Goodman and William Davies. Alternates—John Askins and John W. Gibson. Standing Committee—Thomas J. Davies. Alternate—Charles Schloppe.

THIRD WARD. County delegates—David H. James and Marshall Hughes. Alternates—Thomas E. Jones and John Delaney. Senatorial—T. J. James and Daniel Beden. Alternates—William T. Treasler and William Niswenter. Legislative—Harry Carl and Cyrus Geise. Alternates—Fryd Hart and Louis Hafner. Standing Committee—John H. Reese. Alternate—Daniel Snyder.

FOURTH WARD. County delegates—D. O. Pritchard and George Lorb. Alternates—Charles Lewis and Daniel Reigel. Senatorial—M. P. Fowler and George Hares. Legislative—Lanes Parker and Lewis Leide. Alternate—Thomas Dwyer. Standing Committee—Edward Brown.

FIFTH WARD. County delegates—Thomas Lee and Benjamin Bescher. Alternates—Frank Brock and George Sherman. Senatorial—E. D. Reese and David Calk. Alternates—George Plock and Albert Landerman. Legislative—William Brown and Thomas Redcliffe. Alternates—William Temple and Ben. H. H. Standing Committee—Charles Hornberger.

There was a meeting of all the county delegates of town yesterday and a report got abroad that they had unanimously agreed to support Brumm and Scott in the county convention, but some of the delegates stated later that no such pledge had been made. At the delegates left here at six o'clock this morning, so as to get upon the stamping ground in time to get an inkling of the program for the day before the opening of the convention.

FOR THE MONUMENT. Business Men's Day, September 20th, Selected for the Picnic.

Thursday, September 20th, being what is known as the picnic day for the business men of Shenandoah, the Soldiers' Monument Association of the town has decided to select that day for the grand picnic which is to be held to increase the monument fund. The new Columbia Park has been engaged for the occasion and a committee of arrangements is already at work.

The business men of Sunbury, Shamokin and Mt. Carmel have held their picnics and they proved to be great events. Every business place in the respective towns were closed on the days the picnics were held and the merchants said they had not enjoyed a better time. Although Shenandoah is among the last to take a hand in this general social gathering the affair will be none the less successful and the whole town will turn out in force to swell the fund for the soldiers' monument.
