That is a new idea that the nomination papers at the State Department, sworn to before Prothonotaries, are invalid because a Prothonotary can only administer oaths in connection with the duties of his office.

The Slav has not turned out an iota of moral or social success in the coke regions, and as he now evinces a leaning toward military service in the East, it would not be a bad idea to let the bars down and remove every obstacle to his speedy departure.

That venerable cheese-parer, Congressman Holman, is likely to have trouble to get back to the House. The Republicans in his district have nominated an exceedingly popular young man, and the chronic objector is going to have a very lively run for his money, as they say on the race track.

England sides with China in the present crisis, choosing her line of policy as usual with reference to her own interests and ignoring all others. Her journals are now throwing a good many brickbats at Japan and some at Russia, but except as an indication of home sentiment they have so far been of little consequence.

Two months ago a lot of Adventist preachers of both sexes set out in Ohio to warn sinners of the approaching end of the world. They frightened a good many people by predicting that the day of doom would be in the month of June.

The weather. Fair, southerly winds.

A WOMAN'S HEAD is level and her judgment is good when she puts her faith in Dr. Pierce's Favorite Prescription. There is no beauty without good health. Nobody expects to become really beautiful from the use of complexion beautifiers. Bright eyes, clear skin and rosy cheeks, florid complexion, fresh air, good food, and the judicious use of the "Prescription."

REVOLUTIONARY KOLBITES

Resolutions Which May Cause a Civil Revolt in Alabama.

BIRMINGHAM, Ala., Aug. 18.—From the state headquarters of the Kolbites in this city thousands of copies of a printed set of resolutions, intended to be passed at the county mass meetings of that faction, called for the 20th, have been sent broadcast over the state.

The resolutions begin by declaring that Governor Jones was fraudulently elected in 1902, and that a still greater fraud was committed at the recent state election. The resolutions conclude: "That we will no longer submit to such fraudulent and corrupt methods, nor will we recognize and sustain a government brought into power through such improper agencies, and we here and now declare our purpose and intention to have and maintain our rights under the constitution and laws of the land, and to carry out this solemn declaration of purpose on our own part we hereby organize ourselves into an honest election league."

A School Row in Kansas City. KANSAS CITY, Kan., Aug. 18.—The Catholic priests of this city have recommended to Bishop Pink that the parochial schools here be abandoned and the pupils, about 1,000 in number, take advantage of their rights under the law to attend the public schools.

Campaign Now the Ocean Queen. NEW YORK, Aug. 18.—The Cunard line steamer Campana, which arrived last evening from Liverpool and Queenstown, has earned the title of queen of the ocean, besides being a record breaker. Her time of passage was 5 days, 9 hours and 29 minutes, which beats all previous records by about 3 hours and 10 minutes.

Sent to Gray Gables. WASHINGTON, Aug. 18.—The sundry civil appropriation bill was received at the White House from the Capitol yesterday and sent to Gray Gables. Lost in a Snow Storm. LOS ANGELES, Cal., Aug. 18.—Last November Colonel C. Lewis Winston, of Pasadena, while hunting with a party up the San Gabriel canyon became lost in a snow storm, and was never again seen alive.

To be Hanged for Burglary. RALEIGH, N. C., Aug. 18.—Arson and burglary are capital offenses in North Carolina, and the latter crime is defined in law as the breaking into a dwelling house or a business house where a person is sleeping.

Ohio's Fashion Candidates. COLUMBUS, O., Aug. 18.—The fusion convention of the Populists and organized labor of Ohio nominated the following state ticket: Secretary of state, Charles R. Martin; judge of the supreme court, E. D. Stark; commissioner of schools, M. J. Flannery; member of the board of public works, Joel S. Stewart.

Fatal Quarrel Over a Cow. HUNTINGTON, W. Va., Aug. 18.—During a quarrel over a cow last night near this place Henry Fralley chopped and beat his brother-in-law, Frank Kuselky, with an ax in a horrible manner. The wounded man cannot live. Fralley has escaped.

The Carina a Winner. RYDE, Aug. 18.—The Vigilant did not sail in yesterday's race around the Isle of Wight for the Commodore's cup, valued at \$400. The Britannia crossed the winning line first and the Satanita second, with the Carina closely following. The Carina won on time allowance.

Murdered with an Ax. WYOMING, Pa., Aug. 18.—While George Kelly and Dell Halford were quarreling at Golden Hill, Bradford county, Halford picked up an ax and struck Kelly on the head with it, killing him instantly. The murderer was arrested and lodged in jail.

MT. CARMEL

Miss Mabel Thiele is about to take a complete course at Pierce's Business College, Philadelphia. James Steiner, wife and daughter, Miss E. Kith, will attend the Ocean Grove camp meeting.

Mrs. Lambert Camp, who has been seriously ill, is able to be about again. Dr. W. T. Williams was the attending physician. Miss Alice Wirt was pleasantly entertained by Shamokin friends to-day.

Miss Eva Bishop, after a pleasant sojourn among friends here, has returned to her home at Philadelphia. A. A. Barr, of the Mt. Carmel Ledger, was a Shamokin caller to-day. J. H. Young is the proud father of a young boy. At this writing mother and child are doing well.

It is evident that a certain editor is getting sick, for he has some pitiful tales to tell his very few friends. Who were the young man and young woman standing on a back street a few days ago discussing the question of eloping? Young man, we're onto you. The young lady is highly connected, being a member of the M. E. church, and we fear she is on the brink of a downfall.

The safety gates at the L. V. depot haven't come yet. We know of a venturesome young editor who ventured out into political waters with a frail fragile skiff a short time ago and had not sailed far when he bumped up against a rock that was placed there by opponents in his own party to impede his progress.

See McCooch, Welkert, Musser and Ashbach hit the ball at the Trotting park to-morrow. CENTRALIA. Miss Mary Joyce, one of Girardville's bright young ladies, returned yesterday, after a short visit to town friends.

Messrs. William Ryan and Charles and Bernard McBrearty, three of our popular young men, spent Wednesday in a glorious manner at the fair set of Shenandoah and Mahanoy City. James J. Colfax and William Hoffman visited Shenandoah on Wednesday. Our quiet town was started on Thursday by an alarm of fire. Upon investigation it was found that the property of J. Collier, on Park street, was in flames.

The fire company was on the scene promptly and the flames were quickly subdued. The loss was light and covered by insurance. Thomas Durkin, formerly of town, but now of Girardville, is spending a few days in town. James Barrett, of Philadelphia, circulated among town friends yesterday. Miss Bridget Cox, one of Lost Creek's prominent young ladies, returned to-day after a pleasant visit to town friends.

Andrew Rooney transacted business in Shenandoah yesterday. Miss Irene Mack, one of Big Mine Run's fair damsels, returned yesterday after spending a few days in town. Centralia and Logan collegians will resume work on Monday, after Thursday's suspension.

The dancing pavilion at the W. C. Band grove was completely destroyed by fire yesterday afternoon. The fire is said to have been started by some small boys lighting the dry leaves around the pavilion. The loss will be badly felt by the band, as they have experienced many reverses lately. It will exceed \$300. No mourners was carried.

Bernard J. Reilly, section foreman on the L. V. R. R., was taken suddenly ill while attending to his work on Monday morning. He was taken to his home, when he complained of a pain in the region of the heart. A physician was summoned and an examination proved that his lungs were blocked. He lay in a semi-conscious condition until Friday morning, when death came to his relief. He was an honest, upright and industrious man and has many friends in the community who mourn his loss. The funeral will take place on Monday morning.

The P. O. S. of A. park was the scene of a pretty party last evening. The affair was conducted under the management of Miss Maggie Murphy and was held in honor of a young lady friend who is her guest at present. Numerous young folks from here and surrounding towns were in attendance and all assisted to make the evening pass as pleasantly as possible. Refreshments were served in elaborate style at 10 o'clock, after which the merry making was again resumed and kept up till the wee small hours of morning. All who were present declare the party the best of the season. Music was furnished by Laubenstein's orchestra of 35 pieces.

To-morrow the Shenandoah start in on a winning gait. See the game at the Trotting park. PENCIL POINTS. The announcement that Council has decided to allow the extension of the Lake Erie Electric Railway gives general satisfaction.

The stoner stones of the German Lutheran church at Frankville will be laid to-morrow. Counsel investigations are becoming numerous. There will be no services in the Trinity Reformed church until the first Sunday of September.

A race between the local bicycle riders would be interesting. There is considerable dispute as to who is the fastest. There will be no service in the German Lutheran church to-morrow morning. The picnic of the United Mine Workers Association in High Point park this week was a social and financial success.

Local Sporting Items. Martin Fahy, of town, and James Breslin, of Westport, have been matched to run 300 yards at Mahanoy City on September 1st for \$200 a side. George Turner has been selected as pistol referee and stakeholder and will name the referee. William Woodward, of Ashland, writes to the Herald that he will accept Donahoe's challenge and will meet at any place he may name.

Married. John Fishburn, of Shenandoah, and Miss Laura Dean, of Mahanoy City, were married on Thursday night at the residence of the bride's parents in the latter town. With McCooch and Sweeney the Shenandoah will put up a great aggregation at the Trotting park to-morrow.

Feely's Cafe. Largest schoolers in town. Choice lunch at all hours. Music. 36 North Main street, Shenandoah. 8-18-11. Wanted. A good girl for general housework. Apply at the HERALD office. 8-18-11

THE WAR IN THE EAST.

The Kow Shing, Brandy Assaults Japan, Was Struck by Chinese Pirates. VICTORIA, B. C., Aug. 18.—The steamer Empress of Japan, which left Yokohama Aug. 8, brings news of the capture by the Japanese of Li Hung Chang's old and favorite dispatch boat, Buang Yang, which also brings word of the sinking of a first class Japanese cruiser by the Chinese man-of-war Chen Yuen, commanded by Admiral Liu Pailsteng.

The Japanese are doing their utmost to throw the whole balance of the destruction of the transport Kow Shing, with its load of Chinese soldiers, upon piratical Chinese, and they blandly assert that the British government will have the strongest kind of claim for damages against China.

It is reported that the government of Corea has formally notified Japan of her intention to sever all connection with China. The Japanese preparations for the bombardment of Woo Sung (China) are rapidly nearing completion.

The Chinese victory, Li Hung Chang, is making large and important additions to the defenses of Shan Kai Kaung, where the great wall of China meets the sea. The Japanese fleet, which has been searching for the Chinese squadron, came in sight of the enemy on Wednesday and bore down upon them. The Chinese admiral, however, declined battle and steamed into a harbor northwest of Che-Foo. The Japanese have made no attempt to attack Che-Foo, but the vessels of the fleet are cruising off that port.

Japan's Aggressive Movements. YOKOHAMA, Aug. 18.—It is officially stated that the Japanese fleet, which consists of seven iron vessels, is hunting for the Chinese fleet for the purpose of engaging it in battle. The Japanese troops in Corea have been ordered to occupy all the pass on the China-Corean frontier and prevent at all hazards the entry into Corea of Chinese reinforcements.

Japan's Big War Loan. LONDON, Aug. 18.—A dispatch from Tokio says that an imperial decree has been issued authorizing the raising of a Japanese loan of \$50,000,000.

Hood's Saved My Life. I Can Honestly Say This. For years I was in a very serious condition with catarrh of the stomach, bowels and bladder. I suffered intensely from dyspepsia, and in fact was a miserable wreck, scarcely able to get from bed to table. I really wished I was dead. I had no rest day or night. I did not know what to do. I had taken so much medicine of the wrong kind that it had poisoned me, and my finger nails began to turn black and seem off.

Mr. W. E. Young, Peter's Mills, Pa. Hood's Sarsaparilla. I had faith in the medicine, and it did more for me than all prescriptions. I have gradually regained perfect health, and am entirely free from catarrh of the bowels, and pain in my back. My recovery is simply marvelous." W. E. Young, Peter's Mills, Pa.
