Special to EVENING HERALD.

MAHANAOY CITY, Aug. 30.—Howard Medlar, a young man of this place who has been employed as conductor on the Lakeside Electric Railway, has been missing since last Monday night. The circumstances under which he disappeared were of a somewhat sensational character, but after thoroughly investigating the matter the people concerned stated that there was really no cause for him to run away, unless it be that chagrin impelled him to do so.

Medlar bears the reputation of being a very inoffensive and pleasant young man except when under the influence of drink, and this fault is no doubt at the bottom of the present unfortunate situation in which he has placed himself.

At 11:45 o'clock last Monday night Medlar and Patrick Welch left here with a car and motor for their last trip to Shenandoah. The former was the conductor and Welch the motorman. The car arrived in Shenandoah at 12:14, but did not get back to the power house here until 1:50 a. m. When the car arrived it was in sole charge of Welch, who appeared to be under the influence of liquor, and who stated that he and Medlar had fought and he threw the conductor off the car. The trolley rod of the car was badly bent and the wheel was missing.

After surrendering his car Welch went to his home and has not reported for duty since, although he was to have done so yesterday.

Early Tuesday morning the railway officials sent men along the line to see if any trace could be found of Medlar. The trolley wheel was found alongside of the track at Bowman's and Medlar's report for his trips was found near the Yatesville station. It was by this report that the company learned the hour of arrival of the car at Shenandoah on Monday night and the approximate number of fares collected. No trace of Medlar could be found.

Inquiry at Kearney's hotel on East Centre street, Mahanoy City, where Medlar boarded, has been fruitless as inquiries at a dozen other places for the young man's whereabouts.

The exact circumstances of the trouble between the motorman and conductor have not been learned, owing to both being absent. Welch is at his home, it is believed.

As soon as Medlar was reported missing stories got afloat that he had taken considerable money belonging to the railway company with him, but the stories were pretty well moderated by a statement to a HERALD reporter last night by Mr. D. D. Phillips, the treasurer of the company. Mr. Phillips was busy at High Point Park, where the Georgia minstrels were giving an entertainment; he stated that as near as he could understand Medlar had with him fare for approximately a little over \$20, but that the company owes him about \$15 for wages, the company is out but a trifling amount.

It was reported last night that Medlar had gone to Philadelphia, but some friends of the young man incline to the belief that he is keeping in seclusion until after the affair blows over. Other think that after the trouble with the motorman Medlar concluded that his discharge from the company would follow and decided to use the money he had with him and go away.

### Disgraced Exhibition.

Two young women who bear a rather unenviable reputation caused a disgraceful scene at the corner of Main and Centre streets last night by indulging in a stilet encounter over a discussion about men. One of them had attracted considerable attention during the evening, and the other, by strutting up and down the street and proclaiming: "I'm the stuff."

### The Minstrels a Success.

The re-appearance of the Georgia Minstrels at High Point park last night attracted a large number of people from Mahanoy City and Shenandoah. The entertainment gave better satisfaction than on the previous night, in that it was given on an elevated platform and all surrounding it could enjoy the full benefit of the inspiring orchestral strains and the witty remarks of the funny minstrels. Another entertainment was given at the same place to-night, and to-morrow night the minstrels will again appear at Columbia park. Tickets will be issued for the latter entertainment. Ten cents will cover admission to the pavilion and fare both ways on the Lakeside Electric Railway.

### Surprise Party.

Miss Mamie Krieger, of Olyphant, was tendered a surprise party last night at the home of her brother, William Krieger, on West Line street. Among the guests at the party were Misses Dora and Jane Fogle, Josie Gibson, Laura Powell, Jennie Kendrick, Stella Jones, Ella Bowman, Lottie Acker, Emma Hoffman, Gussie and Mrs. Acker, and Messrs. Andrew Ross, John Bowman, John Fogle, William Webster, Samuel Kendrick, Heber Hooks, George Harrison, James Hilbert, Peter Hollenbach, William Spahr, Charles Shugars and Will Krieger.

It wouldn't be a bad suggestion to the officers in charge of the Labor Day demonstration to erect a temporary bridge on Vine street for the accommodation of the visitors.

Miss Edith Maize has returned from the Ocean Grove camp meeting. While there the young lady took a ten-mile voyage out on the ocean, and a pleasant time is reported.

Tuesday evening the Mt. Carmel foot ball team were measured for their new uniforms and they will commence to put themselves in trim to "do up" anything that comes in front of them in the anthracite region.

Don't forget the next attraction at the opera house, which will be on deck Saturday evening, September 1st. Little's "World" is the drama and it is put down as one of the finest. Don't miss it. Seats on sale at Samuel's drug store.

C. F. Huth, of Shamokin, Ex-National President of the P. O. S. of A., was the recipient of such honors that very seldom falls to the lot of distinguished men in this county. He attended the convention which is now in session at Erie and was assigned to the State Presidency. Shake, Clarence!

A raving maniac was found on the mountain a short distance from Pater and winter stock to the value of \$20,000. The fellow had been among the missing for some time and a searching party was made up to find where he might be. Tuesday afternoon their efforts were crowned with success by making the discovery of his whereabouts. He had taken refuge under the trunk of an apple tree with the expectation of not being caught, but was foiled in his attempt and captured. The probabilities are that he will be sent to some institution.

## Do You Want to Save Money?

Louis Goldin, of the Mammoth Clothing House, has just returned from a three weeks' trip among the clothing manufacturers of New York. He purchased fall and winter stock to the value of \$20,000 and hats to the cost of \$5,000. By dealing direct with the manufacturers, in these immense lots he was enabled to buy cheaper than ever before. Clothing he bought at half what it cost him last year and hats at a little less than half. He will give his customers the benefit of these reductions.

This stock is the best ever brought to Shenandoah, and includes the very latest styles in double and single breasted suits, also frocks and cantawags. Suits for men, boys and children. \$10 suits and other styles for the little ones at half what you paid for them last year. Fine soft and stiff hats so cheap that you will laugh at the price. These he bought in large quantities from the factories and therefore can sell them cheaper than you than other dealers who give part of their profits to the jobbers. Any one in need of a suit or hat should go to the Mammoth Clothing House, as they can purchase suits at from four to five dollars cheaper than in other stores in town. Money is not so plentiful this year that you can afford to give \$4 or \$5 to some other dealer, when you can get the same quality suit of nobbler style at Louis Goldin's, largest clothing house in Shenandoah, 9 and South Main street.

## Walatt's Statement.

EVING HERALD.—In your issue of the 28th inst. I am charged with severely beating Raymond Barbeck, the six-year-old son of Letter Carrier John Barbeck. This is absolutely false. I did not, in any manner, abuse this boy. Mrs. Barbeck has repeatedly complained about boys that in front of her residence on Howers street, and requested me to do something in the matter. On the 27th inst. I left the house to report for duty and there was a large crowd of boys playing ball, others throwing stones at the buildings. I came down the road and the boys ran away, except Raymond Barbeck, and when I came to him I ordered him home. Mrs. Barbeck, Sr., was sitting on her steps and the boy went over to her. They did not make any complaint until about eight o'clock that evening. They said the blows left marks on the boy's body. If that was so, they were inflicted by someone else and not me. I court investigation.

## MAY YET BE IN THE SWIM.

### A Rumor That the Harrisburgs Will be Transferred Here.

### WHAT IT WOULD LEAD TO.

### The Pottsvilles Would Have to Hustle For the Pennant and the Game Would Take a Boom in Town.

Shenandoah may yet make a showing in the State league series of base ball games which will come at least in part for the weakness of the past. There was a rumor abroad to-day that the Harrisburg club can be transferred to town with very little trouble and some of our townspeople are ready to engage in a movement to bring about the change.

Manager Brennan said to-day that a project to bring the Harrisburgs here and send the present Shenandoah club to Harrisburg has been under consideration for several days and if there is any possibility of affecting the change it will be done.

An exchange would be preferable to disbanding the present Shenandoah team, as it would not reduce the number of clubs in the league and there would be no question about the Harrisburgs taking the pennant the Shenandoahs now hold.

If the Harrisburgs could be brought here Shenandoah would get from six weeks to two months of first-class base ball and the Senators would have encouragement to jump and make the Pottsvilles hustle more for the pennant than they feel obliged to at present.

The Harrisburgs are now next to last in the race, but if brought here they would start out in fourth place and right upon Pottsville's heels. This would put new life into the league and boom the game in town to such an extent that the backers would reap a harvest.

This seems to be the only way in which the town management can get a club of players which will be able to keep pace with the other clubs in the league.

Another argument made in favor of the change is that it might prolong the State league season. Harrisburg won the first series and should Pottsville win the second the two clubs might be induced to play off for the championship.

O'Hara was released last night and left at noon to-day for Easton.

The Harrisburgs and Stewart, of the Democrats, have been signed and will reach here Saturday morning.

## WE GO UP AGAIN.

By Harrisburg's Non-appearance Shenandoah Moves to Fourth Place.

"We win a game," was the exulting cry of many of the base ball patrons yesterday afternoon, but the surprise it occasioned among the incredulous moderators when it was explained that Shenandoah's position in the State league contest had been improved by a game secured on the failure of the Harrisburg club to appear at the Trotting park yesterday afternoon. The home team practiced until 4 o'clock, when it was given the game by a score of 9 to 0, according to the rules affecting forfeited games.

The news that S. L. Brown, the enterprising and successful young boot and shoe dealer of town, has been elected State Vice President of the P. O. S. of A., now in session at Erie, is received with much gratification by his friends here. Mr. Brown has held the office of District President in this district for two years and his record while in that office warrants the belief that he will make one of the best officials the state body has had.

## The Other Day

We saw an advertisement wherein a tub of butter is represented as a living being, and strong enough to hold out a 500 pound weight at arm's length. That's not the kind of butter we sell, ours is not strong. It's sweet, and we have lots of it.
