A RELIGIOUS WRANGLE

A. P. A. Objections to a Teacher Dismissed. AMESBURY, Mass., Sept. 20.—One division of the grammar school at Salisbury is closed as the result of a religious quarrel precipitated by the appointment of Miss Isabelle Cavanaugh, a Catholic, as a teacher. She was engaged on Monday, and strenuous objections were at once made by prominent members of the American Protective Association. The local branch of the American Mechanics also objected, and say they will not allow the American flag which was presented to the school by the order to be hoisted over the school building until the new teacher is dismissed. The committee, therefore, closed Miss Cavanaugh's division until the trouble is settled. She threatens to sue the town if discharged.

Informers Delivered to the Leader. MEMPHIS, Sept. 20.—The two captured train robbers, Lincoln Overfield and Charles Abrams, are in jail here awaiting the action of the grand jury. Overfield, beyond admitting that he was present at the scene of the attempted robbery, refuses to talk. He lies in his bed with his head covered, and crying most of the time. Charles Abrams, the wounded robber, says that Informer McDaniel was the one to plan the robbery, and coached the others into it. He says the first proposition came from McDaniel, who had to use considerable persuasion to get the others into the enterprise. There is little hope of Abrams recovery.

Boys Charged with Manslaughter. JERSEY CITY, Sept. 20.—Four boys—Sylvester Bruno, Alfred Purcell, William Gray and Otto Schilling—all between 17 and 18 years old, who were arrested a week ago for attempting to wreck a handcar on the Lehigh Valley railroad at the crossing in Greenville, were arraigned yesterday on the charge of manslaughter. The boys placed stones on the track, and when a handcar containing six laborers came along the men were thrown off. Thomas Kinney had his skull fractured, and has since died. The hearing was postponed.

Pennsylvania Firemen's Association. NORRISTOWN, Pa., Sept. 20.—At the State Firemen's association convention the following officers were elected: President, George W. Brooks, Contoingville; vice presidents, John T. Gorman, Philadelphia; Laydon Thomas, Jr., Norristown; George G. Jones, Chester; A. W. Martindell, Hatboro; recording secretary, W. W. Wander, Reading; corresponding secretary, James A. Green, Carlisle; treasurer, John Klingling, Norristown. It was decided to hold the next meeting at Reading.

Unprovoked Murder in Georgia. AMERICUS, Ga., Sept. 20.—An unprovoked murder occurred near here Tuesday evening. Ed Westbrook and a companion, two negroes, were hunting squirrels. Will Nixon, another negro, hearing them, left his work picking cotton and joined them in the woods. Westbrook and Nixon began to joke each other about the merit of their dogs, and the former, becoming enraged, discharged a load of shot from his gun into Nixon's head, killing him instantly. Westbrook was arrested.

While in Chicago, Mr. Charles L. Kahler, a prominent shoe merchant of Des Moines, Iowa, had quite a serious time of it. He took such a severe cold that he could hardly talk or navigate, but the prompt use of Chamberlain's Cough Remedy cured him of his cold so quickly that others at the hotel who had had colds followed his example and half a dozen persons ordered it from the nearest drug store. They were profuse in their thanks to Mr. Kahler for telling them how to cure a bad cold so quickly. For sale by Grubler Bros.

Coming Events. Sept. 24 and 25.—Ice cream and peach festival at Bender's hall, Wm. Penn, under the auspices of Our Band. Sept. 28.—Musical in M. E. church, under the auspices of the church choir. Oct. 16th.—Annual supper of the English Baptist church in Robbins' opera house.

A. M. Bailey, a well known citizen of Eugene, Oregon, says his wife has for years been troubled with chronic diarrhoea and used many remedies with little relief until she tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which has cured her sound and well. Give it a trial and you will be surprised at the prompt relief it affords. 25 and 50 cent bottles for sale by Grubler Bros.

Now or Never. People who have not secured copies of the exquisite photographs of the World's Fair embraced in "The Magic City," and superb photographs of famous men and women and scenes in every land as incorporated in "Voyage Around the World," should apply for them at the HERALD office without delay, as only a few copies are left and the supply will not be renewed. No household should be without a complete set of these marvelous productions.

Irvig W. Lattimore, physical director of Y. M. C. A., Des Moines, Iowa, says he can conscientiously recommend Chamberlain's Pain Balm to athletes, gymnasts, bicyclists, foot ball players and the profession in general for bruises, sprains and dislocations; also for soreness and stiffness of the muscles. When applied before the parts become swollen it will effect a cure in one half the time usually required. For sale by Grubler Bros.

THE KIDNAPING OF BYERS

Sensational Charges in a Suit by the 30-Hour Manufacturers' Wife.

PITTSBURGH, Sept. 20.—Mrs. E. M. Byers, wife of the millionaire iron manufacturer of this city yesterday filed a sensational petition in court asking for the custody of her husband and his estate. Mrs. Byers says she has been married twenty-two years. About two years ago H. B. Shields, an employe of A. M. Byers, her brother-in-law, kidnaped her husband and took him to Chicago, where he was placed in the custody of Dr. L. W. Tallman. The latter took Byers to Duluth, and then to St. Paul, where he was placed in a hotel under the charge of Eva Dilts, a trained nurse.

Mrs. Byers located her husband on Aug. 20, 1893. The party, including Mrs. Byers, then returned to Chicago. Here, she alleges, her husband was surreptitiously administered by Dr. Tallman, and while she was unconscious her husband was again carried off. Byers was then taken from place to place, generally outside the United States, covering all together about 40,000 miles. Mrs. Byers spent thousands of dollars searching for her husband, and finally located him in Japan. She sent her agent, Samuel Boyd, for her husband, and they returned to San Francisco. Here they were met by Dr. Tallman, who endeavored to regain possession of Byers. Finally, on July 30, 1894, an agreement was signed by all the interested parties to the effect that Byers should return to Pittsburgh, without any interference, in the custody of Boyd.

At St. Joseph, Byers was taken from the train on a writ of habeas corpus, but at the hearing was remanded into Boyd's custody. A few hours later, Mrs. Byers alleges, H. B. Shields, Peter L. Kennedy, John Davis and Dr. Tallman again kidnaped Byers and took him to Chicago, where trace of him was lost. A few days ago Mrs. Byers found her husband in the Pennsylvania Hospital for the Insane, at Philadelphia, and he is now under her care.

Mysterious Murder at Atlanta. ATLANTA, Ga., Sept. 20.—Forest Crowley, manager of the Roswell woolen mill, was found murdered in a thicket near Westview cemetery. Circumstantial evidence points strongly to Will Myers as one of his murderers. The motive was robbery. Crowley had \$700 in his pocket on Tuesday. Myers had induced him to come to this city from Roswell. The murdered man was induced to take a drive in the country where the tragedy took place. Myers is missing. He is but 19 years old.

Mrs. Desha on Breckinridge's Defeat. LEXINGTON, Ky., Sept. 20.—Mrs. F. K. Hunt, the venerable president of the Woman's Anti-Breckinridge association, of Lexington, has received a letter from Miss Mary Desha, sister-in-law of Colonel Breckinridge, now residing in Washington, from which the following extract is taken: "I want to tell you how much I thank you for what you have done in defeating the man who has disgraced the Ashland district. There was universal rejoicing when the result was known."

Plunged Down 250 Feet. JEFFERSONVILLE, Ind., Sept. 20.—Frank St. Clair, a bridge carpenter, was at work on the traveler used in building the Louisville and Jeffersonville bridge at this point. While righting a piece of timber at the top of the traveler he lost his balance and fell into the river, a distance of 250 feet. In the fall St. Clair's body struck the false work, injuring him internally and breaking both legs. He was rescued from drowning, but cannot live.

Rain Damage in Pennsylvania. DOYLESTOWN, Pa., Sept. 20.—The rain storm of the past two days has done considerable damage here. Many bridges have been washed away, among them the new iron bridge at Point Pleasant, which was built by the county two years ago to replace a stone bridge washed away by the flood. Roads are impassable by reason of washouts, and the damage will reach into the thousands.

A Coxeyite Tries to Drown Himself. ALLENTOWN, Pa., Sept. 20.—Nine men, who said they were members of Coxey's army, assembled in Salisbury township and emptied several kegs of beer which they purchased at a nearby hotel. One man was robbed of nearly all his clothing and money, and attempted suicide by drowning in Schreiber's dam. He was rescued and locked up.

Strikers Routed by Police. EDINBURGH, Sept. 20.—In a fight which took place between 100 police constables and a picket of 5,000 men about Logan pit, near Motherwell, the miners used catapults freely. AMUSEMENTS.

"A BREEZY TIME." It is announced by the management that "A Breezy Time" is continually comical and always interesting. It is said that no farce comedy upon the road contains so many captivating songs, so many well-built chorus girls, and so many original comedians. The individual talent of the performers is what the management rely upon to make the entertainment worth while attending, and to that end each member of the company has been given full liberty to elaborate his or her individual abilities. At Ferguson's theatre to-morrow evening.

A WOMAN KING. Around the neck of her husband and begged and implored to go immediately and reserve seats for the pretty and young soubrette, Lillian Kennedy, in "She Couldn't Marry Three." Few actresses at her age are endowed with such transcendent talent. In the whole range of the drama she shines resplendent, exciting tears or laughter at will, and with an ease and absence of effort that disarms criticism. She sings a ballad or comic song, dances a graceful skirt dance or break down, and all she does is imbued with the spirit of an innate artist, a thorough musician; endowed with youth and uncommon beauty, she seems destined at no distant day to reach the very pinnacle of dramatic eminence.

This is what the Mt. Vernon, (N. Y.) Daily Argus says of Walter L. Main's shows, which exhibit here to-morrow afternoon and evening: "The performance thoroughly pleased the people and the mammoth tents were crowded, it being estimated that there were fully 10,000 people attended. It is idle to attempt to describe it in words of praise because the Walter L. Main show has no equals and consequently no superiors. It surpasses in all respects all previous efforts."
