Catarrh of the Nose, Throat and Stomach—Life Made Miserable by Headaches, Pain and Cough.

Lida McCandless, No. 1230 South Thirty-fifth street, Philadelphia, in conversation with a reporter, said: "I had a very bad case of catarrh of the nose, throat and stomach, with frequent headaches, pain under the shoulder blades and a horrible cough. I had to keep my mouth constantly open day and night to breathe, and felt an unbearable sore in my throat. I was advised to try Munyon's Catarrh Cure. I am happy to say that from the beginning I felt relieved and continued to grow better until now I am entirely well. I am so thankful that this remarkable remedy was ever discovered, and hope others will take advantage of my experience."

Have you Catarrh? Are you willing to investigate a treatment that cures Catarrh by removing the cause? If so ask your druggist for a 25c. bottle of Munyon's Catarrh Cure and a 25c. bottle of Catarrh Tablets. The Catarrh Cure will eradicate the disease from the system, and the Tablets will cleanse and heal the afflicted parts and restore them to a natural and healthy condition. Munyon's Homoeopathic Home Remedy Company, of Philadelphia, put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

AMUSEMENTS.

"IRISH INSPIRATION."

The singing and acting of Mr. Barry O'Neil reminds us very forcibly of W. J. Scanlan, and we should not be surprised in the near future to see this young man fill the vacancy left by that unfortunate comedian.—N. Y. Morning Advertiser. At Ferguson's theatre on Wednesday evening, Oct. 10th.

"OUR IRISH VISITORS."

The Boston theatre was crowded to the doors last night with an audience which proved very enthusiastic. The play presented was the farcical comedy, "Our Irish Visitors," one of the funniest shows ever seen. The company is a clever one, among whom may be mentioned W. J. Mason, Frank Davis, Victoria Walters and Emily Northrup.

There is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended, as Chamberlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen, which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A troublesome corn may be removed by applying it twice a day for a week or two. A lame back may be cured and several days of valuable time saved or a pain in the side or chest relieved without paying a doctor bill. Procure a 60 cent bottle at once and you will never regret it. For sale by Grubler Bros.

A Mt. Carmel Inventor.

Charles H. Hobson, a Mt. Carmel inventor, was in town on Saturday, the guest of John S. Housenick. Mr. Hobson has devoted considerable time during the past seven years to the invention of mine lamp attachments and has just completed his fourth. He believes that the latest is as near perfection as any one can reach and he will stop work in that direction, for the present at least. The Shenandoah Manufacturing Company has been using Mr. Hobson's patents in connection with its manufacture of mining caps for the past five years and the company has secured the exclusive right to the use of Mr. Hobson's latest device. The patent is on a device inside the tin plate upon which the lamp rests. The hook of the lamp is held firm, so that, no matter what position the wearer of the cap may assume, the lamp will not swing to either side, or drop forward. It is said to be the most valuable improvement yet made in mining caps. Mr. Hobson is a genius. He is working upon a number of other patents and among his friends is known as the Edison of the region.

Every mother should know that croup can be prevented. The first symptom of true croup is hoarseness. This is followed by a peculiar rough cough. If Chamberlain's Cough Remedy is given freely as soon as the child becomes hoarse or even after the cough has developed it will prevent the attack. 25 and 50 cent bottles for sale by Grubler Bros.

The Railroad Man, The Clergyman, The Business Man, and all other men who have to look neat while at work, should know about "CELLULOID" COLLARS AND CAPS.

They look exactly like linen, wear well and being waterproof do not wilt down with heat and moisture. They do not soil easily and can be cleaned in a moment by simply wiping off with a wet sponge or cloth. Do not confuse these in your mind with composition goods. Every piece of the genuine is stamped like this:

Ask for these and refuse anything else if you wish satisfaction. Remember that goods so marked are the only waterproof goods made by coating a linen collar with waterproof "Celluloid," thus giving strength and durability. If your dealer should not have the "Celluloid" send amount direct to us and we will mail you sample post-paid. Collars 25c. each. Caps, 50c. pair.
