DESPITE the reports of poverty industriously circulated by the Democratic Congressional Committee, it appears that they have plenty of money at their disposal, and are using it with a lavish hand in quarters where they think it is needed or will do good.

MR. RIED accurately described the Democratic party, dishevelled and torn, as issuing promises to pay, when a realm of its dishonest paper is already at the bank and marked "no funds."

A BUGABOO.

It is in a tone of righteous indignation that we have heard many citizens of unquestionable record refer to the A. P. A. bugaboo, with which discredited and desperate politicians are seeking to blind the eyes of people to the real issues of reform and decent government.

to do, that members of the Roman Catholic church will regard it as a religious duty to protest and defend by their ballots a political party that has debauched the nation, is a foul aspersion upon the character and work of that communion.

THE WORKINGMEN'S CHANCE.

One of the causes of privation to the working classes of this country has been a neglect on their part when the opportunity offers to act for themselves.

To the World of Women.

For Mothers' and Daughters' Health. Weak, nervous, delicate, overworked women are the ones that need a strength builder, a tonic for their nerves, and cure for that awful internal trouble that is wearing out their lives.

CRIMES AND DISASTERS.

A Sunday of Fatalities in Two Little Pennsylvania Towns.

PITTSBURG, Oct. 22.—McDonald and Jenette, small towns just outside of this city, furnished yesterday a list of crimes and accidents seldom equalled even in the large cities.

At noon James Banks, colored, shot a white woman named Maggie Allison three times in the breast. She will die. When Banks saw what he had done he took to flight and threw himself down beside the writhing body of the woman.

In the evening three men waylaid a well known tank builder, Jacob Morrow, and beat him severely. His face is badly hampered, and his condition is serious.

At Jeanette early in the morning a freight train on the Pennsylvania railroad was bucked into a siding and smashed into a box car in which three men were sleeping.

A few hours later another wreck occurred at Carpenter's Station, by which Oliver Brown, watchman, will probably lose his life. A freight jumped the track and crashed into the tower.

In the afternoon Ed Parker, colored, and Frank Marshall quarreled over a game of craps. Parker slashed Marshall on the neck with a razor and received in return a bullet from the left eye from a .38-caliber revolver. Parker cannot recover.

THE BRIDE AT LIVADIA.

Princess Alix Has Arrived at the Stricken Ruler's Bedside.

MANY PRAYERS FOR HIS RECOVERY.

In All Parts of Russia and on All Russian Vessels Prayers Are Unceasingly Ascending to the Throne of Grace—To Hurry the Royal Wedding.

LONDON, Oct. 23.—Today has produced practically nothing to the point in regard to the situation of the czar. In all the continental capitals and in London there have been streams of callers, officials, dignitaries, aristocrats and humble people, at the Russian embassies.

GRAND DUKE NIKOLAI, (Russia's Next Heir.)

The Moscowites fear that should the rumors prove true they will have to face the gravest peril possible. While the people crowd the churches to pray for the czar, the fears that the rumor has bred give added fervor to their petitions.

The Cologne Gazette prints a St. Petersburg telegram stating that the czar has given orders for a settlement of the succession to the imperial council. He has advised that Grand Duke George, his second son, should on account of the state of his health renounce his claim.

The Berliner Tageblatt publishes a telegram from Livadia asserting that the betrothal of the czarowitz and the Princess Alix formally occurred today, and that the marriage will be celebrated tomorrow.

Besides the offering of prayer for the recovery of the czar in all the churches, the Holy Synod has ordered that there be prayers for the same offered in the army and navy and on board the vessels of the Russian Pacific and Mediterranean squadrons.

Princess Alix arrived at Livadia last night. The czarina accompanied her to the chapel of the castle, where both prayed earnestly that the life of the czar be spared.

Fleeed by Sharpers.

ATHENS, Pa., Oct. 23.—Channey Wheaton, a wealthy farmer of this place, was hunted out of \$5,000 by two sharpers who led Wheaton to believe that they wished to purchase his farm and induced him to engage in a game of cards, by which they succeeded in fleecing him. The swindlers made good their escape.

OVER A TON OF DYNAMITE.

An Eye Witness Tells of the Monster Explosion at Rio.

BALTIMORE, Oct. 23.—Captain Higgins, of the coffee bark Dom Pedro II, now in port, gives a graphic description of a dynamite explosion that occurred in Rio a few days prior to Sept. 6, when his vessel sailed for Baltimore.

A Brazilian soldier discovered near the English cemetery a subterranean magazine, in which the insurgents of the recent rebellion had concealed a large quantity of gunpowder, cartridges and dynamite shells, which they evidently intended using against the government.

A quantity of the shells had been placed in the cart, and a pile of others had been passed out close behind it, when one of the soldiers, while in the act of handling a shell, dropped it among the others. The same second an explosion shook the earth. A sheet of flame shot upward and a cloud of whitish smoke hid everything from view.

Russia Has a Grievance. NEW YORK, Oct. 23.—O'Donovan Rossa has sent a letter to President Cleveland protesting against the action of Edwin F. Uhl, assistant secretary of state, in refusing to issue a passport to him, although he has been voting here a number of years on papers granted by Judge Lawrence in the court of common pleas Feb. 21, 1871.
