

PAINT cracks.—It often costs more to prepare a house for repainting that has been painted in the first place with cheap ready-mixed paints, than it would to have painted it twice with strictly pure white lead, ground in pure linseed oil.

Strictly Pure White Lead forms a permanent base for repainting and never has to be burned or scraped off on account of scaling or cracking. It is always smooth and clean. To be sure of getting strictly pure white lead, purchase this brand:

"John T. Lewis & Bros."

For Colors.—National Lead Co.'s Pure White Lead Tinting Colors, a one-pound can to a 25-pound can of Lead and mix your own paints. Saves time and annoyance in matching shades, and insures the best paint that it is possible to put on wood.

CHILDREN CREMATED.

Four Lose Their Lives by the Burning of Their Home.

THREE MEN SERIOUSLY INJURED.

The Charred Bodies of the Little Ones Reached Three Hours After the Fire—Fruitless Efforts of the Firemen to Rescue the Doomed Ones.

NYACK, N. Y., Oct. 23.—Four grandchildren of Rev. William Taylor, Methodist missionary bishop of Africa, perished in the elegant house of their father, Rev. Ross Taylor, in South Nyack, yesterday. In addition one man was so badly burned that he can scarcely recover, and two others were seriously injured.

Mrs. Taylor was awakened by the smell of smoke, and aroused her husband. They found the halls of their home filled with smoke, the fire having evidently obtained great headway. Mr. and Mrs. Taylor succeeded in grouping their way through suffocating smoke to the open air, without having been able to extend a helping hand to their six children or others of the household.

People on the streets had seen the fire, and as Mr. and Mrs. Taylor emerged from the burning building the fire department arrived. The energies of all were directed toward the rescue of those who still remained in the doomed structure. The two eldest of the Taylor children, Stewart and William, were aroused in time, and, jumping from the window of their chamber, were caught without serious injury. Four others of the children perished. Their names are: Harriet, aged 11 years; Ada, aged 9; Arthur, aged 7; Schultz, aged 5.

Their charred bodies were recovered three hours later and removed to an undertaking establishment. Besides the Taylor family there were in the house Michael Mullady, a laborer, and two house decorators named Edward Linta and William Ruth. All three had been sleeping in the third story. When aroused escape by the stairway was cut off, and they jumped for their lives. Mullady was so badly hurt that he can scarcely recover. Ruth and Linta sustained serious injuries, but they will probably recover.

The house which was burned had only recently been built, and the interior decoration was still incomplete.

More Stamp Thieves Caught.

COLUMBIA, S. C., Oct. 23.—William A. Beach and H. C. Clegg, of Washington, who are charged with being accomplices in the recent stamp robbery there, were arrested here last night. Beach took the trouble to keep an itemized diary, and it shows how freely Smith, the chief stamp thief, spent the money he received from the stamps. The arrest was made when Beach, accompanied by Clegg, called at the postoffice for mail sent to him under the name of Ned Lawrence. The men admitted their identity. Beach confessed to the whole affair.

A Conscience Stricken Robber.

BALTIMORE, Oct. 23.—James S. French, of El Paso, Tex., was brought before United States Commissioner Rogers on the charge of breaking into a post office at Panama, Dixon county, Neb. He was committed to jail and his hearing set for Thursday noon. The crime was committed last February. Yesterday French gave himself up at Parkton, Baltimore county, saying that he could endure the thought of his crime no longer. He has been dodging the officers by working on establishments between this country and England.

Novel Law Suit at Bridgeton.

BRIDGETON, N. J., Oct. 23.—A novel suit has been brought in Esquire Meyers' court here to recover a debt. One day last week, while sitting in a cigar store, William T. DuBois, a prominent cigar dealer, was engaged in conversation with Postmaster A. S. Lanning, who offered him \$10 if he would keep his mouth shut a half hour. DuBois kept silent for a half hour, and then presented a bill to Lanning for the \$10. Lanning refused to pay the bill, so DuBois entered suit.

Hill Visits Brooklyn Tonight.

BROOKLYN, Oct. 23.—The big Democratic rally of the campaign in Brooklyn will take place this evening at the Academy of Music. In addition to Senator Hill E. K. Kelly Anderson and Daniel L. Lockwood will speak. It will be one of the greatest political demonstrations ever held in Brooklyn. The labor organizations have arranged a reception for Senator Hill during his visit to Brooklyn.

Stole the Band Instruments.

THENTON, Oct. 23.—The local police authorities arrested Arthur Woods, of Littleton, N. H., who is wanted at that place for forgery and grand larceny. Woods was a member of the Littleton band, and stole a number of instruments from the members. The stolen goods are estimated at \$500 in value. Three of them have been recovered, and Woods has been locked up to await a requisition.

Ex-Governor Bodie's Funeral.

D., of the Wayne Street Reformed church, will conduct the services.

NEWARK, N. J., Oct. 23.—George B. Hyde, one of the largest hat manufacturers in Newark, gave in to the strikers yesterday morning, and about one hundred of the old hands returned to work. Hyde agreed to the terms of the strikers, which were submitted in writing. The strikers expect that the other bosses will follow the example of Hyde.

SAN FRANCISCO, Oct. 23.—The jury before whom John W. Flood was tried for the embezzlement of \$104,000 of the funds from the Danahoe-Kelly bank while employed as the bank's cashier, failed to agree and was discharged. The jury stood nine for conviction and three for acquittal.

THE CENTAUR COMPANY, 27 N. MURRAY STREET, NEW YORK CITY

MURDERER LAKE CAPTURED.

The Slayer of Pretty Emma Hunt Admits His Crime.

ROCHESTER, N. Y., Oct. 22.—The most awful crime in the history of Orleans county, if not in the history of the entire state—the murder and mutilation of pretty Emma Louise Hunt, a domestic employed on the farm of Charles Van Camp, near Albion—which was committed on last Thursday night, was the work of the farm hand William Lake, as suspected from the first.

On Saturday a confession written by Lake was found in his room in the Van Camp house. In the paper Lake intimates that all his troubles had their origin in the fact that he was of illegitimate birth. He professed ignorance of the identity of his parents. "If they are living," he said, "I will find them."

He says in effect that Emma Hunt had encouraged his attentions and led him to believe that she loved him. He had discovered, however, according to this statement, that she had been untrue, and therefore he had determined to kill her and then end his own life. Lake gave explicit directions for the settlement of his affairs and for the disposition of his body. He also returned affectionate thanks to the woman who had brought him up as though he had been her own child.

The autopsy justifies the theory that murder was committed to gratify lust and that the mutilation of the body was to conceal the first crime.

The Murderer Confesses.

ALBION, N. Y., Oct. 23.—William Lake, who murdered Emma Hunt last week was captured yesterday afternoon in a farm barn by two constables. He offered no resistance and was lodged in jail here. Lake acknowledged that he committed the crime and said that after knocking the woman senseless he cut her throat and hacked her with a butcher knife. He says that the only reason he had for killing the girl was her refusal to reciprocate his love. The murderer's real name is Fuller.

FIERCE STORM IN ENGLAND.

Six Lives Lost and Much Damage to Property Reported.

LONDON, Oct. 23.—A fierce gale raged along the British coast Saturday and yesterday, causing many casualties. The wind was so strong and the seas so high that the channel boats were grossly delayed. The Warner lightship while being towed from Spithead to her station broke away from the tugboat when near New Haven and was driven shoreward. A boat was lowered to replace the tow line, but a heavy sea capsized it and four of its occupants were drowned. The lightship made leeway rapidly, and was soon driven ashore close by where the lightship had been stranded. The crews of all were saved by the lifeboat crew and coast guardmen by the use of the breeches buoy.

Many other exciting rescues of the crews of vessels driven ashore at various places are reported. The loss to the owners of fishing vessels is large, many of their boats having been destroyed.

At Sunderland a life brig'essman who had volunteered to assist in the rescue of the crew of a bark which had been driven ashore near there slipped upon a rope which had been suddenly tightened by the pressure of the outboard upon it and fell into the sea and was drowned. A man who was fixing a sign in front of a theater in Sunderland was blown into the street and killed. Much damage was done on land by the storm.

The Postoffice Museum Opened.

WASHINGTON, Oct. 23.—The postoffice museum was formally thrown open to the public today. The museum includes all that was in the postoffice exhibit at the World's fair, and some additional features. The large postal car Grover Cleveland is not there, but there is a complete model of this postoffice on wheels. The museum is in a large room in the court of the postoffice department building.

THE SALVATION LEADER

His Reception by His Soldiers in New York.

WORK OF THE SALVATION ARMY.

It Has Led to Better Lives Many Who Had Never Entered a Church—May Establish International Headquarters in the United States.

NEW YORK, Oct. 23.—The members of the Salvation Army gathered in Union Square last evening, and after greeting the venerable General Booth dispersed to assemble in Carnegie Music hall, where the event of the day took place.

An audience of 5,000 greeted General Booth at Carnegie Music hall at 8 o'clock. The boxes were filled with fashionable men and women, who are interested in the auxiliary league of the army.

Commander Ballington Booth led in prayer, and then the Rev. Dr. Emory Bradford, of Montclair, N. J., read an address of welcome to General Booth. Commander Booth then presented his father, the general, with a handsomely framed testimonial from the staff officers. General Booth arose to make his acknowledgments, and a mighty wave of applause swept over the house. The general made a speech in which he briefly told the history of the army.

"Why did I undertake this work? Because in one part of the east end of London the population had never been inside a church. I drew the painted woman of the street and the drunkards around me and preached the gospel of Jesus to them. Before then, Christianity was a by word of reproach on their lips.

"People have questioned our mode of operations. They decry the noise and the banners, but I claim the end has justified the means.

"We have planted our banners on the walls of St. Petersburg and in distant India, and will push our light to every corner of the earth. We will probably in time establish an international headquarters in America."

Commander Booth then asked that \$1,000 should be collected. The baskets were passed around, but the amount collected was not made public.

Debs says he has received forty-two applications for charters since he left Chicago.

Deserting the Detroit.

NEWPORT, R. I., Oct. 23.—The report that twenty-five men have deserted from the United States cruiser Detroit on account of cramped quarters is pronounced untrue. Only six men left yesterday afternoon, and two of those were recruits. The Detroit will not sail until Thursday, as there has been some delay in putting her torpedo aboard. The Cincinnati is being fitted with torpedoes.

GETTYSBURG, Pa., Oct. 23.—Deputy Sheriff P. K. Albert, who has returned from the Creek country, says that while traveling about the bank of the Canadian river, near Thunder, he found a pair of rusty hounds gnawing the arm of a skeleton partly torn to pieces by wild animals. It was all that remained of some prisoner who had probably escaped from his guards and perished.
