### SHEEHAN ON THE STAND, TORTURED

the Lexow Committee.

WHY HE WENT TO THE METROPOLIS.

He Was Promised a Political Position Before He Left Buffalo-Police Officer Cooney Is Wholly Ignorant of Corrupt Practices Among His Fellows.

NEW YORK, Oct. 26.-Police Commisstoner Sheehan was the star witness at yes terday's session of the Lexow committee The news that Mr. Sheehan would appear on the stand spread rapidly throughout the city, and long before the afternoon se-sion was called to order a big crowd blocked the passageway leading to the court room.

court room.

In the foreneen Wardman Cooney was called to the stand and questioned about his relations with Mrs. Hermann — the witness who was arrested in Jersey City on Wednesday. He denied in detail that she had ever given him money, a gold watch or a diamond ring, or that she had kissed him. The wardman was certain it was some other Cooney who was to have received the gold watch.

In reply to Mr. Goff the witness said that he tried several times to get evidence

The witness said he had not seen Mrs. Hermann for three years. He again denied he had been to the Grand Central depot with Mrs. Hermann.

"Did you ever hear that the wardman

except when I read it in the newspapers." "Don't you know that when you give me such an answer that you are lying?" "I do not, sir."

"How many disorderly houses were in the Fifteenth precinct when you were wardman there?" "I don't remember." Mr. Goff tried in vain to jog the mumor; of the witness in regard to the figures and dates. He also asked him if he had ever arrested a burghr, and Cooney said he had arrested a hurgier who had broken into a saloon kept by a man called King, at the corner of Mercer and Bleecker streets.

Mr. Goff also questioned him about the
case of a man named Palmer, who was
robbed of \$500 in a "panel house" in Mebougail street. "I remember the case,"

said Cooney.
"Did you make an arrest?" "No, sir.
There was nobady in when I called."
"How much of the shake down of the

called: "Commissioner Sheehan." Mr. Sheehan at once took the stand, but before he could be sworn. Senator. Canter made a vigorous protest against the exam-ination of the commissioner on the ground that his public duties necessitated his appenrance at police beauquarters. At first Mr. Goff excused Sheehan until this morning, as the commissioner had informed him that it was necessary for him to at-tend a meeting of the police board. Senator Canter added that the examination of the commissioner be postponed until after election. Mr. Goff refused this. Ther Commissioner Sheehan said that if he must appear today he might as well be ex-

amined at once and have it over with. Mr. Goff said: "Very well, the testimony will be proceeded with at once."

Mr. Goff than questioned the commissioner as to the location of the different station bouses in his district. The connissioner's answers were given after some resitation and attempts to refer to a small directory, which Mr. Goff objected to. According to Mr. Goff's recapitulation of Sheehan's answers the latter failed to correctly locate two of his station houses, as well as police headquarters.

the facts that he had come from Bull do to this city about eight years ago upon assur-ance that he would be given a public posi-tion. He denied that he had ever acted as attorney for the Gould estate or that he represented the Gould interest.

Questioned about his law practice Mr. Sheehan said the bulk was in consultation, and that he drew a revenue from it of \$1,000 to \$5,000 a year. Mr. Sheehan said most of his time was spent at headquar-ters, and although his partner was now in Europe the business did not in any way inberfere with his duties as pollos commis-sioner. He said he was a member of the firm of John C. Sheehan & Co., composed of John O'Brien and himself. This firm was doing a business in Long Island City. the contracts of which amounted to about \$000,000.

Aftersome sparring between Mr. Goff Altersome sparring between Ar. Gost and the commissioner with regard to In-spector Williams' connection with the Long Island City contracts and his efforts to secure a commissionership an adjourn-

ment was taken.

Commissioner Sheehan did not care about going on the stand today. He said his business at police headquarters was too pressing. Mr. Goff would not excuse him.

A Bold Effort to Hold Old Soldiers Whe Have Been Turning from the Democratic Party.

Signs are not wanting that the pension office at Washington is being used lately to assist a number of Democratic candidate for congress by holding out promises of early settlement of the claims of old soldiers who have for months appealed in vain for a first consideration of their cases. An evidence of the fact is presented by a correspondent of the Philadelphia Press writing from Carlisle, Pa., a few days ago The correspondent says:

Sir: Last Saturday's Press contained information of the frantic efforts of in diana Democratic politicians to "round up" the soldier vote of that state. The fact that the statement was considered of interest by The Press urgos the writer to call attention to similar methods being employed to strengthen the weak candi-dacy of P.H. #### HEART DISEASEI

Fluttering, No Appetite, Could Not Sleep, Wind on Stomach.

"For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in hed and belch gas from my stomach until I thought that every minute would be my last. There was a feelling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My humband induced me to try

Dr. Miles' Heart Cure and am happy to say it has cured me. I now have a splendid appetite and sleep well. Its effect was truly marvelow?" marvelous.
