But Not Until Lavigne Had Practically Defeated Griffin.

A VERY GAME PROTE THROUGHOUT.

The Men Pought Fifteen Fiercely Contesfed Rounds, Griffin Gaining the Goodwill of the Sports Present by His Gameness-The Police Roundly Hissel.

CONEY ISLAND, Oct. 30.-What with CONET ISLAND, Oct. 20—What with threatened police interference, a previous postponement and a very light eard it was not to be wondered that has night's assemblage at the Scaside Athletic club was in no way representative and extremely meager numerically. The general arrangements were good and excellent order was maintained. The Hurst, the well known basefull timpire, was referce of all the bouts. Proceedings commenced at 9 o'clock with about 3,000 present. "Jo" Gates, of Birmingham, England, versus Jack Madden, of Brooklyn, at 105 pounds, was the first bout called. Madden was awarded the decision at the end of the fifth round.

Then came the bout of the evening. It was between "Kid" Lavigne, of Saginaw, Mich, and Johnny Griffin, of Braintree, Mass., at 124 pounds, fifteen rounds. Lavigne's seconds were Sam Fitzpatrick, Jimmle Carroll, Jim Collins and Billy Lavigne. These in his opponent's corner were George Reynolds, Bill Crowley and Charley White. The men entered the ring

"Dolly" Lyons, of New York, vs. "Kid"
Hogan, of Brooklyn, at 115 pounds, ten
rounds, was the next. They had fought
twice before, and had one victory each.
The police stopped this bout in the second
round, and Hogan was declared the winner by the referce.

When time was called there was little to record. Griffin did not look well, and handled himself as though away off. In the second Lavigne did almost all the fighting, being especially effective with the left. He was after his man all over the ring and had a good head when they faced the third round. In the next two

looking very much distressed.

Entering the seventh round Lavigne was again hard at his man and fought him all over the ring. Griffin's gameniss was remarkable, for he was everywhere outgeneraled. He fought very weakly. The eighth saw matters much the same, Griffin's gameness appealing to the sympathics of the audience. He aroused himself a bit in the round, but the third.

In the tenth Griffin improved considerably and got in a few good right handers, being cheered to the othe. The eleventh

being cheered to the cehe. The chventh round gave Griffin's backers another ray of hope, as he freshened wonderfully, but he lost many opportunites and was very tired and weak at the close.

In the twelfth Lavigne began to bleed from the nose and showed visible signs of weakening, whilst Griffin made many friends by his gome attempts. In the thirteenth round there was some needle in teenth round there was some terrific in-fighting and Lavigne developed some wild-ness in his lease. They frequently elinched, and once a knockout looked certain, but the going sounded just in time to save Griffin.

In the fourteenth round of this game in the fourneenth round of this game fight Lavigne went at it wiskedly and down at his man. Griffin was up before the limit expired, but was met with blows that fell like rain. Three times he was all but out, but the gong sent him to his corner amidst a tremendous ovation.

In the last round Lavigne rushed and downed Griffin as soon as the mon reached the center. Then the police interfered, Lavigne was declared the winner and the crowd chested loudly for the fighters, while a few blaces were given for the police inspector.
