BACKED WITH PAIN.

Tortured With Rheumatism For Quarter of a Century.

Relief Came at Last to the Patient Sufferer-How She Was Cured.

Sarah H. Smith, Pinevilla, Bucks county, Pa., says: "I was a great sufferer from rheumatism. I had the disease for over twenty five years, and the bortine I have undergone during the past quarter of a century no pen could describe. Every attack I had, my entire body was racked with pain, and I was in a terrible condition. I tried doctor after doctor and every remedy that could be suggested, but all with the same result. None of thom ever gave me the eligitiest relief. I had had the disease so long that it had become chronic when I began to use Munyon's Rheumatism Cure. It was not long before I felt a great deal better, and after using it a short time the rheumatism left me. I have not had a trace of it since, and am convinced that I am permanently oured."

Your reporter, among others, was re cently requested to witness an experimen at the New York laboratory of The Pre-Digested Food Company. It seems that the digestive properties of Paskola, their new food, have been questioned in some quarters, and it was important that the matter should be definitely settled once for all.
