CENTRALIA.

Martin Canfield Is all smiles. It's a girl. Miss Ella Price, of Mahanoy City, spent aday in town with friends. Miss Etta Hines, a prominent young

lady of town, is seriously ill. Messrs. Charles McBrearty and Patrick Devine called on friends in Shenandoah

on Saturday. John Lambert, one of Shenandoah's pop nlar insurance agents, transacted bustness in town on Saturday.

Miss Maud Watkins returned on Sunday after spending a few days among her many friends at Mahanoy City.

Work on the electric road is rapidly progressing and we shall soon have the pleasure of weing the cars running

The Centralia foot ball team defeated the First ward team of Shenandoah in a very interesting game here on Saturday. The game was interesting throughout. Centralla won the toes and took the ball defending the south goal. Byan kicked the ball and the man who secured it was downed before he could gain any advantage. After a few minutes play one of Shenandonh's men fumbled the ball, Devine secured it and after a daisy run of fifty yards landed it safely behind the Shenandoah goal, making the first touch down. Ryan failed to kick the goal. No more scoring resulted in the first half of the game, although the good plays were numerous on both sides. The second half began with Shenandoah having the ball Stanton made a good kick. Rhodes secured the ball and carried it down the field, where it was kicked. Centralla then, by a series of pushing the centre and rouning the ends for small gains at each time got the ball to within a few yards of the cov eted line. Here the work was very hard. Shenandoah defended their position in a manner that certainly deserves credit and it was not until after the third touch down that the line was crossed, McDonnell carrying it there amid cheers from his companions. Carr this time was se lected to kick the goal and he did it very prettily. The playing of Rhodes at centre was very good and Shenandoah did not succeed to making the game at this invinelble spot. Purcell and McDonnell's playing was also of the first-class order. To score was 10 to 0 and the teams lined up

Henry Wilson, the postmaster at Welsh Henry Wilson, the postmaster at Welshton, Florida, says he cured a case of diarrhea of long standing in six hours, with one small bottle of Chimberiain's Colic, Cholera and Diarrheas Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy, in many instances only one or two does are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Grubler
