

LIFE WAS A BURDEN.

A Pain-racked Sufferer Tells An Interesting Story.

How He Was Tortured for Years And Finally Cured by Munyon's Remedy.

Charles Wark, of 14 N. Twenty-fourth St., Philadelphia, has been a constant sufferer from rheumatism for years. He was cured by the use of Munyon's Rheumatic Cure. This is his story:

"I was afflicted with rheumatism in the right shoulder and suffered the most excruciating agony. Sharp shooting pains started through it so intense I could not sleep nights. Even the weight of the bed clothes was more than I could bear; either could I lie on the right side or on my back. Life became a perfect burden to me. I could not raise my hand to my head, and when I attempted to put on my coat or any article of dress, the torture was enough to drive me wild. Many remedies were suggested and tried, but I did not get the slightest good, and I began to despair of ever being able to obtain relief. Some time ago, however, I procured Munyon's Rheumatic Cure. It afforded me relief after the first few doses, and by the time the little 25 cent bottle was gone I was entirely free from my ailment. I have had no return of my old ailment, and I feel satisfied I am permanently cured. It seems so wonderful I can hardly realize it, and can only show my appreciation of the merits of the cure by recommending it to other sufferers."

Munyon's Rheumatic Cure is guaranteed to cure rheumatism in any part of the body. Acute or muscular rheumatism cured in from one to five days. It never fails to cure sharp, shooting pains in the arms, legs, sides, back or breast, or weakness in any part of the body in from one to three hours. It is guaranteed to promptly cure lameness, stiff and swollen joints, stiff back, and all pains in the hips and loins. Chronic rheumatism, sciatica, lumbago or pain in the back are specially cured.

Munyon's Homeopathic Home Remedy Company, of Philadelphia, put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

ORGANIZATION LEGAL.

Attorney General Olney on the Reading Controversy.

RECEIVERS' ATTITUDE UNTENABLE

They Have No Right to Insist that the Employees of the Company Shall Desert the Brotherhood of Railway Trainmen, Unorganized Labor Powerless.

PHILADELPHIA, Nov. 9.—The controversy between the receivers of the Reading Railroad company and such of its employees who belong to the Brotherhood of Railway Trainmen has prompted an expression of opinion from Attorney General Olney in the form of a letter to Judge Dallas, of the United States circuit court, before whom the case is pending.

The difficulty between the two organizations reached a crisis on Aug. 15 last, when General Superintendent Swengel summoned before him eleven employees and notified them that they should abandon the brotherhood as a condition of retaining their places with the railroad company. Vigorous protests were made against this alternative, and the brotherhood urged the receivers to withdraw it, but in answer the receivers, on Sept. 17, wrote:

"The policy of this company is well known to be that it will not consent that persons in its service shall owe allegiance to other organizations which may make claims upon them which are incompatible with their duties to their employers. This position was taken advisedly, and we have no intention of departing from it."

Attorney General Olney's letter is an exhaustive discussion of the questions presented, and he reviews the various problems, and the consistent solutions to be applied, in every aspect. In substance he holds that labor unorganized is practically powerless; that in combinations such as this lies the only safeguard of the workman in his dealings with organized capital, and that his right to belong to such a union, beneficial in intent and purpose, is a legal right which he cannot be deprived of.

Attorney General Olney's letter is in part as follows:

"The petitioners are members of the Brotherhood of Railway Trainmen. Some of them have been members for seven or eight years—have each year paid annual dues and assessments which now amount to considerable sums of money—and by continuing their membership will, in case of death or permanent disability, become entitled by themselves or their representatives to large pecuniary payments from the funds of the brotherhood. On the other hand, by ceasing to be members, they lose all benefit from the assessments and dues already paid and forfeit all claim upon the brotherhood treasury."

"The constitution and of the subordinate lodges are before the court as part of the petition. No controversy or antagonism has ever arisen or existed between the Reading railroad and the brotherhood or any of its lodges, or between the Reading railroad and any members of the brotherhood as such members. If, as is claimed, the Reading railroad has for some years adopted the rule that it would not have in its service any member of a labor organization, it is a rule which has not been uniformly nor invariably acted upon."

"The Reading railroad being now in the hands of receivers, the receivers and all the employees of the company are officers of the court. The court, therefore, and not the company, is the employer of all the persons engaged in the operation of the road. The present policy of the court—and is the most proper thing to be considered. And hence the proper question is: Will the court now lay down the rule that members of the Brotherhood of Railway Trainmen shall, because they are such members, be discharged from the service of the road?"

"The court, it is admitted, ought not and cannot lay down any such rule on the ground that either the purposes and objects of brotherhood, or the means by which they are to be attained, are shown to be illegal."

Speaking of the aims and purposes of the brotherhood, the attorney general says: "Certainly the objects must be regarded as laudable in the highest degree and as deserving the approbation and support of every good citizen. They are indeed practically the same as those for which working people are expressly authorized to incorporate themselves by act of congress—the statutory description of such objects being for the purpose of aiding its members, the promotion of their general intelligence, the elevation of their character, the regulation of their wages and their hours as a condition of labor, the protection of their individual rights," etc.

Speaking to elaborate the proposition that a strike is not necessarily unlawful since it is emphatically sustained by the recent decision of the circuit court of appeals in the Farmers' Loan and Trust company vs. Northern Pacific Railroad company, just decided in Chicago.

"It should be remembered that the risks of a strike are not obviated by excluding the members of the brotherhood from the receivers' service. Men desiring themselves aggrieved and seeking relief or redress, though not associated in any way or for any general purposes, may easily unite for the single purpose of a strike. In that view the brotherhood constitution and rules may well be regarded as operating in restraint of strikes."

"The best service is not to be expected from employees who smart under a sense of injustice and are in a chronic state of discontent. Yet such is the inevitable condition of employees whose right to organize for mutual protection and benefits is attacked and whose opportunity to labor conditioned upon the sacrifice of that right. They cannot help noting that organized capital is not so restricted."

An Honored Veteran. The Postmaster of Kokomo, Cured of Heart Disease.

G. W. MCKINSEY, Kokomo, Ind.

Grateful

Men and Women of prominence, and those serving their country equally well by being simply good citizens, good husbands and good wives, show their unselfishness by the anxiety manifested, when, having been cured of Heart Disease by Dr. Miles' New Heart Cure, their first wish is to reach some other sufferer with the good news.

G. W. McKinsey, an honored veteran of the war, and until recently, postmaster at Kokomo, Ind., writes under date July 23, '04: "I am constantly getting letters from all parts of the United States, asking for information of how I was cured of Heart Disease. As I had been severely troubled with Heart Disease ever since leaving the army at the close of the late war, I concluded, some two years ago, to give Dr. Miles' New Heart Cure a trial. The first bottle made a great improvement in my condition, and five bottles completely cured me, and I have not had a symptom of the disease since. I am rejoiced to know that my statement has induced others to use your remedies, and am glad to answer all inquiries for the sake of suffering humanity."

And J. R. Higelow of Webster, Mass., writes on June 15, '04: "One year ago I was so feeble from heart disease I was obliged to leave my business, and my physician said there was no chance of recovery. As a last chance I tried Dr. Miles' Heart Cure. It gave me instant relief. I am now well and in active business."

Medical statistics have proven that one person in every ten has a weak or diseased heart; yet not one person in ten gives the matter any attention, notwithstanding the fact that DR. MILES HEART CURE cures Heart Disease permanently in nine cases out of ten, and benefits every case.

Dr. Miles' Remedies are the result of twenty years of study and investigation by the great specialist in Nervous Diseases, Dr. J. C. TALMAGE'S RESIGNATION

The Great Preacher to Retire from His Brooklyn Church.

WILL BECOME AN EVANGELIST.

For a Year at Least he Will Make Pastoral Visits Throughout the Country, Starting Early in January—His Letter of Resignation.

New York, Nov. 9.—Dr. T. De Witt Talmage, pastor of the Brooklyn Tabernacle, which was recently for the third time destroyed by fire, has written a letter to the elders of the church tendering his resignation.

Dr. Talmage's letter of resignation is as follows:

"Dear Brethren: I hereby ask you to join with me in a request to the Brooklyn Presbytery that they dissolve the pastoral relation now existing. The congregation of the Brooklyn Tabernacle have built during my pastorate three churches, which have been destroyed. It is not right that I should call on them to build a fourth church during my ministry."

"I advise that you do one of two things, either call a new pastor, under whose leadership a church might be built, or remain in organization until you can get certificates of membership to our people, so that they may in season form joint sister churches."

"As for myself, I will, as providence may direct, either take another pastorate or go into general evangelistic work, preaching the gospel to all people without money and without price."

The session, according to an intimate friend of the famous preacher, met Dr. Talmage, and agreed to request the Brooklyn presbytery to dissolve the pastoral relations now existing. This is a practical acceptance of the resignation.

Dr. Talmage will, in the future, devote himself entirely to evangelical work. For a year at least he will make pastoral visits throughout the country, starting early in January. The manager of his business affairs said today: "Dr. Talmage believes he is called upon to preach the gospel and not to plan how interest on a big church debt can be raised and how impatient creditors can be appeased."

PITTSBURGH, Nov. 9.—Last evening a trolley of the West End Electric Street railway jumped the track going down the steep grade on Steuben street, and went over a thirty foot wall. Two passengers, Mrs. Dr. Rankin, of Allegheny, and Frederick Groff, of Ellsworth, were badly bruised, and the motorman, Joe Mantion, was pinned beneath the car, suffering a badly sprained shoulder and it is thought internal injuries. Luella Taylor, a 10-year-old girl, who was walking up Steuben street, was thrown over the embankment and is badly hurt.

NEW YORK, Nov. 9.—Rev. Dr. Charles H. Parkhurst, preacher and reformer, was tonight elected an honorary member of the Union League club at the regular monthly meeting of the club. Dr. Parkhurst makes the thirteenth and he is the only clergyman to be thus honored.

German Defeat in Africa.

BERLIN, Nov. 9.—A dispatch received here says that 1,000 natives of the Mawandi tribe, recently attacked Kilwa winds, East Africa, and were defeated by a force of German regulars and native auxiliaries from von Ehrenstein. Later, however, the Mawandi tribe returned to the attack and captured the place with much bloodshed. It is stated that the Germans have not a force strong enough to recapture the town.

Revolutionists Gaining Ground.

RIO DE JANEIRO, Nov. 9.—In the last six weeks the revolutionists in Rio Grande do Sul seem to have been gaining ground. It is reported that a conspiracy exists among the war ships to join the rebels, and that under pretext of quelling the rebellion Polanco will assume chief command and retain it, putting Morais in the background.
