Will Serve Out His Term. BELLEVILLE, Pa., Nov. 15. — Judge A. O. Fries, of the Forty-ninth judicial district, has decided not to resign, but will serve out his term, which will expire Jan. 7. The action was taken in response to a request of the Centre county bar.

THE NEW YORK LEGISLATURE.

Governor Flower Considers Excellent Lawyers as to His Legality.

NEW YORK, Nov. 16. — Governor Rowell P. Flower met by appointment at the Windsor hotel, a number of New York lawyers who had been invited by him to discuss the questions raised with reference to the constitutionality of the legislature which is to assemble after Jan. 1. Those present were: Benjamin F. Tracy, William H. Hambro, ex-Judge Noah Davis, Francis Lynde Stearns, Henry R. Beckman, John R. Parsons, Henry F. Howland, Francis M. Scott, Daniel Magone, Edward M. Shepard, John Lincoln, Simon Stearns and Professor Charles A. Collins.

Governor Flower said that his attention had been called by reputable lawyers to the apparent omission by the constitutional convention to make provision for a continuance of a legislature of thirty-two senators and 125 members after Jan. 1. Next, the time at which the new constitution, providing for a legislature of fifty senators and 125 assemblymen, is to take effect; that the claim had been made to him that because of this omission they would be no constitutional legislative body until after the election of 160 assemblymen and fifty senators, in pursuance with the provisions of the revised constitution.

After a long general talk on the subject the conclusion was reached that while it was believed that attorneys were in error when they stated that the constitution of 1868 was a precedent for the omission of the new constitution to provide for the continuance of the thirty-two senators and 125 assemblymen in office as the legislature of 1868, the express saving clauses of the constitutions of 1846 and 1852 being quoted in substantiation of this, it was agreed that any doubts as to the validity of the acts of such a legislature, during the year 1895 do not present a sufficiently grave emergency to justify the expense of an extra session of the present legislature before 1896.

The Powers of Customs Collectors. SAN FRANCISCO, Nov. 15. — United States District Judge Morrow rendered an important decision defining the power of collectors of customs to judge of the rights of Chinese seeking admission to this country. In the case of Tom Yum, a passenger on the steamer Gaelic, who claimed to be a native born citizen of California, and as such claimed the right to land. Collector Wise held an investigation and held that the Chinaman's claim to citizenship was fraudulent. He therefore refused to allow Tom Yum to land. Morrow holds that the jurisdiction of collectors of customs is limited to the case of aliens, and that in cases of American citizens or persons claiming citizenship, the collector is without authority. The case of Tom Yum was accordingly referred to a United States commissioner.

Lynching Prevented in Belgium. BRUSSELS, Nov. 15. — A dispatch from Alost, East Flanders, says that a serious conflict occurred yesterday between the populace and twenty gendarmes. Several men accused of the brutal murder of an iron keeper were being conveyed to the prison at Herzele by the gendarmes when a crowd attacked the escort with the object of securing the prisoners and lynching them, the crime having excited deep indignation among the people. The officers resisted the mob and a desperate fight occurred, during which several men on both sides were wounded. The crowd was finally dispersed.

Train Robber Morganfield Violent. CINCINNATI, Nov. 16. — Physicians on Tuesday postponed the allowance of morphine for Charles A. Morganfield, the train robber, who is at the hospital with a broken leg. He has been using opium for years, and became savage as soon as his allowance was cut off. On Tuesday he attacked nurses, guards and physicians, and has been held in his bed with difficulty ever since. He will be taken to Virginia on crutches early next week for trial.

Convicted to a Courier Charged. INDIANAPOLIS, Nov. 16. — Without gaining consciousness, John Harter, who was pardoned from the Northern penitentiary a week ago, died yesterday. Harter's relatives, who have been convicted, claim that his death was due to cruelty and neglect in the prison. The state board of charities sent a committee to Michigan City to investigate the charges. The charges are as follows:

Determined Burglars Frustrated. HANCOCK, Mass., Nov. 16. — William H. Thomas, a wealthy Bonny Hill farmer, surprised two burglars entering his house late at night. He drove them away, but they returned with guns and fired about a dozen shots at the house, breaking the windows and splintering the door. Unable to force an entrance they finally went away.

Want to Issue Certificates. MILWAUKEE, Nov. 16. — A formal application was made in the United States court by Reelers Morris and Whitcomb, of the Wisconsin Central, for permission to issue certificates in the sum of \$2,000,000 to meet outstanding debts, and to arrange for the settlement of claims as they came up. The petition will probably be granted.

Suspended from the Ministry. JOHNSTON, Pa., Nov. 16. — Rev. W. W. Bates, who has been on trial for several days before the session of the Reformed church here on a charge of immoral conduct, was yesterday found guilty and suspended from the ministry. The jury says the verdict of guilty does not mean that the defendant was guilty of adultery.

Urging a State of Siege. VIENNA, Nov. 16. — Advice received here conveyed the information that General Gourko, governor of Warsaw, who declined to permit a delegation of residents of Warsaw to attend the czar's funeral, has reported to Czar Nicholas that the attitude of the Poles justifies the proclamation of a military state of siege.

Peyton, was provided for in a codicil, which is entirely revoked by a later codicil. She leaves \$10,500 to different institutions in small amounts. The clause cutting off her husband reads: "Inasmuch as my husband, William K. Peyton, has not acted in a manner befitting a husband, I hereby revoke and declare null and void all the provisions made in my will and the codicils thereto in favor of him and his appointment as executor and trustee of my estate and guardianship of my daughter, Mabel H. Put off with starch and glass covers. The linen collar starts the work; Put off at nighttime it is seen. All wilted, wrinkled and forlorn.

That's what you must expect of such a collar; it's the linen of it. The stand-up collars won't stand up, and the turn-down collars will wilt down. The easy, cheap, and pleasant way out of this is to wear "CELLULOID" COLLARS AND CUFFS.

These goods are made by covering linen collars or cuffs on both sides with "CELLULOID," thus making them strong and durable, and water-proof, not affected by heat or moisture. There are no other water-proof goods made this way, consequently none that can wear so well. When soiled simply wipe them off with a wet cloth. Every piece of the genuine is stamped like this:

Insist upon goods so marked if you expect full satisfaction, and if your dealer does not keep them, send direct to us enclosing amount and we will mail sample. State size, and whether a stand-up or turned-down collar is wanted. Collars 25c. each. Cuffs 50c. pair.

This is a good, reliable and prosperous association in which to take shares. The value of each share is \$50 at maturity. Application fee, 25 cents each share. Monthly dues, one dollar per share. Five per cent. interest allowed on all payments made in advance for 6 months or longer. Members may withdraw one or all shares at any time by giving 30 days written notice, and are entitled to the full amount of dues paid, with 6 per cent. interest after one year, thereby making it an 11 per cent. investment. All shareholders are entitled to loans from fund on real estate security. No shares will be forced out.

The fund is run on the same conservative principles as our local funds which have been tried for years and found safe. Any one wishing to invest in a Saving Fund will find it to their interest to call on the local agents and receive full particulars. Rev. H. Keyser, D. D., of Mahanoy City, is one of the directors.
