THIRD EDITION

Mrs. House Adjudged Insane. TRENTON, Dec. 4.—Mrs. Irene House, a woman with a remarkable career, was yesterday adjudged insane by a jury of twenty-four men selected by Sheriff Egan of this county.

Wanted Prosecuting Officers Removed. SAN FRANCISCO, Dec. 4.—A conviction was granted in the United States district court today, which, Maine and Cassidy, A. B. U. men, are charged for conspiracy.

On Trial for His Life. JACOBSONVILLE, Pa., Dec. 4.—William Hynes, the negro, will be indicted for the murder of his neighbor, William S. Smith, and his 17-year-old wife, Grace, on the night of Sept. 4 last, in a trial before Judge Call, in the district court for the murder of his neighbor in law.

Murder Over a Game of Cards. GALLSFORD, Ill., Dec. 4.—Oliver Anderson, a barber, was murdered at noon by an old man named Elrick Boster. At the same time Harry Martin was shot through the right shoulder by Boster's son.

Murderer Garrett's Brother Arrested. LEHANSING, Pa., Dec. 4.—An attempt was made during the night to burglarize the residence of Arthur Bunker Hiram Garrett was found in the neighborhood and arrested on suspicion.

Important to Health. BELLEVILLE, Pa., Dec. 4.—It has been announced from the Pennsylvania state experiment station that milk heated to only 170 degrees will totally destroy all disease germs, including tuberculosis, and not mar the flavor of the milk or cream.

Killed by a Mine Gas Explosion. WILKESBARRE, Pa., Dec. 4.—By an explosion of gas in the Danmore mine yesterday Alfred Peterson, a miner, was so badly burned that he died last night. Stephen Valbo and Ed Murphy, laborers, were also fatally injured.

NUZZETS OF NEWS. Governor-elect Hartington's home at Bellefonte, Pa., is overrun with officers. The big Martin building in Utica, N. Y., was destroyed by fire early this morning. The first night's play in the billiard tournament at Chicago resulted, 10-6, 6-6, Solheim vs. Ed.

A Japanese Bath. Mr. Henry Norman writes: "The Japanese are a clean people and their bath a new experience to Europeans. Take an enormous oval bucket, holding perhaps 50 gallons, with a stopcock running up inside it. Fill the tub with water and the pipe with red-hot charcoal, and when the temperature is a little short of boiling point get bodily in and sit down, and you have a Japanese bath. In most cases the next step is to get out again with amazing alacrity, but the Japanese sit calmly there and perspire till he is perspired."

Burwell's "Suction Well." Burwell, Neb., has a well that is almost as fresh as the Oro Blanco (Tex.) well. This peculiar well is a well 100 feet in depth, which takes queer spells of alternating sucking in and expelling air. In winter the air usually flows into the well for three days in succession, the same amount of time being consumed in the act of expulsion. In summer these periods lengthen to five or six days. It is known all over Nebraska as "Burwell's suction well."

One million one hundred thousand fleas were perished by plague and famine in the year 70 A. D. Mr. Ira P. Westmore, a prominent real estate agent of San Angelo, Texas, has used Chamberlain's Colic, Cholera, and Diarrhoea Remedy in his family for several years as occasion required, and always with perfect success. He says: "I find it a perfect cure for our baby when troubled with colic or dysentery, now that my outfit is not complete without a bottle of this Remedy at home or on a trip away from home. For sale by Grubler Bros."

Rupture. Cures guaranteed. No operation. In- quires at the Shenandoah drug store, No. 3 South Main street. R-13-47

For rheumatism I have found nothing equal to Chamberlain's Pain Balm. It relieves the pain as quickly as W. W. Young, W. V. Liberty, is a well known many times the cost, 50 cents. Its continued use will effect a permanent cure. For sale by Grubler Bros.

IN SENATE AND HOUSE.

An Income Tax Repealer Introduced in the Lower House. WASHINGTON, Dec. 4.—The reassembling of the United States senate was attended with the usual scenes of well filled galleries and senatorial greetings which marks the opening of a session of congress. It was devoid of dramatic incident, however, as the reading of the president's message consumed two hours, and was the only business of importance transacted beyond the presentation of several resolutions calling for information concerning the recent issue of bonds, the use of federal troops at the Chicago strike, and as to Armenian and Chinese atrocities.

The opening of the short session in the house was picturesque in its way, but devoid of interesting features. The galleries were crowded and half the benches on the floor were another with flowers. The members on both sides met on enthusiastic greetings from their respective partisans, the appearance of Speaker Crisp, ex-Speaker Ross, Mr. Speaker and Mr. Harlow being the signal for long and loud outbursts. The first bill introduced into the house was one by Mr. Bartlett, Dem., of New York, to amend the income tax provisions of the tariff law. Mr. Curtis, of New York, introduced a bill to restrict the appointment of cadets to West Point and the Naval academy. Seven new members were sworn in, and after a long wait the president's message was read. Although listened to attentively, it was concluded without a single word of approval or disapproval. The death of the late Representative Wright of Pennsylvania, was then announced, whereupon the house, as a mark of respect, adjourned.

Court Martial Sentence Overruled. NORFOLK, Va., Dec. 4.—Judge Robert W. Hughes, in the circuit court of the United States for the eastern district of Virginia, rendered a decision in the habeas corpus case of D. B. Sayre, clerk to Navy Paymaster McCann, who was found guilty by court martial recently of embezzling \$2,000, and sentenced to imprisonment for two years, and lose pay except \$100 per month during his term, and he then dishonorably discharged. Judge Hughes decided that the court martial had no power in time of peace to inflict infamous punishments. Sayre is discharged from custody under the imprisonment sentence, but the order will not be signed until the 14th, to give counsel time to take other action in the case.

Fellows Refuses to Produce His Books. NEW YORK, Dec. 4.—The trial of Colonel John R. Fellows, district attorney of the city and county of New York, upon charges of neglect of duty, was begun before Governor Flower's commissioner, ex-Senator John J. Lenon, of Kingston. There are over 80 specific charges against him. Mr. Phillips, counsel for the German-American Union, produced evidence tending to show Colonel Fellows' neglect in collecting forfeited recognizances. Mr. Phillips claimed they had sixty cases where \$70,000 worth of bail had been for- feited and only a few thousands collected. Colonel Fellows refused to produce the books of his office, stating that they would show the names of persons indicted, but not yet arrested.

To Advance the Price of Coal. NEW YORK, Dec. 4.—The sales agents of the anthracite coal companies held an adjourned meeting, and, acting with the consent of their presidents, to whom the matter was referred after last Tuesday's meeting, decided to restrict production during the month of December to one-half of their mining capacity. This will be between 2,500,000 and 2,000,000 tons. They also decided to advance the water price.

A Monster Hot Air Balloon. NORFOLK, Va., Dec. 4.—The largest hot air balloon ever built in America was completed here yesterday. It is 110 feet high and 75 feet in diameter when inflated. It is named "City of Norfolk." Professor O'Dell will make an ascent with it this afternoon, and make the first attempt in the world's record to cut loose three parachutes, each with a man attached. Great interest centers in the hazardous feat.

The Weather. For eastern Pennsylvania and New Jersey, fair; variable winds, becoming southerly. For Delaware, fair, slightly warmer, southerly winds. Rain will continue in the southern portions of the Gulf states, but the weather will be generally fair in all other districts. The temperature will remain mostly stationary on the Atlantic coast.

STOCK AND PRODUCE MARKETS. Closing Quotations of the New York and Philadelphia Exchanges.

New York, Dec. 4.—The controlling influence in the stock market today was the president's message. Before it was published indications of its tenor touching sugar had been received by houses which operate for the trust managers. This fact was evidenced by the course of the stock and by the heavy selling therein. After its publication the general market took an upward turn, and closed strong. Dr. G. H. Ingraham, of Amsterdam, N. Y., states where the regular prescriptions used in a case of kidney disease and gravel utterly failed, he prescribed Dr. Kennedy's Favorite Remedy, and it cured the patient.

Dr. Wm. Smith, of Jewett's Heights, N. Y., prescribed Favorite Remedy for Mrs. Casper Brooks, of Athens, N. Y., who was suffering from kidney disease and ulceration of the stomach; after the second day, steady improvement was noted, and final permanent recovery.
