Tired, Weak, Nervous Could Not Sleep.

Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I selfered from brain fatigue, mental appression, etc. I became so weak and nervous that I could not sleep, I would arise tired, discouraged and blue. I began taking

Dr. Miles' Nervine

and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit.

It Cures."

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists self it at \$1,6 bottles for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Serious Charges Against the Viotorious Japanese Armies.

NOW A SAVAGE WAR OF CONQUEST.

An American Newspaper Man Who Witnex ed the Port Arthur Atrocities Declares That Japan Has Trampted Civilileation Under Foot.

New York, Dec. 20.—Today's World prints the following special advices from its correspondent, James Creelman, who was with the Japanese army, dated Port Arthur, Nov. 24, via Vancouver Dec. 49: The struggle for the emancipation of Corea has been suddenly turned into a beadlong savage war of conquest. It is no longer a conflict between civilization and barbacism. Japan for the last four days has trampled civilization under the

The taking of Port Arthur and the possession of one of the most powerful strong-holds in the world was too great a strain upon the Japanese character, which re-lapsed in a few hours arek into the brut-leb state from which was awakened a generation ago. Almost the entire popu-lation found in Port Arthur has been massacred, and the work of butchering the unarmed and unresisting inhabitants has unarmed and unresisting inhabitants has been continued day after day until the streets are choked up with mutilated corpses. In spite of the vastness of the battlefield and the strength of the bat-teries massed in this mighty chain of land and sea forts, the taking of Port Arthur is robbed of its dignity as a battle by the fact that a large and well trained army attacked a mere rubble.

The Japanese lost about fifty dead and 350 wounded in carrying a fortress that would have cost them 19,000 men had it been occupied by European or American

China is now at the mercy of the island emptre. In a few days the florce Sennal troops will be ready to leave Japan to join Field Marshal Oyama's army, and then "inal movement towards Peking will begin.

There was not a stain on her flag. When we laft Kinchow on Nov. 17 and began the march on Port Arthur the battery of thirty slege guns were still floundering in the roar, but General Hassegawa had arrived with the famous Kumanoto troops. AFTER ALL OTHERS FAIL and the entire army of invasion was assembled—something like 33,000 men. In the whole force advancing on Port Arthur there were seventy-eight gans, including the mountain and field batteries 329 N. 15th St. Below Callowhill Philadelphia, Pa.

In the march on kort Arthur several skirmishes were had with Chinamen, who were finally put to flight by a flank move-ment. I saw the Japanese dead on the road with their heads gone and their bod-ies mutilated. Soveral corpses were with-out hands, two had been butchered like sheep and their hearts and their livers torn out. A Japanese horse had been killed and the Chinese had cut steaks from the haunches in the middle of the fight. These facts, however, did not warrant the

monstrous crucities inflicted on the con-quered Chinese.

As the victorious troops moved on they saw the heads of their slain comrades hanging by cords, with their noses and ears gone. There was a rude arch in the main street decorated by bloody Japanese heads. A great slaughter followed. The infu-riated soldiers killed everyone they saw. No attempt to take prisoners was made Women and children were hunted and shot as they fied to the hills with their protectors. The town was sacked from end to end, and the inhabitants were butchered in their own houses. There were a dozen junks in the harbor filled with fugitives— men, women and children. Not one es
