Some who wished to save their belongings had to be pushed down the stairs. The fire escapes on the front of the house were soon lined with people frantic and whitefaced, who were climbing to the street. Fox was the first to descend the ladder, carrying Lena Jacobs in his arros Meanwhile Policeman Rooney and O'Neil had rushed to the scene, and in searching the rooms had found Rachael, Yetta and Joseph Jacobs lying on the floors and earried them to the street.

The fireman, together with the need. Jacobs family, were taken to places of No

It was an hour and a half before the ugly blaze was extinguished. The firemen were then ordered to search the house to see that no one had been sufficiated. They were not burned at all, but had been suffocated. They were near a rear pair of stairs, and had evidently been overcome as they were rushing to the entrance.

GUTHEIR, O. T., Jan. 3 .- Two star des peradoes who have infested Oklahoma Ter-ritory for a long time have been run to are suspected of having been implicated in the Canadian, Tex., express robbery and the killing of Sheriff McGee.

Deputy Marshall Bill Williams and a strong detachment of deputies had been chasing the outlaws for several days. They had traced them from place to place, bu had not got within fighting distance till Tuesday. Although the sides were un-equal, half a dozen or more deputies to two outlaws, the latter were armed to the teeth, and their natural desperatoness. strengthened by the position in which the deputies had put them, made them no easy mark. They were rounded up in a deso late valley in the southwestern part of Washita county about noon, and when commanded to surrender took a stand and gan using their Winchesters.

Their aim was good, for in the first vol-sy one of the posse fell, seriously wounded y a ball in the side. The next instant lowever, both lay stretched upon the ground dead with bullets from the depu-ties' gans in their hearts. The outlaws were a veritable walking arsenal, and had they not been killed so soon would doubt-less have laid some of the deputies to rest. They are both old offenders with enviable reputations among their craft, and their riddance is joyous news to the territorial officials generally, as they were the constant dread of Oklahomans

OFFICERS EASILY OVERCOME.

Two Train Robbers Get the Best of Their Pursuers.

MACON, Miss., Jan. 3 .- Just before the arrival of the northbound train yesterday City Marshal Scott was wired that two suspicious characters suspected of being the parties who robbed the train on the Alabama Southern railroad two nights ago near York station, were on the train, and to arrest them at Macon. He aroused Sheriff Darrah, but the train reached here before they got to the station. They met two men on the plank walk which leads to the station, but had no reason to think they were the ones warted. Arriving at the depot, Deputy United States Marshal McCune told them the .wo they met were the ones wanted. Scott and McCune got in a back to head them off, and Sheriff Darrah followed them back on the walk. Scott and McCare halted the men, and what next occurred is still a mystery. One of the robbers seized Marshal McCune suddenly, disarmed him, and holding him between himself and Scott ordered the latter to throw down his gun. Scott could not fire without hitting McCane, and obeyed orders. The second robber them picked up Scott's shotgun and halted Sheriff Darrah, who came up at that time Scott and McUnne, being disarmed, were

powerless to do anything further. With one robber pointing his gun, and the other with his pistol in his face, they searched Darrah, but so hastly that they failed to find his pistol. The three officers were then told to move on. The robbers leisurely walked back towards the railroad and crossed the railroad bridge and were not heard from afterwards. Bloodounds were put on the trall, followed by thirty mounted men.
