EVENING HERALD

... REMOVAL

Read th

the remaining gold reserve much long
the present rate of depletion contin
The trouble with the reserve under
Carlisle's vigorous and comprehen
mismangement is that it won't sta
nerved.

It is perhaps not surprising the
Democratic Administration should b
down all round in the more impor
functions of government, but it is ra
strange that it cannot even gum a pos
stamp correctly. The current stamps
the worst of their kind. They are no
to the standard in color and won't st
This is what a nation gets which ad
to power such an imbecile and at the
time such a flagitious party. It ough
be dipped in the gum arabic of its
successful philatelic experiments
hung up somewhere to dry.

REPUBLICANS can have no objecti
an extra session of the 54th Congre
as early a date as President Cleve
may choose to call it. On the other h
they will welcome the opportunit
