An Interesting Letter.

Dr. David Kennedy, Dear Sir: I am 60 years old and generally played out, or so I thought up to two weeks go, when I commenced to use Dr. David Kennedy's Enverite Remedy.

For years I have suffered with inflamma Wion of the bladder and kidneys, and have gradually grown worse and expected at any time that passing "rine by nature's effort would cease. Besides constant pain in the kidneys and bladder, I have had cheumatic pain in every muscle and joint, and have often remarked that there was mot a man living that had suffered as much as I had, but I must say I had not for a single day in five years felt as well in every way as I do now. Have improved daily since I began the use of Dr. Kennedy's Favorite Remedy. About a week ago I gave a man afflicted with bladder trouble, part of a bottle of Favorite Remedy, and he sald to me to-day : "That is a ogreat medicine; I am better already," and he drove eight miles to a druggist to get a bottle. Respectfully yours, S. I. Young, Hiram, Ohio,
