Production and Value of Wheat, Corn, Oats, Rye, Barley, Etc.

WASHINGTON, Jan. 11.—The estimates of the area, product and value by states and territories of the cereal crops, together with those of hay, potatoes and tobacco have been completed by the statisticians of the agricultural department, and are represented as follows:

The corn crop of 1894 in rate of yield is one of the lowest on record. In the past 13 years the yield per acre of but one year (1881) was lower, the yield for that year having been 18.6, against 19.4 for the year 1894. Severe drought and dry winds in a few of the principal corn producing states reduced the area harvested for its grain value to 62,582,000 from the 75,000,000 acres planted. The product garnered is 1,212,770,000 bushels, having an estimated farm value of \$554,719,000.

The wheat crop is above an average one in yield per acre. The entire product for the country is 460,907,416 bushels, which is below the average for the five years 1890 to 1894, inclusive. The farm value of the crop is \$225,903,025. The area according to revised estimates is 31,833,436 acres. In the revision of the acreage the principal changes have been made in the spring wheat states. The rate of yield is 13.2 bushels per acre. The average value per bushel is 49.1 cents.

The estimates for oats are: Area, 29,023,553 acres; product, 602,095,928; value, \$214,516,920; yield per acre, 24.5 bushels. Rye area, 1,944,780 acres; product, 26,737,615 bushels; value, \$18,294,475. Barley area, 3,170,000 acres; product, 11,400,455 bushels; value, \$27,134,127. Buckwheat, 789,023 acres; product, 12,068,200 bushels; value, \$7,040,238. Potatoes, 2,737,073 acres; product, 170,787,338 bushels; value, \$91,526,787. Hay area, 48,321,373 acres; product, 54,874,408 tons; value \$468,578,321. Tobacco area, 323,103 acres; product, 406,678,385 pounds; value, \$27,760,730.

A Jealous Husband's Triple Crime.

LEWISBURG, Pa., Jan. 11.—Wesley Pawling, a well-to-do farmer living about a mile west of New Columbia, yesterday shot his wife and 4-week-old child and then hanged himself. At about 8 o'clock he went to the house of his mother-in-law, half a mile distant, and induced her to accompany him back home "to witness a grand shooting match." Upon their arrival at the Pawling homestead he took a revolver from his pocket and killed the child. He then fired at his wife, inflicting a serious but not fatal wound. Immediately after the shooting he went to the barn and hanged himself. Jealousy is thought to have been the cause of the crime.

The Suffering in St. John's.

ST. JOHN'S, N. F., Jan. 11.—Private charity is doing much to help those wanting food. The government is instituting the preparatory step to provide work for the employed. The local relief committee expended \$2,500 last week and relieved 800 families. A police inquiry into the condition of the people shows that fearful destitution prevails, and that hundreds will perish unless the situation is speedily grappled with. A bill has passed the assembly to allow steamers to make a second trip to the seal fisheries this season.

Three on Trial for Murder.

CAMDEN, N. J., Jan. 11.—John Eckhardt, James Keely and George Batts, young men of about 19 years of age, were placed on trial in the Camden criminal court before Supreme Court Justice Garrison yesterday for the murder of James McCurdy. The killing was the result of a brawl after midnight on Aug. 12 last in the house of George Batts' mother in South Camden. The prisoners are defended by John L. Temple, the lawyer who saved Theodore Lambert from the gallows.

Great Conflagration in Toronto.

TORONTO, Jan. 11.—Fire which broke out in Osgood's publishing house last night spread to adjoining buildings, and before it was subdued had done nearly \$1,000,000 damage. Blown to Atoms by Nitro-Glycerine.

TOLEDO, O., Jan. 11.—Three oil men were instantly killed on the Prosser farm, three miles west of Wapakoneta, yesterday. Frank Logan, John Pettigrew and W. J. McNally endeavored to thaw out 100 quarts of frozen nitro-glycerine with hot water, when it exploded, tearing them all to fragments, with a team of horses.

Mexico Sends More Troops to the Front.

CITY OF MEXICO, Jan. 11.—Despite Guatemala's pacific protestations Mexico dispatched more troops to the frontier yesterday. The Mexican government is well pleased with Secretary Gresham's opinion that Guatemala should respect the treaty of 1852.

Southward Will Not Contest.

RICHMOND, Va., Jan. 11.—J. W. Southward, Republican, has declined not to contest the election of Congressman Taswell Ellett of the Third district.

NUGGETS OF NEWS.

A bill has been introduced in the Idaho legislature to repeal the Mormon test oath. Pauline Markham, the once dashing burlesquer, is in absolute want in Brooklyn. A report from Tokio, Japan, that Corea's king has been assassinated lacks confirmation. Zella Nicolais, who achieved notoriety by her \$50,000 suit against George Gould, is to go on the stage. The magistrates of Brussels, Belgium, have ordered that all the gambling houses in the city be closed. In a shooting affray at Weimar, Tex., Dr. J. E. Grace was killed and Dr. Eugene Pottet seriously wounded. Why Cash Miss Should Obey.

CINCINNATI, Jan. 11.—Archbishop Elder, in promulgating the order against Old Fellows, Knights of Pythias, and Sons of Temperance, accompanies the text of the order with a statement of reasons why good Catholics should obey. Just as the state must enforce its laws, preserve the order, so must the church enforce such rules as are essential for the welfare of souls. To belong to those orders made Catholics more tolerant of Free Masonry, and in the case of the Knights of Pythias a pagan is selected to be treated as a saint.

Altgeld Against Capital Punishment.

SPRINGFIELD, Ill., Jan. 11.—In his annual address to the legislature Governor Altgeld vigorously attacks President Cleveland and the federal courts in connection with the great railway strike of last year, denounces maladministration of justice in the courts of Chicago, and declares the revenue system of the state to be a giant of injustice. A pertinent recommendation of the governor is a strong argument for the abolition of capital punishment.
