DEMOCRATIC NOMINATIONS

Spirited Contests at Some of the Primaries.

TROUBLE IN THE FIFTH.

Councilman Gallagher Defeated For Re-nomination in Spite of His Record—Illegal Voting.

The Democrats held their ward primaries last night and named their ward candidates and conferees for the spring election in four of the five wards. In the Third ward no nominations were made for Council or School Director. The vacancies were evidently left open to await the result of the Citizens primary in that ward to night.

The hardest fight last night was in the Fifth ward, where a hard and successful contest was made against the re-nomination of Councilman E. J. Gallagher. There were three candidates and considering the fight made against him Gallagher made an excellent run.

It is generally believed that Gallagher's defeat is a grievous mistake on the part of the Fifth ward Democrats, as he has been the hardest working Councilman during the past year in connection with the public water works and has won compliments from people of all factions for his fidelity to the interests of the project.

The School Director was also a bone of bitter contention in the Fifth ward, Thomas McGuire having worked hard to defeat the re-nomination of H. J. Muldoon, but the latter emerged from the contest with a good lead.

Martin Fahey put up a fight against the re-nomination of William McGuire, the present chairman of the Borough Council, but Fahey did not prove as good a sprinter in the political field as he is on the cinder path and McGuire distanced him.

There was no fight of any strength put up in any of the wards as to the election of conferees, all the interest being centered on the Council and School Board fights. The results of the primaries point to the nomination of P. J. Toole as the candidate for High Constable.

The attendances at the First, Fourth and Fifth ward primaries were very large and despite the extreme cold weather people hovered about the poll windows with the same interest that is manifested in regular elections.

The defeat of Martin Fahey was heralded in some quarters as a blow against Inspector Monaghan, but the latter and his friends ridicule this. They say that, although the latter voted for Fahey, he urged the latter not to become a candidate. Friendship between the two is very strong and the Inspector's vote went to Fahey on that account and not because of any political preference.

John McGrath was elected chairman by acclamation in the First ward and he named Richard Ormsby, Thomas Conners, Jr., and Martin Lally as conferees. They will vote for P. J. Toole for High Constable in the borough convention. Frank Hanna, the present secretary, of the School Board, was re-nominated for School Director for three years by acclamation. In the contest for the Councilman nomination the vote resulted as follows: McGuire, 192; Fahey, 78. For Assessor P. J. Devers received 168 votes and James Cook 69. Martin Mullahy was nominated for Judge of Election and Martin Lally for Inspector, by acclamation.

In the Second ward P. J. Ferguson was nominated for Council for three years and J. K. P. Scheidly was nominated for one year, to fill the unexpired term of John F. Finney, who has become a resident of Pottsville. Timothy Lynch was re-nominated for the three year term on the School Board. The chairman appointed Patrick Devlin, John Murphy and Patrick Gibbons as conferees to the borough convention. The following nominations were also made: Killian O'Neill, Judge of Election; T. Devlin, Inspector; William Delowry, Assessor.

The Third ward primary was but slimly attended, only a total of 42 votes being cast. Thomas Dalton received 37 votes for chairman and James McAtee received 15. Mr. Dalton appointed John Burns, John J. Delaney and P. J. Dalton as conferees and they are instructed to vote for P. J. Toole for High Constable in the Borough convention. Thomas E. Reilly was nominated for Inspector of Election. No other nominations were made.

In the Fourth ward Mark Burke was defeated for re-nomination for School Director. Patrick Conners received 137 votes and Burke received 115. James Foley was nominated for Council by 152 votes. John P. Carden received 90. John Scanlan was nominated for Assessor, receiving 166 votes, against Adam Smith, who received 65. The election for chairman was spirited Thomas J. Mullahy receiving 128 votes and James Matthews 90. The chairman appointed Michael Brennan, James Kirvin and Thomas Campbell as conferees and they are instructed for Thomas Lowrey, the candidate from Turkey Run, for High Constable. Michael Kerrigan received the nomination for Judge of Election and

Patrick Stanton for Inspector, without opposition.

The Fifth ward primary opened with the election for chairman, in which Peter Toole received 123 votes and James Mahle got 82. John Lenahan, Peter Harkins and John O'Donnell were named as the conferees. The result of the contest for the nomination for Councilman was as follows: Edward Murphy, 112; E. F. Gallagher, 88; Thomas McCormick, 81. For the School Directorship, H. J. Muldoon was re-nominated by 137 votes, Thomas McGuire receiving 90. Lawrence Cullen received 154 votes for Assessor and Michael Hughes got 59.

The friends of E. J. Gallagher were loud in their denunciation of that gentleman's defeat to day and from remarks dropped by them it would not be surprising to hear of some arrests for frauds at the Fifth ward primary. They claim that from 20 to 30 young men under age were allowed to vote.

Everybody welcome at McElhenny's cafe Saturday night.

STEW OVER UNPAID STEWS

Two Impudent and Defiant Young Men Get a Free Lunch, But Forfeit Their Liberty—in Jail.

Martin McGrath and Martin Malone, two young men about eighteen years of age, went into Schoener's restaurant on West Centre street, at about two o'clock this morning, and after partaking of two oyster steaks walked out without paying for them. Schoener called the young men back and reminded them that they had forgotten to settle. They did not appear surprised, and flatly refused to pay, whereupon a policeman was called. They went back to the restaurant, but no amount of persuasion could induce them to make a settlement and all parties went to Justice Williams' office. McGrath and Malone were prosecuted for fraud and after a hearing were committed to the lockup in default of \$300 bail. At the lockup both young men showed fight and Officer O'Hara was obliged to summon assistance to get them into the cells.

At about five o'clock this morning Officer O'Hara went to the lockup to make his final call before going home and found that his arrival was in the nick of time to prevent the prisoners from escaping. Malone had broken the flooring of his cell and was endeavoring to get into the drain through which so many prisoners have escaped during the past few months.

The officer then placed a guard over McGrath and took Malone before Justice Williams again, where a charge of malicious mischief was preferred. The accused was unable to furnish \$200 bail and was again committed. At noon to day the young men were taken down to the Pottsville jail. Both were intoxicated when arrested and an effort will be made to find out where they got the drink, on account of them being under age.

The King Funeral.

The funeral of the late Patrick F. King took place this morning at 10 o'clock, from the family residence on South Bowers street. High Mass was celebrated in the Annunciation church, on West Cherry street and interment was made in the Annunciation cemetery. The pall bearers were Messrs. James McElhenny, Timothy O'Brien, James Duffy, John J. Reilly, H. J. Muldoon and Edward Maley. The attendance at the funeral was large and among the out-of-town people were noticed Thomas Whitaker, Michael Carl, W. W. Lewis, Henry Scheurman, Charles Smith, Edward Hennessey, John McGowan, Charles Brownmiller, Charles Becker and Charles Burchill, of Mahanoy City; Prothonotary James Daegan and P. Gensel, of Ashland; Robert Howell, John Cooney and William Kennedy, of Pottsville; P. J. Cleary, of St. Clair, and Silas Hoffnagle, of Brandonville.
