

RHEUMATISM.

Should be Arrested in its Early Stages.

Probably there is no disease that inflicts so much continuous pain as rheumatism. When it becomes chronic, there are few so hard to cure.

The medical faculty have found in Dr. David Kennedy's Favorite Remedy a certain and positive cure for this terrible complaint.

Favorite Remedy cures chronic, acute or inflammatory rheumatism; and in all diseases brought about by impure blood, or an excess of acid in the blood, such as urinary troubles, dyspepsia, constipation, kidney or liver complaints, it is a well known specific.

IN SENATE AND HOUSE.

No Prospects of a Bill to Provide for a Bond Issue.

WASHINGTON, Feb. 11.—Today the house enters upon the last three weeks of the session. Although the president's special message relative to the bond issue sent to congress on Friday is being considered by the ways and means committee, there is no present expectation that any effort will be made to pass a bill authorizing gold bonds during the week.

The greater part of the week in the senate will necessarily be devoted to the appropriation bills. The postoffice bill will be the first remaining unacted upon to receive the attention of the senate. This bill will in all probability develop sufficient debate to consume two days' time, if not more.
