

THIRD EDITION FROM THE PULPIT

Paine's Celery Compound Has Made Us Well.

We Advise the Sick to Take It, Say the Clergymen.

Be Prepared for the Danger Season of Spring.

Aggressive Christianity Is Possible With Health.

Pastors of All Sects Preach It East and West.

RACTICAL work distinguishes the pulpit. Doctrinal sermons to-day are at a discount.

Flat-chested, sallow-cheeked, weak-legged, we-ery-eyed clergymen are scarce; strong, vigorous, clear-headed, manly fellows are entering the seminaries.

That a well man is a better man than a sick one is no longer heresy.

Public baths, fresh air excursions, open parks, sunlight, physical training and proper medicines for the sick are all contributing to the work of home missions.

All sects appear to be entering with unusual activity into a practical reformation.

Last week in Boston one of the greatest of its pulpit orators preached upon clean streets; in New York the churches have been breaking up political corruption.

Money from the contribution boxes is going into hospitals. Many a young clergyman to-day takes a year or more, not in a trip to Europe to hear music and study cathedral architecture, and "round out his education," but in a plain, matter of fact medical school to learn anatomy and hygiene.

Most progressive ministers in every denomination to-day are recommending to their people the great remedy that makes people well, earnestly endorsing the work of Dartmouth college's generous scientist, and frankly lending their influence to that of the best physicians—advising generally the use of Paine's celery compound now that the "danger season of spring" is near.

The proprietors of this best of remedies now furnish a great quantity of testimonials from clergymen in every state, and almost every city and town in the country, from which the following are taken at random:

Rev. Charles C. Bruce, Boston's wealthy suburb, Charles Cromber Bruce, one of the ablest young pastors in the state, writes:

"I am nearly 88 years of age and weigh normally 158 pounds, at present my weight is 145%. My sickness took me down to 132%, so that you can see that I am getting myself, and, God willing, shall soon be there.

"I have been a very sick man, but owing to the goodness of the supreme powers I am now on the royal road whose end is perfect health.

"After 30 years of excessive labor in studying and preaching, I was elected to a position in a high school in Boston, but the work told on me and I grew ill. The illness lasted for about a year and a half. But now I am so that I can see the end, and a more thankful man you never saw. A gentleman who lived near me began to use Paine's celery compound and it built him up. I thought of this and soon I was led to use it, and it has brought me out all right."

St. Theresa's Academy, Mother Theresa, writing from St. Theresa's academy, near Peoria, Ill., says, that they have given Paine's celery compound a thorough trial, and found it to be all that is claimed for it. She adds: "We shall continue its use and also recommend it to our friends."

Rev. T. F. Stauffer, The following testimonial from a man so widely known and beloved as Rev. T. F. Stauffer, pastor of the Faith Reformed church of Lincoln, Neb., is a most positive proof of the wonderful medicinal power of Paine's celery compound and its great superiority over ordinary sarsaparilla, tonics and nervines.

"For nearly a year past I have felt myself running down. My nervous system was gradually growing worse; I had slight symptoms of rheumatism, and was troubled a good deal at times with insomnia. I felt that something must be done, and concluded to use Paine's celery compound. After the first few days' use I began to improve, and I am very much better now. Indeed, I feel like myself once more. All symptoms of rheumatism are disappearing. I can sleep well, my nervous system is rapidly

improving, and I believe a radical cure has been effected. Paine's celery compound is a splendid remedy, and I can conscientiously commend it to the suffering in like cases. I further believe that if this medicine were taken in time it would save many heavy doctors' bills. I have never used a remedy of any kind that met its promise so well and so readily."

Editor of the Georgia Baptist, Rev. W. J. White, D. D., editor of the Georgia Baptist, says: "My wife was in poor health. I think it a sort of general debility which caused severe attacks of heart palpitation. She was favorably impressed with Paine's celery compound and procured it at once. She felt benefited from the first bottle, and I see a decided improvement which is gratifying. We have spoken of this medicine to several friends, and several have already used it upon our recommendation."

Rector of St. Anne's, Nashville, Rev. T. F. Martin, rector of St. Anne's church at Nashville, gives his people confidence in the great curative powers of Paine's celery compound. He says: "During the Lenten season last year, which, on account of multiplied services, is very trying and laborious to a clergyman, I became so run-down that I feared I would not be able to hold out to the end. Having seen accounts of the efficacy of Paine's celery compound in similar cases, I concluded to try it. I was soon delighted to find that it gave me new vigor, and by the use of one bottle, I was enabled to get through the most laborious part of the season, including Holy Week and Easterday, with ease and comfort. I attribute my relief to Paine's celery compound. I keep a bottle of it on hand and whenever I have a return of the feeling of exhaustion from unusual labor I take a few doses, always with a pleasant sensation of relief."

The Upper Iowa Conference, Among the very able ministers in the upper Iowa conference none is better beloved by his church than Rev. B. F. Berry. Read of the great good that Paine's celery compound did him.

"For three years I have suffered from indigestion, constipation and biliousness. I have taken three bottles of Paine's celery compound and find myself wonderfully helped. I feel rested now mornings, and no longer have any tired and stupid feelings. Therefore I take great delight in recommending Paine's celery compound to all suffering from these disorders."

The Venerable William A. Smith, Rev. William A. Smith, of Groton, Conn., after years of work, is still well and active. He writes: "In my early days, by great and prolonged mental suffering, I broke down in health and became a dyspeptic, being obliged at one time to give up my work in the ministry on account of ill-health. I am now 83 years of age, and during my long life have suffered greatly from dyspepsia, torpid liver, constipation and insomnia, at times thinking I should die for the want of balmy sleep, and it is a wonder to me that I am alive to-day with all that I have been through."

"I have tried an endless amount of medicine, but lately I have been taking Paine's celery compound, and have all faith in its merits as adapted to my case. By the use of several bottles I so far recovered my health as to consider myself a well man for my age. It regulates the liver, stomach and bowels without any question. My appetite is now good, my sleep is refreshing, my liver active and bowels regular, and my crutches not needed, as I can walk without a staff. I am daily increasing in strength and improving generally, and hope that my youth will soon be renewed so that I can work as in by-gone days. People are surprised at my improved appearance and activity."

New York City Clergymen, Interviewed by a reporter in that city the other day, a large number of clergymen expressed the heartiest endorsement of Paine's celery compound. The interviews were published in the World. Here are a few of them:

Rev. H. L. Granlennard, pastor of the French Presbyterian church, who lives at 143 West 16th St., said: "I have frequently been relieved of nervous affections by the use of Paine's celery compound. I think it a most reliable remedy and shall recommend it wherever I have an opportunity."

Rev. R. D. Winn, pastor of the Abyssinian church, said: "My career as a minister of the gospel has been hampered by the fact that for years I have suffered from nervousness. I consulted several specialists, who treated my case for months, but I must say that during the past few weeks I have received more benefit from one bottle of Paine's celery compound than from all the other medicines taken."

The recent endorsements of the great remedy by Rev. Fr. A. Ouellet, Rev. Mr. Laird and other prominent divines have so recently been published that they are fresh in the public mind.

Rev. G. A. Emery, Rev. G. A. Emery, of Pittsfield, Vt., writes: "Paine's celery compound is the best medicine to be found and I very cheerfully recommend it to all who are in a run-down or exhausted condition. I have twice used it with most satisfactory results. For five years my work has been very heavy, especially so during the last two years. My conviction was that unless I found something to help me I must give up my work as a minister, but I took Paine's celery compound and last year came out all right, without a vacation of so much as one Sunday. I recommend it to all as a wonderful nerve restorer."

Rev. B. S. Crosby, Rev. B. S. Crosby, of Brushton, N. Y., says: "It gives me great pleasure to add my testimony to the effect of Paine's celery compound. For eight years I have suffered great pain in my back. Last April I was so weak and nervous that I arranged to go to Montreal for treatment, but three days before I expected to go a friend of mine urged me to take Paine's

celery compound. I went that day and bought a bottle and commenced to take it, and before I had taken the first bottle I was free from pain in my back and could sleep sound, and am able to preach every Sunday."

"I will gladly answer any one who may write to me about it. I trust your business will continue to prosper until the afflicted ones of the entire nation shall take Paine's celery compound and be revitalized."

Was Caused by Grip, Rev. Dr. J. F. Hall, of Mountville, is one of the best known ministers in southeastern Ohio. Mrs. Hall, whose life was despaired of, was restored to health by Paine's celery compound. She writes: "The grip made a wreck of my natural good health. I suffered from continual headache, which nothing relieved, and from nervousness which prevented sleep and caused me to have palpitation of the heart when startled by any unexpected noise or sound. I had distressing pains in my back and side, was constipated, bilious and sallow-complexioned. My pulse was very changeable, sometimes quick and at others scarcely perceptible, appetite poor, with a feeling of languor and weakness at times almost overcomng me. It seemed as if every organ in my body was diseased, and I was in despair of ever being well again. At times the grave seemed very near. I can never describe my terrible sufferings, and it would have been a great relief to have exchanged worlds, but like every mother, I would look upon my baby boy and cling to life."

"Not having much faith in advertised medicines, it was with reluctance that I began to use Paine's celery compound, but after the first dose I slept well. My improvement was rapid; I took six bottles and gained between 20 and 25 pounds in weight, and now I am fleshy, ruddy cheeked and clear complexioned, the wonder of all my friends. I do my own work and assist my husband in his labors as a minister of the gospel. I always tell the sick and suffering what this grand compound has done for me."

For All Sufferers, Rev. Percy T. Fenn, rector of St. John's at Boonton, N. J., writes: "It gives me great pleasure to commend the use of Paine's celery compound to all those who are suffering from nervous troubles. I had suffered for two years with nervous prostration brought on by overwork and excessive study, and during this time had tried almost everything in the way of medicine, besides being treated by an eminent specialist in nervous diseases, but nothing helped me until I used Paine's celery compound. This remedy has been of great benefit to me, and I shall always recommend it to all sufferers."

The fact is, Paine's celery compound makes people well. Try it and be convinced.

THEATRICAL TROUPE ARRESTED

The Men of Lottie Collins' Company Must Answer to Charges of Riot.

SAVANNAH, Feb. 16.—The chiefs of police of Macon and Savannah, the deputy marshal of Bibb county and four city detectives boarded the train from Jacksonville, Fla., and placed under arrest Fred Solomon, Sol Solomon, John Hayes, Frank Ward and the Meers brothers, charged with riot, and Will Wood, Fred Shepherd, John Stagg and Manager Cooney, the husband of Lottie Collins, on charges of disorderly conduct. The arrests were made on bench warrants issued on indictments found by the grand jury at Macon. The actors offered no resistance. They were marched through the streets, guarded by the officers, to the police barracks, where they were held for six hours.

The deputy marshal insisted on taking them back to Macon to stand trial on Monday unless real estate bond for \$25,000 was given. Just before the time for the performance last night Lottie Collins gave security to protect Manager Johnson, of the theater, who then gave bond for the actors' appearance on Monday. At the same time sufficient money was turned over to Macon's chief of police to cover any fines that may be imposed in the police court, where all fourteen appear Monday morning. Ten of them go from there to the state court for trial on the charge of riot. Manager Cooney is confident of the acquittal of all. The arrests are the result of a fight among the members of the company at the railroad station in Macon, in which pistols were drawn and shots fired, one onlooker being injured.

The president personally paid a visit of condolence to the legation yesterday morning, and in the afternoon Mrs. Diaz called on Mrs. Gray. The city is in mourning today.

On the second ballot Wolcott lost one and Bayard three to Martin. On the third ballot Martin's vote dropped to three, while Wolcott's increased to seven. The fourth ballot resulted the same as the third.

Hoffman Will Sue for Damages, OMAHA, Feb. 16.—Carl A. Hoffman, of Grand Island, one of the twenty persons saved from the wreck of the Elbe, was in Omaha yesterday on his way home. He said: "I could easily have saved my boy if the Elbe's officers had let me alone, but they tore my little boy from me. But I will make them pay for all this. I will consult my attorney when I get to Grand Island, and I will then make a sworn statement and forward it to the owners of the Elbe."

"The Dazzler," The curtain at the Citizens' opera house was run up last evening to a good audience and the laughable comedy, "The Dazzler," was produced. It is a play abounding in comic situations with but very little plot. The evening's entertainment consisted principally of specialties which were very clever, and some treats in the way of singing and dancing were presented. The company is composed of actors especially adapted to the parts assigned them and the play as a whole gave excellent satisfaction and the audience departed well pleased with "The Dazzler." The Daily Crescent, Danville, O., Nov. 2, 1894. At Ferguson's theatre on Tuesday, February 19th.
