Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, publisher of the Leader, Mexia, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 25 and 50 cent bottles for sale by Gruhler Bros."

Personally-Conducted Florida Tours via Pennsylvania Railroad.

To the large number of people who feel the need of a mid-winter as well as a mid-summer holiday, the Pennsylvania Railroad Company's personally-conducted tours to Florida especially commend themselves; the excursion rates being most liberal and the style of travel first-class in every particular. The next of the series of Jacksonville tours, allowing two weeks' stay in Florida, will leave New York and Philadelphia on February 26, and others will leave on March 12 and 26. The rate, including transportation, meals en route, and Pullman berth on special train, is \$50.00 from New York, and \$48.00 from Philadelphia; proportionate rates from other points. For further information apply to Ticket Agents, or address Tourist Agent, 1196 Broadway, New York, or Room 411, Broad street station, Philadelphia, to whom application for space should also be made.

A Voice From Florida.

Dr. W. F. Dymally, Live Oak, Florida, says: "Red Flag Oil is one of the most successful pain cures we sell. It is an unfailing remedy for Rheumatism, Neuralgia, Sciatica, etc. Red Flag Oil costs 25 cents. Sold at Gruhler Bros. drug store."

Notice to Subscribers.

Subscribers to the EVENING HERALD who are not receiving their paper regularly and people who wish to receive the paper as new subscribers, are requested to leave their addresses at Hooks & Brown's stationery store, on North Main street.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became a Man, she clung to Castoria. When she had Children, she gave them Castoria.

Buy Keystone flour. Be sure that the name LEISIG & BAER, Ashland, Pa., is printed on every sack.

Smoke Brennan's famous cigars. They are the best in the market, for fine trade only. 12-21-9f

D. W. O. Hartman, Sheriff of Tyler Co. W. Va., appreciates a good thing and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy. He says: "It gave me prompt relief. I found it to be an invaluable remedy for coughs and colds." For sale by Gruhler Bros.

E. B. FOLEY,

Fine Groceries, 201 West Centre Street.

PENCIL POINTS.

Local News gleanings condensed for Hasty Perusal. Remember the suffering poor these cold days. A good deal of winter lying around loose. Exposed water pipes cannot be guarded too closely. This has been a good winter for the coal dealer. A certainty of the coming summer—no scarcity of ice. As the cold strengthens the average coal pile weakens. Bizzards are expensive things for the railroad companies. It has been tough weather on the motor-men and conductors. It takes a small exactly 14 days and 5 hours to travel a mile. Only two more bizzards scheduled. Keep up your courage. Also your fire. A lazy boy can ask more questions in an hour than a lively man can answer in a year. Railroaders say the tramps are stealing ties from along the tracks to use for bonfires.

Economy is the road to wealth, and it is a poor housekeeper who wastes anything needlessly. A man "too busy" to take care of his health is like a workman too busy to sharpen his tools.

Just to think that in this same world people will be fanning themselves six months from now. Snow banks receive deposits, but pay no interest and declare no dividends, but go into liquidation finally.

Sometimes men like to see their names in print, and then again they don't. It depends on how they figure. Many of the hardy little sparrows have succumbed as a result of the recent severe visitation of Arctic weather.

Lost Her Hand But Saved Her Life. Mrs. Edward Myers, of Athens, N. Y., had been treated for months in the usual way for erysipelas, without benefit. Her hand had become a mass of putrid flesh, the blood so poisoned that her life was despaired of. At this critical time Mrs. Myers sought the advice of Dr. David Kennedy, discoverer of Favorite Remedy. Dr. Kennedy found it impossible to save the hand, so he amputated the same, then gave her Favorite Remedy which drove the poisonous disease out of her system, cleansed the blood, thus saving her life.

Had Favorite Remedy been used earlier in the development of erysipelas, Mrs. Myers would have saved her hand. The worst cases of eczema, salt rheum and scrofula, yield to Favorite Remedy.

Abalona Marala, who claims to live at Morea, was arrested by Chief Burgess Stern yesterday for carrying concealed deadly weapons, which were seen under his vest while stooping to examine the dead body of John Stankus at the depot. He was taken to the Pottsville jail this morning.

Twenty five members of the American Fire Company, of Pottsville, enjoyed a sleigh ride to town Saturday evening. They enjoyed themselves until a late hour with the Citizens Fire Company, of town, who served them an excellent lunch and showed the visitors a good old time.

A bad cough or cold calls for a good remedy—the cure for it. For Coughs, Colds, La Grippe and Consumption, a perfect and permanent cure is Pan-Tina, the worst cases yield to its healing properties. Costs 25 cents. Pan-Tina is sold at Gruhler Bros. drug store.

We Would Like to See Public sewerage agitated. Success to the Citizens ticket. A new Controller bill passed. The Legislature Record abolished. The borough divided into more wards. The pavements kept clear of snow and ice.

Governor Hastings use the veto power unsparringly. More work done by the state legislators and a short session. Salaries of state officials decreased, rather than increased.

A thorough cleaning of the town before hot weather is upon us. The Orphans' Court bill defeated. We have enough judges now.

Smokers' articles, silver match boxes and fire cigar tubes at Brennan's cigar store. 12-21-9f

Child Burned to Death. Benjamin, the three-year-old child of Moses Isaacman, was burned to death at the home of his parents in Shamokin yesterday. His clothing caught fire from a stove. The remains were brought here this morning and buried in the Jewish cemetery.

You will never find Brennan's cigars in dive saloons. They are for fine trade only—hotels, cafes and drug stores.

Embarked in Business. A. S. Holofer, son of S. G. M. Holofer, Esq., of town, who was employed as clerk in a drug store in Philadelphia for several years, has embarked in the business in that city for himself. The young man has the hearty good wishes of his friends here.

Mr. and Mrs. James Kennedy, an estimable young couple formerly of town but now of Philadelphia, are visiting friends in town. Mr. Kennedy holds a lucrative position under Henry Wiederhold, in Philadelphia.

TO-MORROW.

Vote for James Emanuel, the worthy citizen and brave soldier, for High Constable. He has proved a good official and deserves a re-election.

For Borough Auditor we should elect a man who is qualified in every way for the position, a business man who will audit the accounts in a business-like manner. Vote for Jacob Bamberger.

Citizens of the First ward have an excellent chance to break up the rotten Democratic ring in that ward if they will turn out to-morrow and vote the Citizens ticket solid. Respectable Democrats have tired of their party there.

In the Second, Third, Fourth and Fifth wards the Citizens party has strong tickets. If the voters of that party and the Democrats who intend to cut aloof from their old moorings will work steadily all day and get out the laggards, a sweeping victory is assured.

Frightened the Neighbors.

Cries of "Murder!" "Fire!" and "Help!" alarmed the residents of Jardin street, between Lloyd and Coal streets, last night. A story subsequently told before Justice Williams disclosed the cause of the cries. Richard Ellis arrived at his home on that street last night considerably under the influence of drink. He and his wife had a quarrel and he sought revenge by pouring buckets of water over two red-hot stoves. The noise of the steam awakened Ellis' son, who rushed down stairs and seeing the condition of his father and what he had done, struck and knocked down the man. It was then that Mrs. Ellis gave vent to the cries above described. The elder Ellis was arrested and committed to the lockup by Justice Williams. This morning he was released upon paying the costs and promising to keep away from his wife and son.

PENNSYLVANIA LEGISLATURE.

Senator Kennedy, of Allegheny, May Start the Philadelphia Investigation Room. HARRISBURG, Feb. 18.—The legislative halls are deserted. The lawbreakers and at-tachés have gone home over the sabbath and Washington's birthday, and business at the capitol is practically at a standstill. The senate and house will reconvene a week from tonight. Beginning on Tuesday of next week the house will hold two sessions on Tuesdays, Wednesdays and Thursdays. The senate is far in advance of the house, and will continue to hold one session a day for a month yet. Old members say they have never seen so many bills on the calendars so early in the season, and that the greatest dispatch is necessary to clear them before the middle of May. During the week seven sub-committees of the house appropriations committee will visit the various institutions applying for state aid. The committees to investigate the management of the insane hospitals at Norristown and Westmoreland will go to work on Thursday.

The legislature left with the governor two bills providing for an additional law judge in Washington and Westmoreland counties. The former was vetoed on Saturday and the other has not yet been acted upon. The ten days' limit expires next Friday. It is thought the governor will sign the bill, as Westmoreland is the only county in the state with a population of over 50,000 with one judge, who receives a salary of \$8,000 annually. The county is entitled to two judges by its population. The business of the court is two years behind, and litigants have to be put to much inconvenience and expense by the delay in the trial of cases.

The gossip at the capitol is that after the recess a resolution will be offered by Senator Kennedy, of Allegheny, for a senate committee to investigate the affairs of Philadelphia.

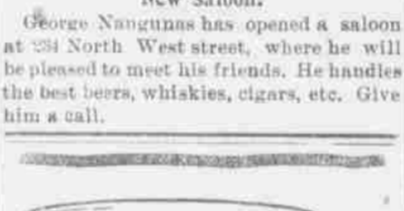

Thrown into a Carding Machine. BORDENTOWN, N. J., Feb. 18.—Jacob Zagonsky had a narrow escape from a horrible death at the Springfield worsted mills, where he is employed. His clothing was caught in a belt, which picked him up and threw him violently upon a carding machine. Help came in time to stop the machinery and save the man's life. He had an arm broken and was hurt about the head.

Irwin's Acquittal Predicted. PITTSBURGH, Feb. 18.—The jury in the Irwin case reached a verdict after having been out thirteen hours and forty minutes. The verdict was sealed. There is little doubt that Irwin has been acquitted of the charge of false pretense, but will be required to pay the costs. A gentleman in a position to know stated positively that the verdict was one of acquittal.

Governor Hastings' First Veto. HARRISBURG, Feb. 18.—The first bill passed by the legislature to fall under the executive disapproval is the act to provide for an additional law judge in Washington county. In his veto message Governor Hastings declares there is no necessity for the additional judge.

New Saloon. George Nangunas has opened a saloon at 231 North West street, where he will be pleased to meet his friends. He handles the best beers, whiskies, cigars, etc. Give him a call.

All That's Claimed

Albert Kinsey Auburn, Pa. All that is claimed for Hood's Sarsaparilla is that it is the best medicine I have ever taken. I had a poor appetite, that tired feeling and was run down, but Hood's Sarsaparilla has done me a great deal of good. I have a better appetite and do not feel tired. I can recommend Hood's Sarsaparilla as an excellent spring or fall medicine to keep the blood in order. Myself and three daughters have taken over six bottles, and it has done us much good.
