

MAHANOH CITY.

MAHANOH CITY, Feb. 28, 1895. Miss Pitta, of Pottsville, is visiting friends in town. John J. Rattigan attended to business at the county seat. Colliers in this district are working six days three-quarter time. Ed. Faust, of Philadelphia, attended to business in town yesterday. Mr. and Mrs. John H. Ryhal left for their new home in Keokawee, Ill., to-day. The German American Fire Company expect their new hose carriage this evening. John Ross, one of Philadelphia's dry goods agents, took orders in town yesterday. Misses Katie Maley and Maud Haughey returned from Shenandoah last evening. John Merges, formerly of town but now residing at Philadelphia, is visiting friends here. Silas Parfut, one of Mahanoh City's oldest residents, celebrated his 88th birthday yesterday. Mark Bowman and assistants are busy surveying a line for the Lakeside Railway to Delano. Miss Emma Chester, of Tamqua, is sojourning with Miss Maud Skeath, on East Centre street. Joseph Seligman is sojourning with friends and relatives in Clearfield and Lycoming counties. A team belonging to A. and D. M. Hoppes, while going up Centre street last evening, became frightened and ran away, but was captured before any harm was done. James Young, tragedian, assisted by Miss Rita Johnson and a clever company of fourteen players, will appear in "The Lady of Lyons," at Kaiser's opera house this evening. Mrs. Emily Thorne, who resides at Toledo, Washington, says she has never been able to procure any medicine for rheumatism that relieves the pain so quickly and effectually as Chamberlain's Pain Balm and that she has also used it for lame back with great success. For sale by Grubler Bros. Dabb has removed his gallery to Hoffman's old stand, West Centre street. When baby was sick, we gave her Castoria. When she was a child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had children, she gave them Castoria.

PENNSYLVANIA G. A. R. VETERANS

H. H. Cummings, of Thiloute, the New Department Commander. WILKESBORO, Pa., Feb. 28.—The veterans of the late war who are here as delegates to the annual encampment of the department of Pennsylvania, G. A. R., assembled in the Opera House yesterday. After an address of welcome by Mayor Elihu Department Commander Emshy and the other officers submitted their annual reports. H. H. Cummings, of Thiloute, was elected department commander by accla-

Henry H. Cummings. Other officers were chosen as follows: Senior vice commander, Thomas M. Fee of Conowingo; junior vice commander, Lemuel Bach of Reading; medical director, Dr. William Siles of Philadelphia; state chaplain, Rev. J. W. Sayre, Department Commander Emshy, in his annual report, suggested that the semi-annual encampment be done away with, and only one encampment be held each year. It was decided to do away with the summer encampment for this year. It was to have been held at Gettysburg. There are 4,101 members of the order in good standing in the state. W. Hazzard introduced a resolution asking for the appointment of a committee to push the matter of patriotism and flag drills in the public schools. The chair appointed General James A. Beaver of Bellefonte, George W. Lemon of Pittsburgh and James N. Kilms of Williamsport. The next encampment will be held at Chambersburg and the council of administration will fix the time. Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of any family to sustain. Whether he is a laborer, mechanic, merchant or publisher, Jas. G. Jones, publisher of the Leader, Mexico, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "In the latter case I used Chamberlain's Cough Remedy with considerable success. I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. If you wish to cure a cold quickly and effectually give this remedy a trial. 25 and 50 cent bottles for sale by Grubler Bros.

PENCIL POINTS.

Local News Gleanings Condensed for Hasty Perusal. Spring days are coming. Moonlight coming again. Only four more days of Congress. Easter will come this year on April 14. It will be warm enough in four months. Instead of rents coming down, they are going up. Country sales of farm stock are now beginning. Next month the farmer's spring fittings will begin. Coasting and skating hereabouts are about over. Three weeks of the ground hog's reign have ended. The Salvation Army does not become discouraged. Is the backbone of winter broken or only sprained? King Winter is relaxing his hold, gradually but surely. Old Sol played sad havoc with the snow and ice yesterday. Spring goods are already being received by our merchants. The country roads are losing some of their surplus snow. There are plenty of openings for business on Main street. The sleighing and poultry season close about the same time. If Congress proposes to do anything it had better do it quickly. It is seldom that a Polish funeral is not preceded by a brass band. "The days are gliding swiftly by," and spring will soon be with us. Forty days in which to give up "the world, the flesh and the devil." Business may be dull now; it will be different a few weeks from now. In a few weeks more the spring ice floods and gorges may be expected. It doesn't follow that because a man sees double he is gifted with second sight. Shenandoah's free mail delivery service will be six years old on the first of April. Yesterday was springlike and the sun was quite warm, melting the snow freely. The Mid winter ball continues to be the talk of the town. It was an unqualified success. Regular work at the mines makes our business men smile in anticipation of better times. Lakeside will be a popular place the coming summer if the plans of the owners are carried out. Postmaster Mellet will have comfortable and handsome quarters in the theatre building next month. The laboring men out of work will greet the news with pleasure that diamonds are getting cheaper. St. Patrick's Day will be the next event to be celebrated. What are our Irish-American citizens doing about it? Business men who contemplate removing or selling out should advertise the fact. Rates in the HERALD are most reasonable. It is said five cents worth of camphor dissolved in a quart of whiskey makes the best of rheumatic liniment. It is worth trying. Carpenters are already making contracts for the spring and summer. Many buildings in town are to undergo important improvements. If there ever was a real cure for chronic Coughs, Colds, Bronchitis troubles and La Grippe it is Pan-Tina. Don't fail to get the genuine; avoid substitutes. Costs only 25 cents. Pan-Tina is sold at Grubler Bros. drug store. FARRAND'S GREAT DISCOVERY. Said to Have Found a Positive Cure for Asthma and Hay-Fever. Among the few really eminent botanists of America, Prof. Farrand, of Vermont, easily stands in the front rank, and a discovery that he has recently made will do much to add to his fame. After long research he has found a happy combination of herbs and leaves that contain the peculiar health-giving qualities of the famous Adirondack regions, where diseases of air passages are unknown. Wherever tried this has given great relief, and 75 per cent. of the cases reported a perfect cure of asthma, some of them seemingly hopeless cases. This Adirondack asthma cure is now offered to the public generally by the Dr. Howard Co., Box E 98, of Burlington, Vt., who will mail a large sized box for 50 cents. They do not want pay from those whom they do cure, and will return the money to any whom Adirondack asthma cure fails to benefit. This remarkable offer should be accepted at once by any of our readers who have asthma or other respiratory diseases. O. W. G. Hardman, Sheriff of Tyler Co., W. Va., appreciates a good thing and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy. He says: "It gave me prompt relief. I find it to be an invaluable remedy for coughs and colds." For sale by Grubler Bros. Notice to Subscribers. Subscribers to the EVENING HERALD who are not receiving their paper regularly and people who wish to receive the paper as new subscribers, are requested to leave their addresses at Hooks & Brown's stationery store, on North Main street. Relief in Six Hours. Distressing Kidney and Bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. THE UPRISING IN CUBA.

The Spanish Minister at Washington declares it inopportune. WASHINGTON, Feb. 28.—Secretary of State Gresham received a cablegram yesterday from Consul General Williams at Havana saying that owing to the continuance of rebellion near Santiago de Cuba and Matanzas, which began Feb. 24, the governor-general has issued a proclamation declaring those provinces in a state of war the civil authorities continuing in the exercise of their functions. He also offers full pardons to all insurgents who submit to legal authorities within eight days. The rest of the island is reported tranquil. All recognized political parties have given support to the government. Minister Maura, of Spain, said last night that he had received a dispatch from Key West, Fla., announcing that a party of filibusters had organized there and was about to start for Cuba to stir up a revolution on the island. The minister's dispatch said that the United States revenue cutter, which is usually on duty at Key West, was absent from its post, and there was no force on hand to prevent the threatened invasion. The dispatch gave no particulars as to the strength of the party or the vessel or vessels it had secured to carry it to Cuba. The exact time of its starting was apparently unknown, but it was expected to start soon. Discussing the matter Senator Murruga said: "The report that there is a concerted organized revolution in Cuba is untrue. There have been only two or three minor outbreaks. The insurgents have no leader and no organization, and can do nothing. As a matter of course, their friends in this country and elsewhere give out misleading reports in the hope of strengthening their cause. I very much regret the absence of the United States revenue cutter, which ought to be at Key West, and could easily prevent an invasion of Cuba from American soil." The distance from Key West to Cuba is very short and easily traversed. A dispatch received from Havana says that Garcia, a famous Cuban bandit, and a companion were shot yesterday in that city by government soldiers.

IN SENATE AND HOUSE.

Financial Issues Suddenly Side Tracked in the Upper Body. WASHINGTON, Feb. 28.—When the senate adjourned yesterday it was with the agreement that a vote shall be taken on the sundry civil bill at 3 o'clock this afternoon. The financial issue, which has hung like a great menacing cloud over the senate chamber for many weeks, was suddenly and permanently dispelled. For four hours there was a storm of debate in which the most conspicuous financial figures of the senate were listened to by crowded galleries. And then Mr. Gorman, whose financial amendment had brought on the contest, withdrew the proposition, and the subject was summarily disposed of. A moment later Mr. Mills' proposition to repeal the laws authorizing the issue of bonds was out of order. Thus the financial issue which had threatened serious delay to the appropriation bill was unexpectedly swept away. Mr. Gorman made the principal speech in advocacy of the proposition for authorizing \$100,000,000 of debt certificates to meet treasury deficiencies. Mr. Teller finally moved to lay the Gorman amendment on the table, and this was the signal for Mr. Gorman's final move in withdrawing the proposition. Work on the sundry civil bill was then proceeded with. It was not felt necessary to hold a night session. The day was wasted in the house, so far as the purposes for what the day was set aside were concerned—namely, to consider bills reported from the committee on public buildings and grounds. Only one bill was called up, that to purchase what is known as the Mahone site for a new public printing office, but after a wrangle of several hours the house got into a parliamentary tangle, which necessitated the abandonment of the bill. The conference reports on the bill to prohibit the importation of goods in bond through the United States into the Mexican free zone and on the pension and postoffice appropriation bills were agreed to. Several pension and other bills of minor importance were passed by unanimous consent. Fitzsimmons and Glori at Law. BUFFALO, Feb. 28.—Bob Fitzsimmons says his company will end the season in Washington March 16, and after that date he will work for his brother-in-law, Martin Julian, on a salary. The champion has quarreled with Captain Glori, his manager, and they have appealed to the courts to settle the dispute over the disposition of the receipts. Yesterday, in the supreme court, an application was made on behalf of Captain Glori for an injunction to prevent Fitzsimmons from disposing of his property or appearing in theatrical performances until their dispute is settled. Judge Green held the matter over.

AN AGED WIDOW MURDERED.

LEBANON, Mo., Feb. 28.—Mrs. Fernald, a widow 60 years old, was murdered at the home of her son, Leroy Fernald, with whom she had lived. Her skull was crushed as with a hammer, and her left arm was badly burned. A barn on the place was burned, which drew neighbors to the scene. It is thought that Mrs. Fernald was assaulted in the barn and left unconscious, when the barn was set on fire, and that then she rallied sufficiently to crawl to the house. Leroy Fernald has disappeared. Death of Ex-Congressman Ward. CHESTER, Pa., Feb. 28.—Hon. William Ward died at his home on Fourteenth street, this city, yesterday afternoon after a lingering illness of several weeks. Mr. Ward was 58 years of age. He had been a leading lawyer of Delaware county for years, and had held many important offices. He was in a number of the Forty-sixth and Forty-seventh congresses.

Want Consul Malloy Retained.

ST. JOHN'S, N. F., Feb. 28.—A memorial has been signed by the leading commercial men and citizens requesting the United States senate to reconsider the appointment of Mr. Ryan, of Wisconsin, as consul to New Foundland in place of Mr. Malloy, who has held the consulship for twenty-five years. Found Murdered on the Street. CHARLTON, Pa., Feb. 28.—Vito Lorusa, an Italian, was found dead on William street, Dunmore, with five bullet wounds in his body. His death is said to have been the result of a feud among a party of Italians, and four of these have been put under arrest by the Dunmore police. The Strachan Cure for Disappointed Love. READING, Pa., Feb. 28.—Disappointed in love, Emma Simmons, aged 16 years, took strachan at her home near Monticello, this county, and died three hours later in great agony.

COUNCIL CHAT.

We ought to have a day police. We'll all be happy yet, you bet. It will be an 8 to 7 affair, as usual. Are you looking for an appointment? If you don't see what you want, ask for it. The new Councilmen are sawing wood and not saying a word. The Council will earn the thanks of the community by improving Main street. If you don't succeed in getting an appointment this year, try again next year. Either Thomas J. James or A. D. Gable would make an efficient President of Council. The Citizens party went into the fight to win, and they won. That party will organize Council. The new Council will have lots of good material to select from. It cannot go amiss in their choice. The candidates for Supervisor are becoming quite numerous, and among the list is some good timber. If the local government was under control of the Civil Service, quite a number of the present applicants would take to the woods. Some of the new Councilmen are being called claims, because they know enough to keep their mouths shut pending the new organization. To the victors belong the spoils, but it doesn't necessarily follow that the spoils list should be increased to satisfy the large army of victors. If the pay of the borough officials is not large enough, make it so, and thus do away with the practice of granting extra compensation not authorized by ordinance. PERSONAL. Arthur Trezise is on the sick list. "Doc" Jones, of Mahanoh City, was a town visitor to-day. Mrs. John McNeill and her family moved to Girardville to-day. Letter Carrier Owen C. Thomas spent last evening at Ashland. Gerald McKernan, of Pottsville, visited friends in town this morning. Andrew Morrison, formerly of this place and now of Lansford, was in town to-day. Samuel Small, Jr., of Lost Creek, is confined to his home by a strain sustained by lifting a heavy weight. Mr. and Mrs. Harry Beyrant, of Steelton, are here to attend the funeral of Mrs. Beyrant's sister, Mrs. Flower Stetler. Louis Rabinowitz has accepted a position with the New York Progress Manufacturing Company, and left town to-day on his first trip. John W. O'Brien and wife, Miss Mary Doyle and Mrs. Kate Jenners and son, William Cavanaugh, of Philadelphia, were among the attendants at the Doyle funeral to-day.
