## PORT DEPOSIT SAME THE DELAWARE DEADLOCK.

The Maryland Town Freed from Further Danger by Flood.

THE WATER RAPIDLY FALLING.

Five Feet of Ice Carried In by the Flood and Piled Up on the Streets and Midewalks for a Mile and a Half-Hillocks of Ice in the River.

PORT DEPOSIT, Md., March 5 .- Everything is quiet here, and the people feel relieved to think the los gorge of 1805, after such a sovere winter, is over. At midnight the railroad was still under eight feet of water, but it was slowly falling, and the inhabitants got a good night's rest, which they so much needed after so many restss and anxious nights.

The situation at times yesterday was appalling. In the morning the lee was piled entirely across the river from ten to thirty feet high. At noon news came that

a gorge twenty miles above had broken, and would reach Port Deposit in an hour and a half. By 2 o'clock it came, and broke the barricade across the river about the middle, and finally the whole mass of ice moved and the water in one mighty volume rose over streets and into house It continued to rise until 8 o'clock, when it reached a point nearly as high as in 1880 Shortly after this it began to fall, and has since been rapidly passing out by a channel about the middle of the river. The water is still over the wharves, railroad tracks and up to the street, so it is impos-sible to find how much damage has been ustained. The damage done is very crious.

Along the entire shore the ice is pilod many feet high, and it, will require weeks of warm spring weather to nielt it. There s a mass of ice five feet thick for a mile and a half on the streets and sidewalks arried there by the floods. The great mass of grinding ice has prob

ably completed the ruin of the Susque hanna and Tidewater canal for two or three miles

At Havro de Grace a southwest wind which had been blowing up the bay al day caused the highest tide for several months. This aided materially in causing the lee to move out. The movement of the ice was so sudden that gunners on the flats had to fly for safety.

## A Bridge Carried Away.

LANCASTER, Pa., March 5. - The gorge on the Susquehanna at Turkey Hill is reported to be forty or fifty feet high. The gorge at Safe Harbor broke and carried way the railroad bridge of the Port Deposit road over the Conestoga creek and ten carloads of coal which had been run on it to weigh it down. The gorge at Me-Call's Ferry is reported broken. There is great alarm at Safe Harbor for fear the gorge at Turkey Hill will break.

The Ice Gorges at Williamsport WILKESBARRE, Pa., March 5 .- A steady rain fell yesterday afternoon, and it was expected that the gorges in the Susquehanns river would break up, but at night it grew colder, and now there is little prospeet of the lee moving until the temperature rises again.

## Nominations That Failed.

WASHINGTON, March 5 -Comparatively ew presidential nominations were allowed o fail this session for want of action by the senate. The list of failures includes twenty-five or thirty postmasters, including Frank W. Joplin at Elizabethtown, Ky., who was to succeed Emily T. Helm. a relative of the late President Lincoln. Among other nominations that failed of confirmation were: M. L. Marbury, to be United States district attorney for the dis-trict of Maryland; Arthur P. Greely of Concord, N. H., and John H. Brickenstein of Lititz, Pa., now principal examiners at

# He Refused a Fortune for Friendship. Pilsner Beers He Refused a Fortune for Friendship. LA PLATA, Md., March 5.-Thomas A. Jones died here yesterday, aged 74 years. He was the man who helped J. Wilkes Booth to escape into Virginia after the as

the patent office, to be examiners in chief.

It Will Probably End by Governor Marvil

Appointing Higgins. DOVER, Dol., March 5.-The slxty-third ballot for a United States senator was taken yesterday. It resulted as follows: Higgins, Rep., 8; Addicks, Rep., 6; Massey, Rep., 4; Wolcott, Dem., 7; Martin, Dem., 3; Bayard, Dem., 1. The term of Senator Higgins having ex-

pired with the adjournment of the Fifty third congress, there is now a vacancy in the United States senate from this state, with but little prospect of a senator being chosen by the legislature now in session. Both the Higgins and Addleks factions

remain firm and refuse to talk of a compromise candidate. They declare that they will hold out as long as the legislature is in session. This being the case, a successor to Senator Higgins will probably be appointed by Governor Marvil. The gov-ernor and ex-Senator Higgins are fast friends, and it is freely admitted by Ad-dicks' followers that Governor Marvil will either appoint ex-Senator Higgins to succeed himself or some person that is favorable to Higgins.

## Senators Whose Terms Have Expired.

WASHINGTON, March 5.-The senators whose terms expired yesterday are: Messes, Butler of South Carolina, Camden of West Virginia, Carey of Wyoming, Coke of Texas, Dixon of Rhode Island, Dolph of Oregon; Higgins of Delaware, Huntor of Virginia, McLaurin of Mississippi, Mc Pherson of New Jersey, Manderson of Ne-braska, Martin of Kansas, Power of Montana, Ransom of North Carolina. Shoup of Idaho, Walsh of Georgia, Washburn of Minnesota, and Wilson of Iowa. The legislatures of Delaware and Idaho have not yet chosen successors to Senators Higgins and Shoup.

Dishonest Bankers Again on Trial.

CRICAGO, March 5.-Frank R. Meadow croft and his brother, Charles J., ex-pro prietors of the defunct Meadowcroft bank were arraigned yesterday for a second trial on the charge of receiving deposits when they knew their bank to be insolvent, There were thirteen indictments against the brothers, the present trial being on the second, the first resulting in a sentence of one year's imprisonment and a fine of \$2 for each. The Meadowerofts are out on bail punding the decision of their appeal to the supreme court from the first con-viction. The work of securing a jury is now in progress.

## The President's Ducking Trip.

WASHINGTON, March 5.-The lighthous tender Violet, in which the president and party will take their ducking trip to the sounds of North Carolina, is at a private wharf at the foot of Seventh street. It is believed that the president, Dr. O'Reilly, his physician, and two or three friends will begin their trip this afternoon. It is thought that the party will be absent at least ten days or two weeks. Secretary Carlisle will not go with the president, but will take a trip to his home in Kantucky, where he has a brother who is ill.

# GRIFFO THE WINNER.

The Australian Gets the Decision Over Leeds.

# BUT HE COULDN'T KNOCK HIM OUT.

The Twelve Round Bout Was So Closely Contested That the Friends of Each Pu gilist Claimed the Battle for Their Favorite.

CONEY ISLAND, March 5 -- One of the best cards ever put up by the Senside Ath lette einb was that prepared for its patron last night. Young Griffo, the Australian was again to the fore to show his wonder ful skill, and a big crowd came over from Philadelphia to see how Horace Leeds, of Atlantic City, would make out with the antipodean There were fully 4,000 specta tors present. Tim Hurst referred all the bouts, and Bob Stoll was timekeeper. The first bout, betweep Marty McCue and Danny McBride, was awarded to Mc-

Bride at the end of the fifth round. Then Tom Donny, of Australia (who wants to fight Dixon) had a ten round go with Solly Smith, of California. The bout was declared a draw. The fight of the night was then an-

nounced. Horace Leeds was the first to climb through the ropes, accompanied by his seconds, Harry Lawrence, of New York: Bob Anderson, Tom Frey and Shea, all of Atlantic City. Young Griffo followed just about 10 o'clock. His seconds were Paddy Gorman, Mick Dunn and Benny Murphy, of Australia. Griffo looked fat, but in good condition, while Leeds, who was the taller, looked trained to the hour. The bout was to be of twelve

rounds duration, at 133 pounds. Leed looked about the weight, but Griffo seemed to be fully 140 pounds.

Levels led the fighting at the start, but Griffo ducked cloverly. Levels, however, got in the most blows, and at the end of the first round Griffo's mouth was bleed ing. There was very hard fighting through out the battle, and at the end of the eighth round both were bleeding profusely. Fran the efforts were made by both men to ge in a knockout blow, but although the ting was heavy each man retained his feet to the end. Then there were shouts of "Griffe" and counter shouts of "Leeds," but Referee Hurst decided in favor of Griffo.

## Bob Fitzaimmons Will Put Up.

BALTIMORE, March 5,-"My show will disband at the close of our week here, and will start afresh with Martin Julian at the head of it," said Bob Fitzsimmons last night. The withdrawal of Captain Glori, Bob says, will not affect his match with Corbett. "It is my money that is up Glori has \$750 in it. If he wants to leave that there all right. On account of all this trouble, and that I had over the death of Riordan, I have been compelled to ask Mr. Corbett to grant me a little time, and he has done so. My money will be forthcoming, and Glori will have nothing to do with it."

## Costello Had the Best of It.

MONTREAL, March 5. - Five thousand persons witnessed the ten round glove con test between Martin Costello, of Montreal, and Billy Woods, of Denver, Colo., at Solumer park last night Up to the sevouth round honors were about even. In the ninth and tenth rounds Wood asaumed the aggressive and made the fight fairly interesting. Bill Slavin, the ref-erce, declared the contest a draw in favor of Costello.

## Hot Springs' Smallpox Scare

LITTLE LOCK, Ark., March 5.-Dr. R. Jennings, secretary of the state board of health, has returned from Hot Springs He reports that the local physicians have the smallpox under control. There are now forty-seven cases in the pest house sixteen in the city and two outside the city limits. There have been five deaths in the pest house in the city and one outside the city limits.
