THE NEWS GLEANINGS

Chief of Police Thomas Tosh Gets His First Case, and It's a Lively One.

TWO OFFICERS CAPTURED.

WHEN PHILLIPS AND ALEX ENTERED THE HOUSE SOMEBODY LOCKED THE DOOR AND ALEX WAS BEATEN.

Phillips Escaped by Crawling Through a Window and Got Assistance—A Bad Crowd in the Dark.

Chief of Police Tosh got his first case in hand last night and had a pretty lively time. He was called into service by Constable Talliesn Phillips, to help get Special Officer Anthony Alex out of a house in which he was held prisoner and to help arrest the man specified in the warrant the officers held.

Phillips and Alex went to arrest a P-she named John Somanowski, who had smashed window panes in a house in O'Hara's row, near the Lehigh Valley depot. When the officers got into the house somebody locked the door, while others put out all the lights. Phillips succeeded in reaching and crawling through a window, but Alex was pounced upon and terribly beaten.

Having reached the street Phillips ran up town and, meeting Chief of Police Tosh, invoked his assistance. The two went back to the scene of trouble and after considerable parleying succeeded in getting the door open and entered the house. In attempting to light a lamp the officers also found considerable embarrassment. As each match was struck the flame was blown out by somebody in the crowded room, but no more violence was attempted. After securing a light the officers searched for and found the prisoner wanted. He was attired in underclothing and was without shoes. He refused to put on additional clothing and was dragged out of the house. He did not go far when he pleaded to be allowed to return to the house and dress himself properly. His request was granted. While he was putting on his pantaloons he asked his wife to get him a revolver, but before this request could be complied with the officers hustled him off to the lockup barefooted, and without hat or coat.

PERSONAL.

Borough Treasurer-elect T. J. Davies spent yesterday at Reading.

Charles Haskins, of East Coal street, is confined to his bed by illness.

Mrs. Ellis Lewis, of Tamaqua, is a guest of town friends and intends to spend a couple of weeks here.

Daniel E. Brennan, of West Coal street, is suffering from pneumonia and was reported very low today.

Prof. F. Zeltz, by request, play a trombone solo at the charity concert to be given in Ferguson's theatre on the 14th inst.

Borough Solicitor Pomeroy, who has been suffering with a sprained ankle the past two weeks, is still confined to his home, but hopes to be able to leave it next week.

Stole a Watch.

John Prosser, Jr., yesterday called at the residence of Joseph Devine, in the First ward, to see Mr. Devine's son, who had been injured. After Prosser left a watch valued at \$35 was missed. Mr. Devine played the part of a detective and learned that Prosser had offered to sell a watch for \$1 in a club room. He met Prosser on the street and took him to Justice Toomey's office. The young man denied his guilt, but was committed in default of \$500 bail. This morning he admitted that he stole the watch and said he sold it to an East Lloyd street saloonkeeper. The latter denied this and Prosser was taken down to the Pottsville jail.

Beat a Woman.

Magdalena Gustowski, a Polish woman of the First ward, went into the yard of her residence last night to get a pail of water. She met a man known as Ignatz. He was improperly attired and she ordered him away. Ignatz responded by knocking the woman down and beating her. He has not been seen since, although Constable Giblin has made a search for him.

Notice is hereby given to all parties who have left watches at my place for repairs that if they are not called for on or before March 30, 1895, they will be considered forfeited and sold at auction to the highest bidder. BASE BALL.

All The Local Management Needs is a Little Encouragement.

Some people who are apparently disposed to annoy the management of the local State League base ball club have circulated a report that the club has no franchise. This is wholly untrue. Mr. W. J. Brennan holds the franchise and has paid \$100 into the league treasury as a part of the guarantee that the club, or its successor, will play out the season. The balance of the payment will be made on April 1st. These payments go into the reserve fund. Any club that fails to live up to the conditions forfeits the deposit and the money will be divided pro rata among the clubs that finish the season. Mr. Brennan has forwarded seven contracts for the signatures of excellent players and expects to have the full club signed within the next ten days. The report that the club has passed into the hands of Hon. D. D. Phillips and M. J. Lawlor is also incorrect. These gentlemen have been negotiating for the purchase, but nothing definite has been done in the matter. It is said they contemplate establishing grounds close to the Lakeside Electric Railway Company's line at some point between Shenandoah and Mahanoy City, should a deal for the purchase of the franchise be made. Easton and Lebanon are also seeking the franchise, but Manager Brennan says he will not allow it to leave town if any reasonable encouragement is given him. One thing is certain, Mr. Brennan will not release the franchise until he gets a purchase price sufficient at least to clear the unpaid claims incurred last season, which, however, do not amount to very much. If this cannot be secured the old management will play out the season, which begins on May 1st at Allentown, Pottsville, Lancaster and Carbonate. Shenandoah plays its first and second games of the season at Pottsville on May 3rd and 4th and its first and second games at home with Hazleton on May 10th and 11th. The delay in completing the enrollment of the home team is due to some extent to some of the players residing as far west as Indiana and the contracts were only forwarded since the meeting of the League at Allentown last week.

A Vacillating Scribe.

Having been effectually met on his argument that the Secretary of the Borough Council should resign because he received his appointment through the James deal, the vermillion-haired correspondent of the Mahanoy City Record now attempts to draw the HERALD into an argument as to whether Mr. James was its choice in the election of Councilmen. The readers of the HERALD know the stand the paper held during the election and it does not require a stretch of conscience, or the truth, to say that it favored no particular candidate.

Birthday Party.

A birthday party was held last evening at the residence of J. A. Bitler, on South Jardin street, in honor of Elmer R. Bitler. Among the attendants at the festivities were Misses May Williams, Jessie Loucks, Minnie and Bertha Evans, Edna Schurz, Minnie Richards, Emma Davis, Emily Shoemaker, Maud Moyer, Jennie Bitler, Grace Schurz, Pettie Davis and Nettie Moyer, and Samuel Williams, Elwood Davis, Elmer Houser, Harry Moyer, Garfield Jefferson, Charles Higgins, Willie Seltzer and Willie Millichap.

Tonight Mr. McElheny again comes forward and invites the public to visit his popular cafe and enjoy a free lunch put up in the highest style of epicurean art, a lunch that has become a favorite with all lovers of something good to eat, consisting of mock turtle soup. A general invitation is extended and there will be sufficient for everybody.

Grant Lodge No 251, K. of P., of town. The funeral arrangements have not been made.

Head Squeezed.

James Devine, twenty years of age and residing in the First ward, was seriously injured yesterday afternoon at the Indian Ridge colliery shaft, where he is employed as bottom-man. His head was squeezed between bumpers while he was in the act of making a coupling. Dr. Hamilton put seven stitches in the right ear. The injuries are not considered dangerous.

THE BOARD OF HEALTH Best and Finest

Proceedings at the Regular Meeting of the Organization Held Last Evening.

COMPLAINTS PRESENTED!

HEALTH OFFICER MILES LOCATES UNSAFE BUILDINGS ON WEST COAL STREET.

Constable Phillips Also Complains. Senator Coyle Places Himself on Record in Favor of Local Boards of Health.

A regular meeting of the Board of Health was held last evening in the Council chamber with Messrs. Malone, Miles and Spalding in attendance. The board listened attentively to statements by the Health Officer and Constable Talliesn Phillips regarding the sanitary condition of some parts of the town and with much gratification accepted and filed a communication from Senator Coyle, in which that gentleman placed himself on record as favoring Boards of Health.

The epidemic committee reported one case of diphtheria, one of typhoid fever and twenty-four deaths since the last meeting.

Health Officer Miles stated that a building on West Coal street owned by Messrs. Jones and Hughes is in a dangerous condition owing to a part of the wall falling in. As the board has jurisdiction in case where buildings in themselves are dangerous to the lives of people, as well as as when they are dangerous because of contagious diseases, action will be taken if the wall is not repaired at once.

Constable Talliesn Phillips complained of an ash bin on Market alley, between Lloyd and Centre streets. The board decided that it would be impossible to force people to clean up until the frost has left the ground, but referred the matter to the Health Officer, who is to consult with the Chief Burgess on the question as to whether the bin encroaches on the sidewalk of the alley.

The secretary read a communication from Senator Coyle, stating that he would oppose any measure that would lessen the efficiency of local Boards of Health. This was an answer to an appeal sent Senator Coyle to oppose the proposed amendment to the Board of Health laws providing for the abolishment of Boards of Health in boroughs and conferring the powers upon the sanitary committees of Council.

Elegant free lunch at McElheny's tonight.

"The Pay Train."

The management of Ferguson's theatre announces one of the best attractions of the season for Friday evening, March 15, when the universal favorite, Florence Bindley, will give a massive production of her realistic comedy drama, "The Pay Train." Incidental to the play Miss Bindley will introduce her songs, dances and solos on the autoharp, xylophone, sleigh bells and musical glasses. The end of the third act is the great railroad scene in which a full train of cars crosses the stage at full speed and are uncoupled in full view of the audience. The pay car is at once lit up with electricity and action shown in the car. This feat is original with, and accomplished only by, this company. It cannot be fully described so as to do it justice, and must be seen.

"No Files on This."

Such was the general opinion of the large crowd that put the clam chowder out of sight at the Scheilly House last night, and upon the request of numerous friends we will be prepared to night with a liberal and sufficient supply of clam fritters for the trade and public in general. Call early. All are welcome. Scheilly House.

Local News Gleanings Condensed for Hasty Perusal.

Stop complaining. Get down to business. See that your premises are cleaned. Remove the snow from your pavement. Crying over spilt milk won't help matters.

The majority of the alleys are nothing but manure yards. Don't throw the slops on the streets or alleys. It is a dangerous practice.

The Board of Health will find plenty to do, if the members are so disposed. Come, Mr. Chief Burgess, or whoever is charged with the business, see that the ordinances relating to throwing of water, slops, etc., on the streets and alleys, and for keeping the gutters and pavements clean, are enforced.

Concerning Tamaqua.

Council has abolished the office of Borough Solicitor.

Water troughs are not to be permitted in the borough.

The Recorder favors the idea that the borough should annex itself to the new county.

Reporters of newspapers are hereafter to be excluded from the meetings of the Council.

The High Constable gets the munificent salary of \$50 per month and has to furnish a bond of \$500.

March, April, May.

March, April and May are the arches of a bridge which bind the season of ice to that of roses. Therefore, the spring is a trying time for the average person. The system at this season needs cleansing; remove the impurities from the blood, and you will be able to battle with the coming seasons in perfect health. Dr. David Kennedy's Favorite Remedy, more than any other medicine, will do this for you. It will purify the blood, dispel that worn out feeling, make you sleep and eat well. It is prescribed by physicians for just this purpose. Druggists sell it for \$1 a bottle.
