## REMARKABLE WRECK.

An Accident to a Lehigh Valley Train While Going at a Rapid Speed.

## THREE CARS DERAILED!

TWO OF THEM WERE TOPPLED OVER AN EMBANKMENT A DISTANCE OF THIRTY FEET.

Yet Not One of the Fifty Passengers Was Killed and None Were Dangerously Injured—A Car Wheel Broke.

A most remarkable accident occurred on the Lehigh Valley railroad, between Hazleton and Lofty, shortly after six o'clock last evening. Notwithstanding there were about fifty passengers on the train that figured in the accident and two of the cars went over the thirty-foot embankment, no one was killed or dangerously injured.

The train was No. 25, Cal. Gouldner conductor, and drawn by engine No. 288, in charge of Engineer William Arner. It was bound from Wilkes Barre and due here at 8:25.

The train, which was composed of three cars and engine, was running at a fast rate of speed when a wheel of the front truck of the middle coach broke. This coach was stopped with a great shock and thrown crosswise upon the track. It pulled the front coach from the engine, breaking the coupling, and it went tumbling over the thirty-foot embankment to the left of the track. The rear car went over the embankment to the right of the track. Engineer Arner ran his locomotive for some distance. He did not know the exact nature of the accident. He knew the coupling of the first car had parted and kept his engine on the run so that the cars would not run into it. When he saw the cars were not following he went back to the wreck.

Notwithstanding the awful shock and the tumbling of two of the cars none of the fifty or more passengers were injured to an extent to cause fear of fatal results. Mr. and Mrs. J. P. Welsh, of Bloomsburg, and Miss Francis Petrkin, a nurse, were about the worst injured, but it is said they will be fully recovered within a few days. Mrs. Welsh was injured around the hips by being pinned under pieces of the wreck. These three were taken to Pottsville. They were bound for that place with the intention of leaving for Philadelphia this morning.

The remainder of the injured were taken to Lofty and received attendance from a medical and relief force sent there from Delano.

Among the victims was a little girl who received a blow on the chest from a water cooler that was thrown from its fastening. The child received a serious crush, but will recover. A Polish passenger having no arms had a miraculous escape. He was found pinned under the wreckage on the track, but uninjured. None of the passengers were bound for Shenandoah.

Conductor Gouldner was collecting tickets and had just stepped from the second to the third car when the accident happened. He received a crushing about the ribs and was badly scratched, yet he was able to assist in removing and relieving the rest of the injured.

A train was made up to take the passengers who were able to continue their travels and it passed westward through town at 12:45 o'clock this morning. Up to noon today all trains bound from Delano to Hazleton were run via the Black Creek Junction route. Shortly after noon the wreckage was cleared away and the Lofty line was re-opened.

He preached there several weeks ago and the congregation was very much pleased with him.

## WE WILL HAVE A CLUB.

Shenandoah Will be in the Field for the State League Championship.

## THIRTEEN PLAYERS SIGNED

AMONG THEM IS M'COACH, WHO WAS ONE OF THE LATE KING KELLY'S STAR PLAYERS.

There Will be Fourteen Men on the Home Team—They Come From the East, West North and South. List of Players Signed.

The base ball season of 1895 will not go by default in Shenandoah, after all. Manager W. S. Brennan today announced that his team is complete with the exception of one player, and he will be secured within a day or two.

Mr. Brennan says it has been decided that the State League franchise shall remain in Shenandoah and arrangements have been made to give the people of the town the best season of base ball they have ever had. The club will have fourteen players, of which thirteen have already been signed, among them McCoach, of last year's Allentown team.

A review of the list of the players signed seems to confirm Mr. Brennan's statement as to the quality of base ball the home club will put up this year. The players signed are William Ford, Augusta, Ga., Edward Rafferty, New York, Jack Brennan, New Haven, Conn., catchers; W. W. Severs, Portsmouth, Ohio, William McCoach, Chester, Pa., Tim Nevins, Columbus, Ohio, pitchers; John F. Roach, Syracuse, N. Y., 1st base; Jack Merriman, Philadelphia, 2nd base; John J. McGarvin, Scranton, 3rd base; John Switzer, Harrisburg, short stop; George Gill, Philadelphia, left fielder; George Harney, Georgetown College, Washington, D. C., center fielder; and George Barclay, Milton, right fielder. David Kelly has been appointed sub-manager.

Manager Brennan has an option on a number of other players who are now in the South with some of the National League clubs and expects to select his fourteenth man from among them. He has his eye on Nice and Tighe, of last year's Pottsville team. Nice is at present practicing with the Boston, but it is said he will be dropped by that club before the season opens. Some of the players on the home team are signed for salaries running as high as \$145 a month.

Titman and his sister, Mrs. M. L. Shoemaker.

## Mandamus Granted.

M. M. Burke, Esq., today secured a mandamus from the court at Pottsville requiring the Borough of Shenandoah to show cause why the Boyer judgment should not be paid. Mr. Hoppeter's son, Artie, recently purchased a drug store in the city and in making the purchase was obliged to take possession of a large building, which is to be vacated by the present occupants, and Mr. Hoppeter's family has decided to occupy it. Mrs. Hoppeter have been one of the most indefatigable charitable and temperance workers of this town for several years and her departure will be deeply regretted, especially by the members and friends of the W. ## A Good Sale.

The public horse sale held by William Nelwander, on North Main street, yesterday, was a good one. Many horsemen from distant points were in attendance and at times the bidding was spirited. One fine team of blacks brought \$300. Mr. Nelwander sold nearly the entire stock and quit the sale several hundred dollars richer than he was when it started. The most lively bidders were several Polish and Lithuanian business men. These people are great admirers of good horse flesh, and if they take a liking to an animal will not let it slip through their hands for the sake of an extra bid or two. The \$300 team was bought by one of them. Mr. Nelwander is negotiating for another car load of Western horses and will have a sale next week.
