HIS FAMILY HAS ABANDONED HOPE.

Should a Vacancy Occur a Democrat Will Become Governor-It Is Feared That Governor Marvil's Son and Business Associate Is Also Near Death.

LAUREL, Del., March 19.-Governor Marvil's death seems now to be but a question of a few days, perhaps hours. The mem-bers of his family have given up all hope, and it is conceded that nothing but the sick man's indomitable will keeps him alive. The change for the worse made its appearance yesterday morning, when it became necessary to perform an operation for the purpose of relieving the heart from a dropsical accumulation, and since that time the governor has been very weak. Dallas Marvil, the governor's partner and only son, has also grown much worse, and it is not believed that he will survive the parent, to whom he is devotedly attached. In the event of Governor Marvil's death he will be succeeded by a political oppo-

Was ganization of that body, and by virtue of that position succeeds to the governorship in case of a vacancy by death or resigna-tion. This would necessitate a new elec-tion for senator in Kent county, and would precipitate a lively struggle, for should a Republican be elected to succeed Mr. Watson it will give the Republicans control of both branches of the legislature. Such election, too, would bring about a lively party struggle between the friends of Higgins and Addicks, the leading Republican candidates for the United States senatorship. The gain of a vote for either Higgins or Addicks, however, would not necessarily settle the long senatorial deadlock, as the friends of the different candidates are as far apart as when the contest begun. The vote taken yester-day resulted: Higgins (Rep.), 6; Addicks (Rep.), 6; Massey (Rep.),4; Wolcott (Dem.), 6; Bayard (Dem.), 3.

Ezeta's Supporters Executed.

SAN FRANCISCO, March 19.-General Anonio Ezeta, who is safely housed in a comfortable hotel here, announces that a new ebellion in his interest has taken place in San Salvador. The last steamer from the south brought a letter to Ezeta stating that on Feb. 1 last President Gutierrez unearthed a conspiracy that had been hatched for the purpose of reinstating Ezeta as head of the government of San Salvador. Under Gutlerrer's orders all of the leading conspirators were shot. Among them were Colonels Barrios and Salgedo and Captain Maguild. The chief of police vas also immediately shot. All the prisaners who were jalled since the last upris-ing were ordered to be hanged, and Ezeta believed that by this time the order has been executed.
