

In Each City, Town and Smallest Village

Paine's Celery Compound is Making People Well.

its Wide Use Today Over Three Continents.

'Tis the One Undisputed Remedy That Cures.

Ordered by Physicians Wherever One Practices.

Wherever the English language is spoken and English newspapers and medical journals are read, there you will find Paine's celery compound is ordered for all forms of weakness.

At home, as well as abroad, throughout the United States, in every state, city and village the one undisputed, strongly commended, unfailing remedy for the spring is Paine's celery compound.

As a nerve strengthener and regulator, blood purifier and bodily invigorator there is nothing that bears any relation or at all resembles or in any measure equals Paine's celery compound.

It stands by itself, unrelated to any sarsaparilla, nerving or tonic the world has ever known, and as far superior to them as the diamond is to ordinary glass. Its discovery by Prof. Edward E. Phelps, M. D., LL. D., in the laboratory of Dartmouth medical school was as noteworthy an event in medicine, as the wonderful cures it has effected have been remarkable.

Where everything else fails, Paine's celery compound cures! Try it!

When you want good roofing, plumbing, gas fitting, or general tin-smithing done call on E. F. Gallagher, 18 West Centre street. Dealer in stoves. 34-tf

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Syrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, soothe the throat, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by Gruhler Bros.

COUNCIL COMMITTEES.

What the County Papers Say About Shenandoah Councilmen.

The true story about the Citizen Councilmen of Shenandoah is that they will not refuse to serve on any committees, except those on which the Third ward member, D. R. James, may be placed, or any committee which has the smell of the deal about it. In this they are justified, at least they will be excused from any such disagreeable duty by the court and should be by Mr. President McGuire.—Miners' Journal.

Council will certainly have a full house next Thursday evening as it is certain that the chairman will announce his committees, and if the Citizen members stick to their resolutions there will be a few resignations and refusals to serve as chairman of any committee. They think by so doing that the President will not be able to find enough competent men to take hold of the important committees to run them successfully. If any refuse to serve then the President will take the matter into court and see if they cannot be compelled to either serve, or resign from Council.—Mahanoy City Record.

In Shenandoah, like many other places, there are queer men in public positions. Now just because the Democrats captured the organization of the Borough Council in that place and elected a Democratic president or chairman, as they call it there, the Citizen members (or plain every day Republicans, as they really are) have taken to the dumps and are playing the baby act. They have given out that they won't serve on any committees President McGuire places them on and also together are acting like a parcel of half washed school children who are mad because the teacher won't let them have their own way with everything. It won't last long, however, for as soon as they find out they can be made to serve or resign, do or die, as it were, they will acquiesce in the way things will be fixed for them and go in to do their little duty. It has never yet been ascertained how old a man must be before he gets horse sense. Certainly one would think that a few of the oldest of the so-called Citizen members who have served in Council so long, such as Gus Gable and Tom James and one or two others, are not going to pout and say they will have it all their own way or they won't play? They are too sensible for that.—Pottsville Chronicle.

"I was completely covered with sores. Every muscle in my body ached. Had been sick for five years. Doctors could do me no good. Most of my time was spent in bed; was a complete wreck. Burdock Blood Bitters have completely cured me in three months." Mrs. Annie Zoepen, Crooktown, Minn.

Carpenters are getting ready to commence building operations.

The Health Officer made a start yesterday by notifying the owner of a glaring nuisance, right in the heart of the town, which he had maintained throughout the winter.

The Legislature, some years ago, did an unwise thing in repealing the office of Sealer of Weights and Measures. There is wholesale cheating going on in some of the business places in town by short weight and measure.

To Down Spooks.

A wealthy bachelor declared that a horrid hag had glared at him through the night. His friends laughed at him but he insisted that the house was haunted. He grew ill, complaining of extreme heaviness in the stomach, his appetite failed, he grew sallow, emaciated and despondent, believing he was going to die, the spook being a warning, and declared he could hear funeral bells ringing in his ears, and even hinted at suicide. A friend induced him to use Dr. Pierce's Golden Medical Discovery, and he rapidly grew well, spooks and all his distressing symptoms disappearing. A torpid liver and dyspepsia caused his suffering, and the medicine cured both. A pamphlet free or a large Book, on Liver and Stomach diseases and how to cure them (36 pages) for 6 cents in stamps. Address World's Dispensary Medical Association, Buffalo, N. Y.

County Auditor Doyle's testimony in the Hartman case was not at all pleasing to the "reformers."

The Miners' Journal has started a guessing scheme, and will divide \$100 among four lucky guessers.

Ex-Congressman Reilly expects an early commencement on the new government building in Pottsville. It will be finished in time for a Republican postmaster.

Editor Joyce, of the Mahanoy City American, does not seem to care if he is hauled up before the Supreme Court for contempt. He is as independent as a hog on ice.

The James, Barron and Hartman ballot printing case has gone over to the May term of Court owing to the illness of Commissioner Rentz.

It is said Tamaqua may not, after all, erect its own electric light plant, owing to the failure of that in St. Clair and other places. At the last spring election that town voted \$20,000 for this purpose.

If the jury gives Messrs. James, Barron and Hartman, of Ashland, judgment in their \$5,000 election ticket printing case, it will be a very dear speculation for the county. The commissioners have already paid \$1,000 for the job.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Gruhler Bros.

Weak Nerves

Indicate as surely as any physical symptom shows anything, that the organs and tissues of the body are not satisfied with their nourishment.

They draw their sustenance from the blood, and if the blood is thin, impure or insufficient, they are in a state of revolt. Their complaints are made to the brain, the king of the body, through the nervous system, and the result of the general dissatisfaction is what we call Nervousness.

This is a concise, reasonable explanation of the whole matter. The cure for Nervousness, then, is simple. Purify and enrich your blood by taking Hood's Sarsaparilla, and the nerves, tissues and organs will have the healthful nourishment they crave. Nervousness and Weakness will then give way to strength and health.

That this is not theory but fact is proven by the voluntary statements of thousands cured by Hood's Sarsaparilla. Read the next column.

HOOD'S Sarsaparilla

"With pleasure I will state that Hood's Sarsaparilla has helped me wonderfully. For several months I could not lie down to sleep on account of heart trouble and also

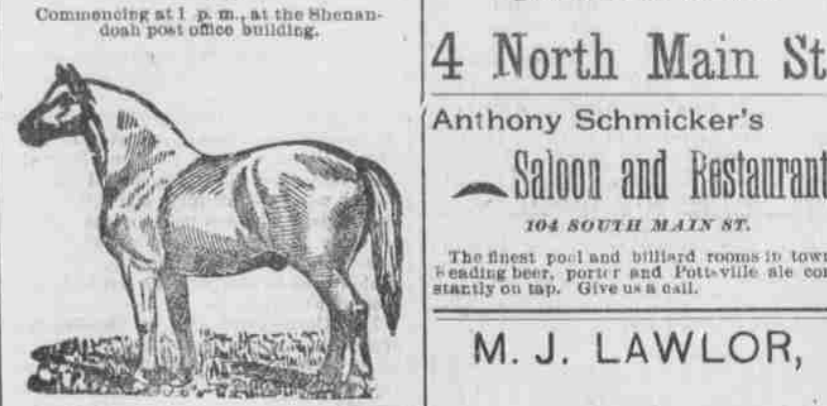

Prostration of the Nerves. For three years I had been doctoring, but could not get cured. I received relief for a while, but not permanent. Soon after beginning to take Hood's Sarsaparilla there was a change for the better. In a short time I was feeling splendidly. I now rest well and am able to do work of whatever kind. If I had not tried Hood's Sarsaparilla I do not know what would have become of me. I keep it in my house all the time, and other members of the family take it, and all say there is

Nothing Like Hood's Sarsaparilla. I have highly recommended it and one of my neighbors has commenced taking it. I recommend Hood's Sarsaparilla at every opportunity." Mrs. S. BRADDOCK, 404 Erie Av., Williamsport, Pennsylvania. Be sure to get
