THE BOROUGH COUNCIL

Notes of Proceedings at a Regular Meeting That Was Held Last Evening.

THE COMMITTEES NAMED.

PRESIDENT M'GUIRE RELIEVES HIMSELF OF THE DIFFICULT TASK IN A DIPLOMATIC MANNER.

All Sides Agree That the Appointments Have Been Excellently Arranged. Chief Burgess Burns Names the Special Police Force.

A regular meeting of the Borough Council was held last evening. A large number of citizens were in attendance, evidently prompted by curiosity and a desire to hear President McGuire announce his committees for the fiscal year and see what effect the announcement would have upon some of the members. Some anticipated that the announcements would occasion a lively discussion, but in this they were disappointed. President McGuire's diplomacy and executive ability again asserted itself and he discharged the responsibility of making the appointments with a tact that left no room for objection from any part of the Council chamber. In fact, both the Citizen and Democratic members concurred in the opinion that it would be impossible to make a more skillful arrangement of the list.

Just before the announcement was made Mr. T. J. James arose and said he had a statement to make. He said, "Our town papers have been misrepresenting a portion of the members of this Council. Among other things they have said during the week, and have given it a wide circulation as possible, that the Citizen members of Council would positively refuse to serve as members of the committees of this organization. I think I voice the sentiments of the Citizen members of this Council by saying it was never their intention to take action of that kind, but I believe I can understand the object. You can see it sticking out pretty thick on its face, and I think it is a cowardly way to accomplish the desired end. I have nothing further to say, and no favors to ask."

President McGuire said, "I have not been influenced by anything of that kind. I will expect the Citizen members to act as I have appointed them. I will announce the committees."

The president then made his announcements as follows:

Roads and Highways—Kane, McElhenry, Dougherty.

Finance—T. J. James, Meluskey, Magargle.

Fire Apparatus—Gable, Hand, Rees. Lamp and Watch—D. R. James, Kerns, Gaffigan.

Survey—Hand, Straughn, Boehm. Ordinance—Dougherty, D. R. James, Hand.

Flues—Kerns, Rees, Magargle. Construction—Gaffigan, Gable, McElhenry.

Room and Stationery—Meluskey, D. R. James, Kane.

Law—Straughn, Boehm, T. J. James. Sanitary—Boehm, Kane, Dougherty.

Water—Meluskey, Kane, T. J. James, Gable, Straughn, Hand, Gaffigan, McElhenry.

Chief Burgess Burns announced his appointment of the following list of special police for the year and the appointments were approved: First ward—John Reilly, Patrick Brennan, James Morris, Michael Carley, John Kendrick, Martin Mullahy, Michael Saba, Joseph Mandour, Morgan Wosiewicz, William Sadosky, Enoch Decker, George Lambert. Second ward—John Burns, George Holvey, Edward Kester, Patrick Lofton, Henry Goodman, William Delowry, Timothy Lynch, Charles Putsinsky. Third ward—Jacob H. Kester, John Lukowich, John Burns, Thomas Dalton, G. Hess, William Mitchell, Frank Cunningham, Michael Needham, Henry Hekelman, David T. Williams, Thomas E. Jones, Mat. T. Blazis. Fourth ward—Thomas Grant, Anthony Markovky, William Morgan, Peter Ringelner, William Powell, Edward Retchford, Adam Schmidt, John H. Jones. Fifth ward—Edward Devers, William Louder, Mur. Durkin, Abs. Green, Michael Hughes, Rees Thomas, Charles Whycoles, William Baltzer, Peter Harkins.

A bill for damages to a wagon and harness belonging to Lawrence Little, incurred by reason of the improper condition of West Coal street, was reported upon the committee on roads and highways, who stated that the Schuylkill Traction Company was responsible for the condition of the street and should pay the bill. The secretary was directed to notify the company to that effect.

Messrs. Meluskey and McElhenry made a report on their visit to the Davis' Run reservoir. They stated that temporary repairs had been made so that there can be no immediate danger and that the responsibility for the break in the breast-work resided upon the party who built the wing wall.

Borough Treasurer T. J. Davies presented his bond in the penal sum of

\$50,000. It was approved and ordered filed with the proper officer.

Before Council adjourned President McGuire instructed the water committee to get to work on the town lines as soon as possible and have them tested. He also instructed the committee to visit and inspect the reservoir at Fowler's Run.

CONTINUED SUCCESS.

MR. JAMES AND THE LEAGUE

THE CASE FINALLY CONSIDERED AND DISPOSED OF AT A MEETING HELD LAST EVENING.

Other Matters of Moment Which the Reporters Have Selected for the Information and Benefit of the Reading Public.

The Shenandoah Republican League held a regular meeting last night. The session was a brief one and the only important business transacted was the consideration of the case of David R. James, who was charged at the previous meeting of the League with conduct unbecoming a gentleman and tending to injure the character and welfare of the organization.

Mr. James was not in attendance, but placed before the League a typewritten communication in which he demanded a specification of the charges made against him, so that he might be informed as to what part of his conduct as a member had been ungentlemanly. There was not much discussion on the matter and the communication was disregarded, a motion to drop Mr. James' name from the roll prevailing.
