

Tired, Weak, Nervous Could Not Sleep.

Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I suffered from brain fatigue, mental depression, etc. I became so weak and nervous that I could not sleep, I would rise tired, discouraged and blue. I began taking

Dr. Miles' Nervine and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit.

It Cures." Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 25c per bottle, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

ROBBED OF THEIR ALL.

Venerable Couple Brutally Treated by Masked Fiends.

BOTH BADLY BEATEN AND BURNED

The Old Lady Will Probably Die from the Effects of the Shock and Torture—The Robbers Secured Six Hundred Dollars and Thirty Cents.

BRADFORD, Pa., March 22.—Wednesday night at Palmer's Mills, a lonely spot on Marvine creek, an aged couple were tortured and robbed by masked men, the robbers securing over \$600. The couple, Mr. and Mrs. Merritt Childs, who are over 70 years of age, were about to retire when a knock came at the door. The old lady answered the summons and was met by a flow of the blood, which fell her to the floor. The husband, who came to her assistance, was similarly treated, and three masked men entered the house. The husband and wife were then bound and gagged, while the robbers ransacked the house, finding \$500.

This did not satisfy them, and Mrs. Childs was asked to tell where the balance of the money was hidden. She refused to divulge the information, whereupon the fiends bared her feet and pressed them against the red hot stove. She stood the torture until her feet were very badly burned, and then made known the place where another \$100 was secured.

This experiment encouraged the robbers, and the old couple were put through the torture again for the purpose of extorting more money. As that remained at the savings of the husband and wife was thirty dollars. This was then secured by the men, and Mr. and Mrs. Childs were again bound and gagged and left to their fate. They were discovered yesterday by neighbors in a pitiable plight.

Mrs. Childs will probably die from the effects of the shock and torture, but the old gentleman will recover.

Three suspects are being hunted by officers. If captured they will have to be well guarded, as the feeling against them is very bitter in the neighborhood.

Walking Delegates Defeated.

NEW YORK, March 22.—The strike of the electrical workers, which has been holding in this city for some weeks, has come to an end. The result is a complete success for the Electrical Contractors' association and an overwhelming defeat for the boards of walking delegates of the various trade unions who have been conducting it. The settlement was brought about through the mediation of the New York counsel of mediation and conciliation, of which Bishop Potter is the head. A committee of the mason builders was also active in the settling of the difficulties.

Carpenters Fatally Injured.

WILLIAMSPORT, Pa., March 22.—While eight carpenters were putting in place a heavy stringer at the wire rope factory, in the western part of the city, a stringer on the other side of the building gave way, the roof collapsed and the men were thrown to the ground, a distance of twelve feet. George Stephenson died last night, and it is thought that James Frye was fatally injured. The others were badly bruised.

A Mob Liberates Prisoners.
