"Rock Me to Sleep, Mother."

The poem, "Rock Me to Sleep, Mother," was written by Elizabeth Akers Allen, known to her friends as "Florence Percy." It is a general favorite for it is a sweet little touch of home life. But there is another side to the picture. Many a mother rocks her child to sleep who can neither rest nor sleep herself. She is always tired, has an everlasting headache, is low spirited, weary, nervous and all that. Thanks be, she can be cured. Dr. Pierce's Favorite Prescription will do the work. There is nothing on earth like it for the "complaints" to which the sex are liable. Once used, it is always in favor.

Dr. Pierce's Pellets are specific for biliousness, headaches, constipation, piles, and kindred ailments.

Notice to Subscribers.

Subscribers to the EVENING HERALD who are not receiving their paper regularly and people who wish to receive the paper as new subscribers, are requested to leave their addresses at Hooks & Brown's stationery store, on North Main street.

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from a carelessness about catching cold," says Dr. Syrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, all expectoration, open the secretions and most effect a permanent cure. 25 and 50 cent bottles for sale by Grubler Bros.

At last the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Grubler Bros.

Alisa's Victory Annulled.

NICE, March 25.—In the race here yesterday for small crafts the new French boat, Lualaba II, owned by M. Louis Vilton, again defeated Mr. Henry Allen's American built Dakota. Light airs and calm prevailed throughout the racing. Saturday's race between the big cutters Alisa, Britannia and Valkyrie I, which Alisa won by about three miles over a thirty mile course, has been annulled by the racing committee. The committee decided that both Alisa and Britannia crossed the line before the firing of the starting gun. Valkyrie was disqualified for not carrying side lights after dark.

Yesterday Beverly Blake swore out a warrant for the arrest of John Ringo, colored, who is their father, claiming that he had disposed of them by foul means. Blake, who is a former lover of Ringo's wife, claims he can prove the children were murdered and thrown into the Ohio river. Ringo is now in jail.

Rare Stamps Unearthed.

A number of other valuable stamps were discovered in the same trunk, among them being a Columbus, Ga., issue, which may turn out to be as big a find as the Uniontown one.

A Cruel Report Contradicted.

WHEELING, W. Va., March 25.—A dispatch was sent out to several papers Saturday night to the effect that ex-United States Marshal Hagerty, and city treasurer of Mannington, had shot himself in the head on being confronted with a charge of embezzlement. The fact is that Mr. Hagerty shot himself while in a delirium during an attack of grip. He is not known to have been short in his accounts. Mr. Hagerty died soon after the shooting.

TOWN TATTLE.

Pertinent Comment by the "Herald's" Regular Contributor.

The prospects appear bright for the final passage of the bills introduced by Senator Coyle, changing the manner of selecting borough officials. Under these acts Borough Treasurers, Supervisors and Town Clerks will be elected by the people, instead of as at present by Borough Councils. From remarks made by many of our citizens, it appears that the Senator has struck a popular chord. A majority of the Councilmen, I understand, favor the change, and hope something will be done to take the remainder of the appointments out of the hands of Council.

It is a difficult matter to please all your friends and relatives, and the Councilman who falls in this respect gets a severe "pounding," metaphorically speaking, from which he scarcely recovers before the time for the next reorganization comes around. The passage of the bills in question will be a great relief to those now or may hereafter hold the position of Councilman. Warm friendships have been severed and much bad feeling engendered in the past by the failure to satisfy applicants. In conversation with many of our leading citizens I find but one opinion, and that is the hope that the Coyle bills would pass and become laws before the next spring election.

The terms of the officers, under the requirements of the act, will be for three years. This will prove an incentive for the election of desirable citizens to the respective positions, and ultimately result in a better class of officials. The Borough Treasurer, who is now appointed by Council, holds the office for only one year and must go to the trouble of securing a large bond for the small salary attached to the position. To do so once in every three years would no doubt prove more congenial.

Another, and the most important result of the change, will be in giving the borough a better class of Councilmen. As there will be no offices to give away, and no salary attached to the position, there will hardly be such a scramble as heretofore for the position of Councilman, and the position will be given to men who want to serve for the borough's good and not for their friends and relatives' sake. I do not wish to make it appear that such men are not now in Council. Far from it; for I am certain there are members of that body who are there for the public good, and are willing to do anything to bring about reforms. With the spoils system eradicated from Council party lines need not be drawn.

Lehigh Valley Clerks Buncoed.

About 25 of the clerks employed in the Lehigh Valley offices at Bethlehem recently gave orders to a stranger for rubber coats, advancing \$2 on each order. One man wanted an elaborate design and forked over \$6. The glib-tongued individual gave a certain New York city address. The clerks waited a reasonable time, and as the coats were not forthcoming a letter sent to the New York address revealed the fact that the order business was a myth. The game is an old one, but it is worked successfully.
