A PRETTY WEDDING.

Miss Maggie Shaffer, of Town, and Mr. George Powick, of Wilmington, Delaware.

MARRIED THIS MORNING.

THE CEREMONY TOOK PLACE IN THE ELABORATELY DECORATED RESIDENCE OF THE BRIDE'S PARENTS.

A Number of Guests Were in Attendance and Joined in the Wedding Breakfast That Followed. Numerous Presents.

Miss Maggie Shaffer, daughter of Henry Shaffer, manager of Keiter's store, and Mr. George Powick, of Wilmington, Del., were united in marriage at the residence of the bride's parents on North Main street, at ten o'clock this morning. Rev. William Powick, brother of the groom, officiating. Although the formality of the attendance of bridesmaids and groomsmen was dispensed with the arrangements for the wedding were elaborate and many friends were in attendance. The ceremony took place in the parlor of the residence, which was beautifully decorated with plants and flowers of many descriptions. An elaborate breakfast was served immediately after the ceremony and Mr. and Mrs. Powick left town for Wilmington on the noon Pennsylvania railroad train.

Among the guests at the wedding were Mr. and Mrs. B. F. Crawshaw, of Washington, D. C.; Mr. and Mrs. Charles Breckons, St. Clair; Mr. and Mrs. J. S. Moore and daughter, Elizabeth, Delano; Misses Corinne Tobias, Donaldson; Emma Gwinner, Centralia; Jennie Warren, St. Clair; Jennie Christian, Wilmington, Del.; Mrs. W. Rhoads, St. Clair; Misses Anna M. Dengler, Sallie Beacham, P. Parry, Shenandoah; Mrs. W. E. Bingham, Shenandoah; Rev. and Mrs. J. S. Kistler, Manayunk; Dr. and Mrs. W. T. J. Broughall, and Mrs. Daniel Bedes, Mr. and Mrs. J. M. Broughall, Messrs. Wilson V. T. R. Edwards, J. J. Price, John L. Jenick and John Kincaid, Shenandoah; and Master Wilmer and Carrie Mary Powick, Manayunk. Among the many gifts were the following: A table, three elegant parlor lamps with onyx tables, fancy chairs and rocking chair; silver bread tray, oak dishes, jug, teapot, berry spoons, and dozens of spoons, prongs, etc.; china bread plate, celery tray, cracker jar, olive dish and numerous other articles in china ware; cut glass knife and fork holder, peppers, salts, olive dishes, lemonade sets, etc. There was also a superabundance of table and other linens.

Mrs. Powick was one of the most amiable young ladies of the town and as a chaperon was not excelled. In this she had few equals. For twelve years she was a worker in the infant department of the Methodist Episcopal Sunday school. This department numbers from 100 to 120 pupils and is considered one of the training departments of the school. For two years Miss Shaffer has had charge of about 75 children in the church, the class being known as the young people's class. It has accomplished much good work.

The bridegroom, Mr. George Powick, is a brother of Rev. William Powick, late of this place and now of Manayunk, and is a respected citizen of Wilmington, Del. He is a cabinet maker by trade and at present foreman for a piano manufacturing firm.

The Show Last Night.

The Clair Patee Company gave another one of their excellent performances at Ferguson's theatre last evening in the presentation of "Infatuation," an extended criticism of which we gave last week. The company introduced a new and decidedly artistic feature in Miss Lillian Eugenia Mitchinson, the lady violin soloist. She is indeed a musical artiste of the highest order, and received repeated encores for her charming selections. The company left for Mahanoy City this morning where they play the balance of the week. We take exceptional pleasure in recommending this organization to our neighbors; they will find their plays of a superior order, artistically rendered by a capable company of estimable ladies and gentlemen.

The Special Police.

The special police recently appointed by Chief Burgess Burns met and organized in the Council chamber last night. The following officers were elected: Captain, John J. Kelly; First Lieutenant, Michael J. Curley; Second, Edward Kester; Third, David T. Williams; Fourth, Peter Ringelsier; Fifth, Abe Green. B. G. Hess was the chairman of the meeting and Martin Mulahy secretary.

Died.

Through his counsel, M. M. Burke, Esq., Luke Keenan, of West Lloyd street, yesterday commenced an action of ejectment against his neighbor, ex-Councilman Thomas Van Dusen. Statement.

In some unexplainable manner a personal to the effect that Mrs. Oscar Yost had given birth to a son crept into the HERALD's personal column yesterday. The best explanation at hand is that Mrs. Yost's name was confounded with that of Mrs. Oscar Kehler, who recently gave birth to a fine boy.

TO RELIEVE THE POOR

Arrangements for the Charity Concert to be Held in Ferguson's Theatre This Evening.

PEOPLE TO TAKE PART IN IT

PRECAUTION TAKEN FOR A PROPER DISTRIBUTION OF THE FUNDS THAT WILL BE REALIZED.

A Relief Committee Will Issue Orders for Relief on Certificates Issued by the Committees of the Parishes.

Tonight the much talked of charity concert will be held in Ferguson's theatre and it is expected the affair will be well attended, as the advance sale of tickets is large. The object of the concert is to raise funds for the relief of the deserving poor of the town and, as the cold weather and hard times are still with us, the committee will no doubt find many places where the funds can be placed with good results.

There have been a number of inquiries as to who will be responsible for a proper distribution of the money that will be realized on the concert and the HERALD is authorized to state that the general committee has appointed a sub-committee, or relief committee, that will meet twice a week at the residence of Superintendent J. J. Bradigan to issue orders to such applicants as may be found worthy of relief.

This committee is composed of the following gentlemen: Dr. D. W. Straub, president; P. J. Gaughan, secretary; Philip Bitman, Charles Radziewicz and C. E. Tiltman. They will meet twice a week while the funds last and issue orders for food, clothing and footwear, as the condition of the applicants may demand; and the orders will be filled by merchants to be designated by the committee upon presentation by those receiving them. In no case will cash be given, so that there will be no possibility of the funds being turned from the channel for which they are intended, at least not while the committee can exercise any control, and all merchants are cautioned not to give any cash on orders. This precaution is taken as an offset to people who may secure orders for food, or clothing, or both, and then try to sell them in order to secure money for drink. It is hoped all the merchants will co-operate with the committee in this connection and not be induced to cash any order by an offer of sale at less than the face value.

The committee has also taken all precautions possible to see that only the worthy poor of the town are relieved and to that end has requested each church in the town to have a parish committee of two, or more, members appointed to certify to the worthiness of applicants for relief. Each applicant will be required to present a certificate from the parish committee before an order for relief can be secured. These certificates will set forth the needs of the applicants.

Prof. F. Zeitz will be conductor of the concert, which will include members by St. George's Cornet Band, Misses Yost and Wasley, Miss Eva Brewer, The Ladies' Singing Club, Mrs. G. W. Wasley, Miss Millie Schmidt, Miss Helen Price and Miss Sallie Wasley. The band will render a number of selections and the balance of the program will consist of vocal and instrumental solos and duets.

All Around.

The County Commissioners did a very sensible thing in refusing to send \$1,000 to Harrisburg to fight the Quay county bill.

The Vulcan Iron Works, late the Carter & Allen shops of Tamaqua, have resumed partial operations after many years of idleness.

Major Finney's latest railway deal, as published in last evening's HERALD, caused considerable comment among his friends and admirers in town today.

If Tamaqua is to enjoy electric railway privileges the Council of that town will have to grant the right of way to the Tamaqua & Lansford, the only company that has a legal standing. So says the Courier of that place.

Barnesville wants to be a rival of Lakeside. The Mahanoy City Daily Record is authority for the statement that capitalists are after the land and dam in that vicinity, and then improve the place by building a large summer hotel, toboggan slide; raise and enlarge the dam so as to make it suitable for boating, etc.

La Grippe Still Holds.

There are more cases of la grippe in the town than is generally supposed. They are not by any means all new ones, but are largely those of last year, which have taken a fresh hold, and in a great many cases have proved fatal, especially with persons advanced in years.

A Prize Winner.

From The Daily American. The following letter was picked up on the streets of Mahanoy this morning. It was written by an attaché of a Shenandoah paper to his girl. Mr. B's soft head is a prize winner:

SHENANDOAH, March 14, '95.
DEAR MARY—I have been long in love with you, but was afraid to tell you. Every time I go to see you I am almost like a fool and altogether unfit for company. I think of you all day and night, at my desk and on my way from work. I am a semi-moon and have lots of rocks. My eight dollars every week (less cent). Dear Mary, you and I that, and I will bring it home day to you untouched. I hope, my dear, you will not be angry, for I am really in love. I cannot be happy unless you are mine. I was afraid to mention this to you, but if you will leave an answer with Miss M. A. McL., I will meet you at her humble abode, next Sunday evening, after supper, when we will take a walk to Gilberton and view the green hills and shady dells which adorn that part of the East ward of Gilberton borough. How happy shall I be to hear from my charmer, but a couple times more to think she will be mine. With nothing more I will bring my letter to a close.
I am, my dear, your real and only lover.
"B."

P. S.—Please excuse pencil for it is not customary for an apprentice, and especially a news hunter, to write with pen and ink. Sincerely,
"B."

Inquiry has disclosed that the above letter was a bona fide find and is not one of Editor Joyce's jokes. It is said the writer of the epistle can be found in one of the newspaper offices in the north-western part of the town.

They Did Not Stop.

One of the Lehigh Valley trains that arrived in town this morning brought twenty-one immigrants, sixteen of them Poles and Lithuanians, one being a woman. The rest consisted of an Italian woman, two daughters and young twin sons. The new arrivals only remained here long enough to get a few draughts of fresh air and took a train for Mt. Carmel.
