PATTERN 1 HARTFORD

Bicycle Beauty comes from graceful lines and fine finish, in which points Columbia bicycles excel. But there is more than mere looks to recommend a Columbia. Back of the handsome design and elegant finish is a sterling quality that over the roughest road and the longest journey will carry the rider with safety and satisfaction.

THE SCHOOL QUESTION

That Is Now Agitating the Various Canadian Provinces.

THE RIGHT OF SELF GOVERNMENT.

Manitoba and Ontario Will Make a Vigorous Protest Against Interference by the General Government in the Local Affairs of the Provinces.

OTTAWA, March 30.—Although full particulars of the action taken by the Dominion government regarding the Manitoba school question have been before the public for some days, it is only now that this action is beginning to be fully understood. The Dominion government has done two things: It has ordered the provincial authorities to re-establish the separate schools abolished in 1890; and, failing compliance by that province, the Dominion has stated in so many words that a federal act will be passed for the purpose of attaining this object.

It is at this point that the danger of the situation appears. The provinces have always been jealous of their rights of self government, and an attempt to encroach on these rights by the passage of a federal law to accomplish a provincial object will evoke a vigorous protest in every member of the confederation outside of Quebec. This outcry will be especially vigorous in Manitoba and Ontario, because a federal law once passed for the purpose of re-establishing separate schools in a province cannot be repealed by any power short of that of the imperial parliament in England. Not only this.

If the separate schools are re-established by federal legislation in Manitoba a precedent will be established which will permit of the Dominion interfering to prevent the Ontario legislature from divesting the separate schools of the province of privileges conferred by the latter body. It is because of the far reaching consequences involved that there is such hostility to the idea of once entering the wedge of federal interference.

But how will the Dominion government go about re-establishing separate schools in Manitoba, a course to which it is forced by the terms of its own order to the province, and the refusal of the latter to comply? It is probable that this will be done by a federal enactment relieving Roman Catholic rate payers in Manitoba from local taxation for public schools, and giving Roman Catholic school boards power to levy rates on their own people for the maintenance of their own schools. Further than this, it is likely that the Dominion government will retain a portion of the subsidy payable by the Dominion to the province under the terms of union, and apply this as a supplement to the funds raised by local taxation for separate school purposes.

Unless the present Dominion government is defeated before remedial legislation, and another party is placed in power that will respect provincial rights, there will be an attempt that will strain the bonds of the confederation.

That Tired Feeling

Hood's Has Merit

One Doubt Convinced—Farther Use Cured

Hip Disease, Sciatic Rheumatism, That Tired Feeling.

"I read that one bottle of Hood's Sarsaparilla would convince me of its merits, and I have found this true.

"Some two years ago two ulcers appeared on my hip, which, after being sore a long time, broke and discharged. I also was attacked with sciatic rheumatism, my leg being drawn so that I could hardly get around the house. I hardly knew what a good night's rest was. The hip trouble caused me great trouble and annoyance, and eczema

Purify Your Blood

appeared on my hands. Naturally I began to run down, was weak and low spirited. The physician told me my hip would have to be operated upon before I would get any better. At last I decided to take one bottle of Hood's Sarsaparilla. In three weeks my rheumatism entirely disappeared and I found that

I Was on the Gain.

This was very encouraging, and I found that I could sleep well at night. My health steadily improved, and of course I continued taking Hood's Sarsaparilla. My hip has been restored to good condition, the sores have stopped discharging and healed up. I am able for the first time in three years to do my own household work, and can walk two miles without trouble. I have no symptoms of rheumatism; that tired feeling has entirely left me. My neighbors say I look better than for many years. I do earnestly recommend Hood's Sarsaparilla to all sufferers, especially those afflicted with impure blood."

PENNSYLVANIA LEGISLATURE

Twenty Thousand Petitioners for a State Homoeopathic Dispensary.

HARRISBURG, March 30.—A carload of petitions and memorials was dumped on Speaker Walton's desk in the house yesterday. Mr. Pennell, of Philadelphia, presented a petition signed by 20,000 citizens of the state, praying for the passage of a bill for the establishment of a state hospital for the insane, under the homoeopathic treatment. Numerous petitions were presented from citizens asking for the passage of the new reformatory. The petition of James W. M. Newlin of Philadelphia, to impeach Judge Gordon, who the Quaker City lawyer charges with holding a secret court, in violation of the bill of rights, was referred to the general judiciary committee.

A special order was made for the "sweet shop" bill, increasing the number of deputy factory inspectors from twelve to twenty. The bill making a uniform rate of railroad fare at two cents a mile was reported from committee with a negative recommendation. Two unsuccessful attempts were made to adjourn the house until next Wednesday morning.

Minister Will to Take a Rest.

WASHINGTON, March 30.—There are indications that Mr. Will, our minister to Hawaii, is preparing to take a leave of absence from his post. One story is that he will go to Japan for a time, and another is that he will return to the United States. During his absence the United States legation at Honolulu will be left in charge of Mr. Ellis Mill, the secretary of the legation.

Given Up for Lost.

GLoucester, Mass., March 30.—The schooner Samuel V. Tolby, which sailed from Fortunate Bay, N. F., on Feb. 2 with a cargo of frozen herring, and of which no tidings have been received since, has been given up as lost by her owners. She was commanded by John Vibbert and carried a crew of six men. It is believed that all on board were lost.

A Jealous Husband's Double Crime.

New BRUNSWICK, N. J., March 30.—William Henry Smith, colored, cut his wife's throat yesterday, inflicting a wound which will probably cause her death. He then slashed his own throat in an attempt to commit suicide, but he is likely to recover. His wife was the cause of the tragedy.

Hot Wave in the West.

CHICAGO, March 30.—Chicago had a forecast of summer yesterday, the mercury registering 85 degs. This was the warmest day in this month for twenty-four years. Similar reports came from other places, as follows: Cincinnati, 84; Kansas City, 80; Wichita, Kan., 90; Des Moines, Ia., 88; Indianapolis, 82; Omaha, 85.

Assaulted and Robbed by Thugs.

PHILADELPHIA, March 30.—A young man named Kahon, of Brooklyn, was found unconscious in Logan square and removed to a hospital, where it is feared he cannot survive. All the evidence points to robbery and attempted murder. Kahon's head is badly battered, evidently with some blunt instrument.

A Police Officer Shoots Himself.

TROY, N. Y., March 30.—Officer John Perry, of the Troy police, shot and killed himself last evening at his home in Ida street, with a revolver. His wife and a fellow officer, Grumley, were in the room with him at the time. It is not known whether it was accident or suicide.

Embezzled and Absconded.

WORCESTER, Mass., March 30.—Lucius W. White, 27 years old, for the past five years mortgage clerk in the Worcester County Institution for Savings, the oldest and richest savings bank in this city, has disappeared after confessing to the bank officials that he had embezzled \$2,258.

Murdered by "Verdigris Kid."

FORT SMITH, Ark., March 30.—Joe Morris, who was shot by "Verdigris Kid" in the raid upon Bragg on Thursday, died yesterday. He attempted to run out of Madden's store when the kid shot him in the side of the back, just above the point of the hip.

Urging Home Rule for Armenia.

LONDON, March 30.—The Daily News, in an editorial, urges the signatory powers of the Berlin treaty to do now what must be done sooner or later, and insist upon Armenian self government, with a christian governor.

Six Years for Raising a Note.

WOODBURY, N. J., March 30.—Samuel E. Warrick, convicted of raising a note from \$200 to \$20,000, was sentenced by Judge Clymer to six years at hard labor in the state prison and to pay a \$4,000 fine.

FITCHBURGH & WEST SHORE.

Wm. Huston and E. A. Palmer's Experience.

There is no body of men who labor more hours continuously than railroad men. So constant and tiring are their responsible duties that there are few who do not suffer from overwork and nervous troubles, and it does not take long before the strongest constitution gives way to the ravages of disease. Dyspepsia, rheumatism, urinary and kidney troubles have incapacitated many a man that could have been saved if the proper precaution had been taken.

Engineer Wm. Huston, of the West Shore railroad, says: "For years I suffered from kidney trouble and dyspepsia; at times I was in so much pain, I thought I would have to give up my engine. I had been under the treatment of various physicians, but derived no benefit. Finally, one day Conductor Frazer, of our road, said to me, 'Huston, get a bottle of Dr. David Kennedy's Favorite Remedy; it will do you more good than all the doctors in existence.' I followed this advice, and in a few days I began to feel better and I have been well ever since."

E. A. Palmer, of the Fitchburg Railroad's freight department at Troy, N. Y., in speaking of the great good he had received from using Favorite Remedy, said: "I was troubled with urinary difficulty for a long time. My attention was called to Dr. Kennedy's Favorite Remedy; I began its use, and in a few weeks was cured of the trouble. I have since used it as a family medicine with splendid results, especially in cases of constipation and stomach difficulty."

Dr. Kennedy's Favorite Remedy is a natural antidote for diseases arising from uric acid in the blood; in cases of scrofula, sleeplessness or nervousness, it cures where all else fails.

Coming Events.

Apr. 8.—Lecture in the Welsh Baptist church by Rev. John T. Griffiths.

April 13.—Cake and Coffee Supper, under the auspices of the Salvation Army, to be held in their hall on North Main street.

April 30, 24.—Entertainment in the All Saints' P. E. church to raise library funds.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months. At last the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Grubler Bros.
