"Now good digestion wait on good appetite,
And health on both."
And the great Shakespeare, but he did not have in mind a coated tongue or torpid liver, with all the symptoms of biliousness, so common in this country. All this, and more, can be cured by Dr. Pierce's Golden Medical Discovery, a purely vegetable compound, which restores the action of the liver, gives tone to the flagging energies of the dyspeptic stomach, and thus enables "good digestion to wait on appetite, and health on both." By druggists.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Bolivar, Worth Co., Iowa, who had been troubled with rheumatism in his back, arms and shoulders read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use in own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me. He got a bottle and it cured them up in a week." 50 cent bottles for sale by Grubler Bros.

Our bitter halves say they could not keep house without Chamberlain's Cough Remedy. It is used in more than half the homes in Leeds, Sims Bros., Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. Mothers have learned that there is nothing so good for colic as Chamberlain's Cough Remedy, and that it is pleasant and safe for children to take. 25 and 50 cent bottles for sale by Grubler Bros.

STATISTICS OF DISEASE.

Smallpox Has Appeared in Twenty-one States of the Union.

WASHINGTON, April 1.—The abstract of sanitary reports as made by the surgeon general shows the presence of smallpox in twenty-one states of the Union. Of the cities Milwaukee has suffered most from this disease during the winter, recording 234 cases and 104 deaths. Philadelphia had 234 cases and 25 deaths; Chicago, 249 cases and 44 deaths; Hot Springs, Ark., 118 cases and 27 deaths; Washington, D. C., 51 cases and 9 deaths; Detroit, 81 cases and 23 deaths; St. Louis, 105 cases and 35 deaths; New York, 55 cases and 10 deaths. There appears to have been all told 373 deaths from smallpox in the United States during the winter.

Cholera is epidemic in many parts of Russia, and thirty-nine different places are enumerated in which cases appeared from Jan. 4 to March 29. In Poland alone in that period there were 2,031 cases and 877 deaths. Galicia, in Austria-Hungary, reported 450 deaths out of 877 cases for the same period; Calcutta, India, 355 deaths, and Constantinople 97 deaths. There is also more or less cholera in Argentina, Brazil, Belgium, Ceylon, France, Germany and Holland.

The United States sanitary inspector at Rio Janeiro reports that cholera in the interior districts of Brazil is rapidly declining, owing to sanitary precautions, and of yellow fever says: "Though the weather is very hot and sultry, I hardly think there will be an epidemic this year."
Brazil reports a total of 137 deaths from yellow fever up to Feb. 23, 25 of which occurred at Santos, out of a total of 75 cases. In Cuba there had been 27 deaths and 74 cases up to March 12. There were also a few cases in Vera Cruz, Mexico; Guayaquil, Ecuador; Puerto Rico, Salvador, and Curacao, West Indies.

An inspector who was sent to Floyd county, Ky., to investigate the mysterious disease which recently appeared there found it to be cerebro-spinal meningitis.

Stabbed in Mistake for Another.
HAZLETON, Pa., April 1.—Cormack Duffy, aged 30 years, was going home from work Saturday night when he was pounced upon and stabbed by an unknown man who mistook him for another. The assailant plunged a dagger into Duffy's face, cutting out the right eye and severing the bone. Duffy fell and the would-be murderer again attacked him, driving the knife into his breast to the hilt. He was about to strike again when he discovered his mistake and lifted the wounded man from the ground. A crowd had been attracted, however, and in the excitement the man escaped. Duffy revived sufficiently to describe his assailant as a foreigner, but this is the only clue. The steel penetrated the right lung, and there are no hopes of the man's recovery.

France Will Avoid War.
LONDON, April 1.—Another sharp warning to France was given by the British cabinet when, after a long conference, they instructed Lord Kimberley to take whatever measures were necessary to enforce respect for British interests in the Upper Nile. Lord Kimberley made a report upon a long conference which he held with Baron de Courcel, the French ambassador. He also presented dispatches from Lord Dufferin, British ambassador to France, telling of an interview he had with M. Hanotaux, the French foreign minister. The latter expressed his sincere desire to maintain the most friendly relations between France and Great Britain.

Death of Judge Martine.
NEW YORK, April 1.—Judge Randolph B. Martine, of the court of general sessions, died very suddenly Saturday afternoon at his home, No. 2,017 Fifth avenue. He became ill about five weeks ago with what was thought to be peritonitis. His family physician was in constant attendance, and under his care the judge seemed to improve rapidly until about two weeks ago. His death is thought to have been hastened by the piano playing of a neighbor, Mrs. Friedenberg, who refused to heed the complaints of the family and ignored the board of health. He was 62 years old.

A Mayor Charged with Bribery.
NEW BEDFORD, Mass., April 1.—Council for ex-Mayor Stephen A. Brownell will file a petition in the supreme judicial court for Bristol county this week for a writ of quo warrantum against David L. Parker, mayor of the city, compelling him to answer to the charge of procuring his election to the office of mayor for bribery. The petition alleges that over 1,000 votes were bought in this city at the last election to insure the election of Mr. Parker, who was victorious by a plurality of less than 400 votes.

Tried to Murder His Parents.
NEW HAVEN, April 1.—Adolph Vogelitz, living with his parents, was taken into custody after he had attempted to kill his entire family. He arose about 6 o'clock, and arming himself with his father's knife started in to cut his father and mother's throat. His father managed to keep him at bay until a policeman could be sent for. He is supposed to be insane.

Belgian Strikers Fired Upon.
BRUSSELS, April 1.—The striking weavers at Renaix, East Flanders, and a number of their sympathizers yesterday renewed their attacks on the gendarmes. Several arrests were made. The burgo-master finally succeeded in restoring quiet. During the rioting the gendarmes fired on the strikers, wounding two of them seriously.

A Welsh Mountain Desperado Caught.
LANCASTER, Pa., April 1.—Ben Green, a Welsh mountain desperado, was arrested on the mountain at an early hour in the morning. Green had been a fugitive on the mountain for a long time, his knowledge of the hiding places enabling him to keep clear of the officers. He was locked up for trial.

At Newmansville, Fla., E. Kant, a merchant, was murdered by unknown persons as he was locking his store.
Anthony C. Heintz, former proprietor of the Illinois Staats Zeitung, and father of Postmaster Heintz, died in Chicago, aged 73.
Secretary Hoke Smith and family arrived in Athens, Ga., Saturday night. Mrs. Smith and children will remain several months.
Forest fires are raging in western Kentucky and southern Indiana. Three white men, two negroes and a white woman have been burned to death.

By the wreck of a freight train on the Pan Handle road near Newcomerstown, O., John Wilson, Oscar Huxzy, William Mercer and Willie Berkshire, who were leading a ride, were seriously injured. Berkshire, who lost both legs, will die.

In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by Grubler Bros.

Plea for the Peddlers.
EDITOR HERALD:—Considerable has been said in the newspapers lately concerning peddlers and I wish to say that these people should be given some chance to make an honest living. I know of over fifty peddlers who are willing to pay fifty dollars a year for a license to peddle. The business men having stores only pay a license of \$7.50 a year. These peddlers pay thousands of dollars every year to the railway companies and express companies for fares and expressage and by the way that has been made on the peddlers lately this town has lost several hundred dollars in taxes. Since Dick Amour commenced making the arrests about one hundred and fifty Arabian peddlers have left here and gone to Buffalo, N. Y., and Detroit, Michigan. Most of these men were citizens and all of them paid taxes. The only business people they hurt were the dry goods merchants.

Fire in the Chicago Times Building.
CHICAGO, April 1.—The northern portion of the old Times building, a five-story stone structure, was damaged \$70,000 by fire yesterday afternoon. At the early stages of the fire it looked very much as if this old landmark of Chicago would be destroyed, and it was only by extremely energetic efforts that it was confined to the above place. The publishing rooms of The Journal of the American Memorial association were entirely burned out. Max Stern, printers and stationers, and half a dozen printing firms were also badly damaged. The quarters of the Free Press, a German daily paper, was thoroughly soaked, but they have managed to put the premises into shape.

A Brave Sheriff Killed.
SACRAMENTO, Cal., April 1.—Two train robbers held up the north-bound Oregon express four miles north of Wheatland. The robbers started to go through the passenger coaches, when Sheriff Bogard, of Tehama county, opened fire on them. One of the robbers was shot dead. The other end and shot Sheriff Bogard from the rear and then fled. The sheriff died in a few minutes. Fireman Northcutt was also shot in the neck and leg, and may die. The dead robber has been identified as John J. Daly, ex-clerk of the Golden Eagle hotel at Marysville.

FATAL TROLLEY ACCIDENT

Four Killed and several injured by Jumping from the Car.

HAZLETON, Pa., April 1.—A horrible catastrophe occurred on Saturday at Jeannette, where a trolley car ran away, dashed down the mountains, instantly killing three passengers, fatally injuring two more, while others were badly hurt. The motorman on the Lehigh Traction line lost control of his car, and the passengers who were killed and injured had leaped to save their lives. The dead are: Mrs. John Early, of Beaver Meadow; Edward Early, her son, aged 8 years; Mrs. Wainwright Williams, of Hazleton; Mrs. Joseph Evans, of Hazleton, who died from her injuries last night. Mrs. Evans was the only person remaining on the car who sustained any injuries. The others were hurt in jumping. Her 15-year-old son, James, is in a critical condition.

Motorman Albert Seltz was in charge of the car. There were nearly a score of passengers in the car, and it was gliding along at a rapid speed when it reached the top of the mountain at Jeannette. The car crossed the trow and started down the incline. It had not gone far, however, when the passengers noticed that they were being whizzed along at a fearful speed. In a moment all seemed to realize that they were about a runaway car. Motorman Seltz had lost control of it and away it dashed down the mountain.

Then somebody rushed for the rear door. Instantly every other passenger followed. There were shrieks and cries and the conductor, who stood on the rear platform, was unable to alay their fear. At this moment the car was rushing at awful speed, perhaps forty miles an hour. Then it leaped one of the passengers. It was a woman. She struck the ground, rolled over and over down the decline, and was found there a corpse. Another followed her, then from both sides of the rear platform they leaped to escape death. Three of those who jumped were killed instantly, while the others received injuries of more or less severity.

The Railroad Man, The Clergyman, The Business Man,
and all other men who have to look neat while at work, should know about "CELLULOID" COLLARS AND CUFFS. They look exactly like linen, wear well and being waterproof do not wilt down with heat and moisture. They do not soil easily and can be cleaned in a moment by simply wiping off with a wet sponge or cloth. Do not confuse these in your mind with composition goods. Every piece of the genuine is stamped like this:

TRADE MARK
THE CELLULOID COMPANY,
427-29 Broadway, New York.

Ask for these and refuse anything else if you wish satisfaction. Remember that goods so marked are the only waterproof goods made by coating a linen collar with waterproof "Celluloid" thus giving strength and durability. If your dealer should not have the "Celluloid" send amount direct to us and we will mail you sample post-paid. Collars 25c each. Cuffs, 50c pair. State size and whether stand-up or turned-down collar is wanted.

Hood's Sarsaparilla Restores Strength and Bodily Vigor.
