"Now good digestion wait on good appetite. And health on both," says the great Shakespeare, but he did not have in mind a coated tongue or torpid liver, with all the symptoms of biliousness, so common in this country. All this, and more, can be cured by Dr. Pierce's Golden Medical Discovery, a purely vegetable compound, which restores the action of the liver, gives tone to the flagging energies of the dyspeptic's stomach, and thus enables "good digestion to wait on appetite, and health on both." By druggists.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenyon, of Boland Work Co., Iowa, who had been troubled with rheumatism in his back, arms and shoulders read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use his own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was so bad to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me. He got a bottle and it cured them up in a week." 50 cent bottles for sale by Grubler Bros.

Our better halves say they could not keep house without Chamberlain's Cough Remedy. It is used in more than half the houses in Leeds. (S.M. Bow, Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. PENNSYLVANIA LEGISLATURE

Farmers Succeeded in Defeating the Forestry Commission Bill.

HARRISBURG, April 3.—The bill creating a state game commission was killed in the house on final passage yesterday by the rural members. The bill provided for six game commissioners, to be appointed by the governor, to enforce the game laws of the commonwealth. The commission was to appoint a chief protector and nine other protectors. The defeat of this bill shows that the farmers have enough votes in the house to kill any bill to which they are opposed.

The bill to prohibit the killing of deer in the state, under a penalty of \$200, for five years after Oct. 1 next passed finally, after much discussion. The measure repealing the act of 1881 relative to the appointment of police conservators under the laws of the commonwealth for the propagation and preservation of fish was postponed for the present by its friends, through fear of defeat.

After much debate the bill providing that none but citizens of the United States shall be employed in any capacity on public buildings or public work within the state passed finally, with fifteen votes in the negative. The Focht free bridge repealer was recalled from the governor. A motion of Mr. Focht to non-concur in the senate amendments providing that the act "shall not require the construction or rebuilding of any bridge or bridges over any river at any point in this state within one mile of the boundary line of any other state" was adopted. The bill now goes back to the senate, the amendments to be stricken out, returned to the house, and then goes to the governor again in its original form.

Confessed to Many Murders.

BIRMINGHAM, Ala., April 3.—Half a dozen members of the worst gang of murderers and robbers ever known in Alabama are in jail as the result of a confession of Lee Harris, who is charged with murdering Pleasant Merrivewether, a suburban grocer, with a hatchet and robbing his store a few nights ago. According to Harris' confession he and his pals are responsible for the murder and robbery of James F. Thornton, a Birmingham grocer, in December; the murder of E. Y. Daniels, an East Lake farmer, and attempted murder of his wife and daughter last December; the murder of William Barnes, a North Birmingham distiller, because he refused to give them whisky; the holding and robbery of two white women at Thomas, and numerous minor crimes. Henry Kimberly is now in the penitentiary for some of the crimes confessed by Harris.

The Indiana Legislative Riot.

INDIANAPOLIS, April 3.—The county grand jury has begun an investigation of the riot that took place in the state capitol on the closing night of the session of the late legislature. Michael Cain, engineer of the building, told the story of the struggle in the elevator between himself and Secretary King on one side and Representatives Allen, Adams, of Park, and Boardman on the other. He told the jury that if he had not struck Adams, of Park, and forcibly taken the elevator lever from him Secretary King would have been crushed to death. Myron D. King, the governor's private secretary, will be asked to tell his story to the grand jury. Representatives Adams and Allen are also invited to appear.

Sugar Kings Want an Early Trial.

WASHINGTON, April 3.—Nathaniel Wilson, counsel for Henry O. Havemeyer and John E. Seares, asked Judge Cole to set an early date for trial of his clients in relation to the refusing to testify before the sugar investigating committee. Judge Cole would not fix a date without the consent of the district attorney. Mr. Birney, the latter says that he expects to call the first case the last of April or the first of May, and the trials will take place in the order in which the men were indicted, the brokers first, then the newspaper correspondents and lastly the officers of the sugar trust.

Mrs. Williams Held for Murder.

COLUMBUS, O., April 3.—Mrs. W. H. B. Williams, who murdered two of her children at the Park hotel on Monday, was arraigned in police court on two charges of murder in the first degree. She waived the right to a trial and was ordered held without bond to await the action of the grand jury. Mr. Williams was released by order of the coroner, and the little daughter, Annie, was placed in care of a friend of the family. Mrs. Williams says the only reason she can give for murdering her children is that she did not want them to suffer at the hands of their father as she had suffered.

His Injuries Prove Fatal.

PHILADELPHIA, April 3.—Samuel Dutton, the Chester county farmer who was found lying badly injured early on Sunday morning on the front pavement of the house 1219 Kater street, died yesterday at the Pennsylvania hospital, and Josephine Iverson, in whose apartment he had been staying previous to the accident, is in Moyamensing prison pending an investigation by the coroner that will determine whether or not she was responsible for the occurrence. Dutton declared that he fell from the window accidentally.

Secretary Gresham to Remain.

WASHINGTON, April 3.—A most positive denial of the story that Secretary Gresham intends to resign is given by secretary of the treasury in a statement which is of such a nature as to make him perfectly competent to make this denial. It is also learned that Secretary Gresham has just made arrangements for the extension for another year of his lease of the rooms at the Arlington now occupied by him which may certainly be taken as an evidence of his intention to remain in Washington.

Li Hong Chang Rapidly Recovering.

YOKOHAMA, April 3.—Advises from Shimomaki show that Li Hong Chang's wound in the face is healing well, and that it is expected that he will be in the enjoyment of complete health in a few days, when he will again attend the peace conference. Cholera at Port Arthur continues to increase.

Cuban Rebels Await Reinforcements.

MADRID, April 3.—The governor of Havana telegraphs that tranquility prevails in five of the provinces of the island of Cuba. The insurrection is confined to the province of Santiago, where the rebels have retired to the mountains and are awaiting reinforcements.

How to Save Money and Health.

Most people have some trouble with their health which they would like cured if it could be done easily and cheaply. Dr. Green, of 35 West 14th St., New York City, who is the most successful specialist in curing nervous and chronic diseases, makes the following offer: He gives you the privilege of consulting him, free of charge, through his great system of letter correspondence. Write him just how you feel and what symptoms trouble you. He will answer your letter, explaining your case thoroughly, telling just what ails you and how to get strong and well. He gives the most careful attention to every letter, and makes his explanations so clear that you understand exactly what your complaint is. And for all this you pay nothing. You do not leave your home, and have no doctor's fee to pay. The Doctor makes a specialty of treating patients through letter correspondence, and is having wonderful success. He is the discoverer of that celebrated medicine, Dr. Green's Nervous Blood and Nerve Renewer. If you write him at once you will doubtless be cured.

Mr. Mandour Replies.

EDITOR HERALD:—Your article in last evening's HERALD signed "Uno" which stated that there wasn't 100 Arabian peddlers in town is false. I can prove the same and he can learn it by inquiring of the station agents as to the number of tickets sold to these people to Buffalo and Detroit, Michigan. As to the expense the merchants have, the same is for their own protection. They pay nothing to the county, or state. The peddlers are all willing to pay \$50 each if they are allowed to peddle in the county. I am of the opinion that the merchants care little, or nothing, as far as the peddlers are concerned. Each man has a right to make an honest living. I have arrested no Hebrew peddlers, as stated. The peddlers have decided to leave town before making trouble.

Jabez Balfour to be Extradited.

BROOKLYN, April 3.—A federal judge has ordered the Salta government to deliver Jabez Spencer Balfour, whose extradition Great Britain has long been trying to obtain, to the British legation in this city. As quickly thereafter as possible he will be taken to London to answer the charges made against him in connection with the collapse of the Liberator Building society and allied concerns, the failure of which ruined thousands of persons who had invested their all in the different companies. At the time of his flight from England Balfour was a member of parliament.

Reported Drowned from His Yacht.

BROOKLYN, April 3.—A report reached here last evening that millionaire William Ziegler, well known in this city and throughout the country, has been drowned from his yacht Robinson Crusoe while on a cruise off Florida. Inmate Asylum Destroyed by Fire.

NEWARR, O., April 3.—The inmate department of the Lincoln County infirmary was destroyed by fire yesterday. The fire was discovered by one of the female inmates at 3 o'clock. Superintendent A. F. Larson was at once notified, and with a number of employees immediately set to work to extinguish the flames, but their efforts were unavailing. The wild shrieks of the inmates as they called for assistance were terrible. About thirty inmates, persons, fifteen men and fifteen women, were confined in the building. All were rescued and removed to the main building, where they were provided with comfortable quarters.

Declared Guilty of Contempt.

TRENTON, April 3.—The chancellor yesterday declared Nelson N. Pidoock, the well known Democratic politician of Hunterdon county, guilty of technical contempt of court in selling a judgment owned by him, after having been ordered to turn the judgment over to his receiver for the benefit of his creditors. Pidoock claimed that the judgment rightfully belonged to his two sons, to whom it was sold for \$1. The court suspended punishment for the contempt in order to give him an opportunity to prove, title in his sons.

THAT'S QUEER!

You say a collar and cuff that are waterproof? Yes. And perspiration will not affect them? Yes. And when dirty you need only wipe them off with a wet cloth or sponge? Yes.

Wonderful! How are they made? A linen collar covered on both sides with waterproof "CELLULOID." Looks exactly like a linen collar.

Is it the only waterproof collar and cuff made? No, but it is the only one made with the linen interlining and consequently the only one that can give entire satisfaction, because it is the best.

How can I know that I get the right kind? Because every piece is stamped as follows:

Inquire for that and refuse anything else, or you will be disappointed. Suppose my dealer does not have them? He probably has, but if not, send direct to the enclosing amount. Collars 25c, Cuffs 50c. State size, and whether collar wanted is stand-up or turned-down.
