**"Am I Married or Not?"**  
Asked Mr. A., despondently, "I declare, my wife is so nervous and irritable that I don't stay in the house a moment longer than I can help. My home isn't what it used to be." "Mrs. A. is suffering from some functional derangement, I presume," said B. "Yes, she has been an invalid for years." "Exactly. Her experience is that of my wife, but she was cured by Dr. Pierce's Favorite Prescription. Get this remedy for Mrs. A., and the happiness of your home will soon be restored." Mr. B. was right. For protracted, painful periods, irregularities—in short, all "complaints" peculiar to the female sex—the "Favorite Prescription" is a sovereign specific.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Bolan, Worth Co., Iowa, who had been troubled with rheumatism in his back, arms and shoulders read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine and to use his own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me, he got a bottle and it cured them up in a week." 50 cent bottles for sale by Grubler Bros.

**Coming Events.**  
April 13.—Cake and Coffee Supper, under the auspices of the Salvation Army, to be held in their hall on North Main street.

April 25.—Entertainment in the All Saints P. E. church to raise library funds.

Our better halves say they could not keep house without Chamberlain's Cough Remedy. It is used to more than half the houses in Leeds, Sims Bros., Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. Mothers have learned that there is nothing so good for colds, croup and whooping cough, that it cures these ailments quickly and permanently and that it is pleasant and safe for children to take. 25 and 50 cent bottles for sale by Grubler Bros.

**THE PRESIDENT INDIGNANT.**

**Bitterly Denounces a Ministerial Scandal Monger.**  
WASHINGTON, April 8.—When the report of a speech made in a Methodist conference at Salem, Mass., by Rev. Dr. Lansing, and his subsequent published interview, accusing the president of intemperance, was shown to Mr. Cleveland he said, with considerable warmth: "This is simply an outrage, though it is not the first time of this kind has been attempted. I cannot avoid a feeling of indignation that any man who makes claim to decency, and especially one who assumes the role of a Christian minister, should permit himself to become a disseminator of wholesale lies and calumnies not less stupid than they are cruel and wicked."  
"I easily recall other occasions when those more or less entitled to be called ministers of the gospel have been instrumental in putting into circulation the most scandalous falsehoods concerning my conduct and character. For the sake of the Christian religion I am thankful that these scandal mongering ministers are few, and on every occasion I am glad that the American people love fair play and justice, and that in spite of all effort to mislead them they are apt to form a correct estimate of the character and labors of their public servants."

**A Mother's Fatal Fight.**  
CLEVELAND, April 8.—Elizabeth White-way, aged 50, died at her home, corner of Lorain and Rock streets, of nervous prostration caused by fright, and her mother, Mrs. William Herr, of 1509 Wilson avenue, is lying at death's door from injuries received at the time her daughter was frightened. Two weeks ago, as Mrs. Herr was descending a flight of stairs, with Mrs. White-way's infant child in her arms, carrying a lamp, she fell. The lamp exploded and set fire to the baby's clothing. Mrs. White-way extinguished the flames and saved the baby's life. Immediately she was taken ill, and never left her bed afterward. Mrs. Herr was badly hurt by the fall and her death is expected at any time. Mrs. White-way was one of the most beautiful women in the city, and was chosen five years ago to represent Germania in the great German day parade.

**A Dishonest Bank Cashier Confesses.**  
COLUMBIA, Pa., March 8.—Thomas M. Grady, cashier of the First National bank of Marketon, is a defaulter for an amount exceeding \$18,000. He confessed his crime and furnished \$15,000 bail for trial. The money was taken by making false entries, taking deposits from depositors and failing to give them credit for the money and in drawing drafts and failing to enter them. Grady's bondsmen are all moneyed men and fully able to pay the amount of the defaulter's bond, which is \$15,000. The defaulter is making some restitutions from his private funds, so the bank will lose but little or nothing by its cashier's dishonesty.

**Murdered by Fugitive Train Robbers.**  
HENNESSY, O. T., April 8.—Three of the Dover train robbers rode to the house of the Rev. Godfrey, a Baptist preacher, and demanded their supper, and after securing it and robbing him of all his money and valuables took two of his best horses. He remonstrated and followed, against the will of his family. His body was found by neighbors about five miles from his home, riddled with bullets. If the robbers are captured alive they will be strung up to the first tree. They have set the price on fire behind them in order to hinder their pursuers, and the marshal's posse cannot advance.

**The Income Tax Decision.**  
WASHINGTON, April 8.—One of the supreme court justices practically admitted that the abstract of the decision in the income tax case printed in Sunday's Associated Press papers was correct. The decision, as given in this publication, is that the tax on rentals and on municipal and state bonds is unconstitutional, and that the court is evenly divided on the remainder of the tax.

**Strikers Return to Work.**  
WOODBRIDGE, N. J., April 8.—The 400 striking employees of the Staten Island Terra Cotta Manufacturing company, situated in the outskirts of Woodbridge, resumed work this morning. On Saturday they were paid one-third of the wages due them, with the promise that the whole amount would be paid within two months. The amount due the men was about \$80,000.

**Electrical Works Destroyed by Fire.**  
NEWARK, N. J., April 8.—The works of the Croker-Wheeler Electrical Supply company, at East Orange, were destroyed by fire yesterday, causing a loss of \$100,000. Two of the seven buildings were saved, these two being located a short distance from the others. The five were burned to the ground, and a great quantity of valuable machinery was almost totally destroyed.

**A Historical Dagger.**  
CINCINNATI, April 8.—Hon. John A. Caldwell, mayor of this city, has received by express from A. J. Houston, of Texas, son of the celebrated General Samuel Houston, the dagger which was taken from General Santa Anna when he was captured by General Houston at the battle of San Jacinto, on April 21, 1836. This gift is to be presented to some museum in Cincinnati.

**Strikers Resume on a Compromise.**  
NORTHAMPTON, Mass., April 8.—The strike at the Belding silk mills, in which about 50 operatives participated, has been declared off, and they returned to work this morning, accepting the company's offered increase of 5 per cent on their former wages. The strikers asked for a raise of 10 per cent.

**Reorganizing the A. R. U.**  
TELEHE HAUTE, Ind., April 8.—President Debs, of the American Railway union, has returned from the Pacific coast, after a speaking trip which began in Chicago on Feb. 25 and closed at Los Angeles a week ago. He says the union has been reorganized throughout this territory. In seven days Debs took 2,300 members into the union.

**Alleged Incendiarists Acquitted.**  
OMAHA, April 8.—Priest Karmenski and twelve members of his congregation, who have been on trial for burning St. Paul's church, were released today and the case dismissed. The county attorney determined that the testimony was not sufficient to convict.

**The Weather.**  
For eastern New York, New Jersey and eastern Pennsylvania, rain; cooler; increasing easterly winds. For District of Columbia, Delaware, Maryland and Virginia, cooler this evening; easterly, shifting to northerly winds.

**Are You Going?**

The tickets to Denver, Col., and return for the meeting of the National Educational Association will be on sale July 3rd, 4th and 5th at rate of one standard fare, with two dollars added, for the round trip. Teachers and others that intend taking advantage of the low rates can have sleeping car reservation made in advance and get full information as to cost of side trips to the principal points of interest throughout Colorado and Utah.

Reduced rates by addressing John R. Pott, District Passenger Agent Chicago, Milwaukee and St. Paul Railway, Williamsport, Pa.

All those terrible, itching diseases of the skin that help to make life miserable for us, are caused by external parasites. Doan's Ointment kills the parasite and cures the disease. Perfectly harmless, never fails.

**This Means Business.**  
On the principal lines of the Chicago, Milwaukee & St. Paul Railway passenger trains are electric lighted, steam heated and protected by block signals. With these modern appliances, railway traveling at high speeds has reached a degree of safety heretofore unknown and not attainable on roads where they are not in use. Electric lights and steam heat make it possible to dispense with the oil lamp and the car stove. Block signals have reduced the chances for collisions to the minimum by maintaining an absolute interval of space between trains.

**Threatened His Mother with a Revolver.**  
PHILADELPHIA, April 8.—The domestic troubles of the Coolidge family have assumed a startling aspect by the arrest of the oldest son, Alfred G. Coolidge, on the charge of using threats of murder to extort money from his mother. The social prominence of the family attracted much interest when on Tuesday last Mrs. Coolidge caused the arrest of her husband, George E. Coolidge, for non-support of herself and her 18-year-old son, William. She now avers that the son, Alfred, who is arrayed on the father's side, followed her to her home last Wednesday and demanded \$25. When she refused he drew a revolver and pointed it at her, with a threat to shoot if she did not comply. William, however, persuaded him to leave the house. Young Coolidge has been held in \$1,000 bail for trial.

**Evidence of Wife Murder.**  
PITTSBURGH, Pa., April 8.—The village of Hamtown, near this city, is excited over what appears to be a sensational wife-murder. Mrs. George Windish, a German woman, about 50 years old, was found dead yesterday in a clothes closet in the second story of her home. There were several wounds on the side of the head, and the skull had been fractured. Near the body was found a bloody chisel, and on the floor of the room lay several pieces of clothing saturated with blood. These were identified as having belonged to the woman's husband, who is missing. It is supposed that the murder occurred last Thursday night.

**PENNSYLVANIA LEGISLATURE.**

**Senators Want to Extend the Session to June 15.**  
HARRISBURG, April 8.—The senate will resume business this evening, after a ten days' rest. At the same time the house will commence consideration of bills on second reading. The senate and house calendars are crowded with bills, many of which will never see the light of day. The members are beginning to realize this, and are striving to get special orders for their pet measures at the bottom of the calendar.

This will be a busy week at the state capital. Tomorrow evening Charles Heber Clark, secretary of the Manufacturers' club, of Philadelphia, will address the legislature in the chamber of the house on the silver question. Mr. Clark is an advocate of free coinage of silver and will deliver the address at the request of Senator Cameron. Charles Emory Smith, editor of the Philadelphia Press, will reply to Mr. Clark on Wednesday evening.

The senate education committee will give a hearing tomorrow afternoon to the Quakers, Dunkards, Methodists and other opponents of the religious garb bill. The same day the house committee on fish and game will hear the opponents of the bill legalizing fishing with eel weirs and baskets at certain seasons of the year. The house ways and means committee is still holding meetings on the new revenue bill. The measure is approved by the state administration, and will be brought out of committee. It will never become a law in the form in which it was introduced.

Governor Hastings is expected to send to the senate this week the nomination of Thomas L. Hicks to the controllership of Philadelphia, to succeed Thomas M. Thompson, whom Mayor Warwick has appointed director of public works. The friends of Senator Penrose and Thomas, who are opposed to Hicks' nomination, declare that he cannot be confirmed. On the other hand, the governor's friends claim there is no doubt of the Philadelphia confirmation.

The date of the final adjournment may be fixed by the legislature this week. The senate wants to get away on June 13, but the house wants to quit a week or two sooner. If the session should be extended until June 13 it will beat the record under the constitution of 1873 by one day, the session of 1885 having extended to June 12.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by Grubler Bros.
