PRIMITIVE METHODISTS.

District Convention of the Sunday Schools of this County.

The Sunday schools of the Primitive Methodist church, Schuylkill District of differ. Willman says he attempted to Pennsylvania Conference, held their semi-annual convention yesterday at Gilberton. The convention was called to order at 2 p. m. by the Vice President, Thomas Miles, of Mt. Carmel. The hymn "Coronation" was sung and prayer was offered by Mr. Fletcher, of Girardville.

The address of welcome was delivered by Rev. John McGinnis, of Gilberton, Rev. W. F. Nichols, of Hazleton, responding in a very able address. After the rading of the reports, which showed the schools to be in good condition, and most of them doing good work for the missionary enterprise, and appointment of committees, the convention listened to an able address by Thomas Fletcher, "Have Sun day schools outlived their usefulness?' Several of those attending took part in the discussion which followed.

Rev. T. M. Bateman, of Girardville, read a paper on "That Teacher," which was an endeavor to present the writer's ideal teacher. The speaker handled it in his characteristic manner and it was highly appreciated.

A question was opened and the many important questions relative to Sunday school work was very satisfactorily answered. A committee was appointed to select the time and place for all the Sunday schools of the district to hold a union picnic. This closed the morning session.

The evening session opened by singing and invocation by Rev. S. L. Nicholis. After a few preliminaries Rev. C. Prosser, of Mt. Carmel, delivered a very fine address on the subject, "Class Breaking or Class Making." It was received with manifest pleasure. A duet was then sung by Rev. Richards and wife, of St. Clair. Miss Thomas, of Tamaqua, gave a recitation, and Rev. G. Lees, of Tamaqua, delivered an address showing the influence and possibilities of Sunday schools After two solos were sung, one by Rev. W. J. Richards, the convention was brought to a close. The next convention will meet at Shamokin in July.

An Excellent Performance.

"The Indian Hero" was presented by an excellent company at Ferguson's theatre last evening. The plot is founded on an actual occurrence, namely the Mountain Meadow Massacre, and is carefully worked out. Roland Ranger, the hero, was orphaned by the Indians the night of the massacre and would himself have been slain had not Gerernimo, the famous Sioux Chieftain, rescued and raised him. The events of the play deal with Roland's life after he reaches manhood. There is a pretty love story running through the play. Mr. Richard Anderson, in the role of Roland Ranger, made an emphatic hit. Mr. W. F. Allen kept the audience in one continuous uproar. Miss May Marena, the champlen lady rifle shot, assumed the role of Lenora Primrose, and her characterization was most pleasing. By special request of the management the same piece will be produced this

A COLLISION.

A Wagon and Electric Car Collide on Centre Street.

Yesterday afternoon George Willman, driver for J. P. Williams & Son, the furniture dealer, started for Mahanoy City with a load of furniture, but collided with an electric car just east of the bridge on East Centre street, Willman and a young maninamed William Haines were thrown from the seat of the wagon to the street, but escaped with a few scratches. The stories of the collision cross the track and had the car not been faster than it should be would have one of the horses went through a front window of the car. Martin Corrington, the motorman, says the driver turned his horses upon the track suddenly and that it was the pole of the wagon that went through the window. The motorman's left hand was badly out by the falling pieces of glass. One of the horses was considerably scratched and bruised by being dragged by the car. Willman secured another team of horses and drove to Mahanoy City with the furniture.
