

SHERIFF FATALLY SHOT

While Arresting a Gang of Horse Thieves in West Virginia.

FULLY EQUIPPED FOR PLUNDER.

The Four Members of the Gang Surrender After One of Their Number Is Shot by One of the Sheriff's posse—Sheriff Shaw's Condition Critical.

WHEELING, W. Va., April 29.—News from Kingwood, Preston county, this state, gives details of a fight with horse thieves from across the Pennsylvania line, in which the sheriff of the county was fatally shot and one other man wounded.

Late Thursday night a telephone message was sent to Sheriff Shaw from Al Brightsville, three miles east of Kingwood, to the effect that four horse thieves from Brownsville, Pa., were there. The sheriff summoned three deputies and went to answer the summons.

It turns out that the arrests are of great importance, as a great number of weapons, dirk knives and keys were found on the persons of the prisoners, and there was found in their possession a number of gold watches and a quantity of jewelry, showing that they had recently committed a burglary. On one was found a manuscript copy of a secret organization.

This he tried to do when he shot Sheriff Shaw. The four men gave the names of George Smithly, William Smithly, Archibald Patterson and George Harvey. They claim to be from Dunbar and Brownsville, Pa. They claim they bought the horses they were riding, but it is known that they were stolen at Brownsville. Sheriff Shaw's condition is critical.

Sheriff Mallin Turns the Tables.

OMAHA, Neb., April 29.—Sheriff Mallin and posse yesterday surprised the Indian police in a house on their reservation. The Indians were asleep at the time, and awoke to find themselves covered with Winchester. Jim Blackhawk and John White were arrested and placed in jail, charged with resisting an officer. These are the men who arrested Sheriff Mallin the other day. Warrants are out for others of the Indian police.

Mrs. Darling's Charges Discredited.

NEW YORK, April 29.—Assistant District Attorney Battle is still investigating the charges made by Mrs. Flora Adams Darling, that in her belief her son Edward Irving Darling who died in St. Clements, Mich., on Feb. 14, 1894, was deliberately poisoned. It is not believed, however, by the members of the district attorney's staff that her suspicions and accusations are borne out by the facts.

Killed in a Shooting Gallery.

PHILADELPHIA, April 29.—William James, aged 13 years, was accidentally shot and instantly killed last night by Charles Rock, aged 21 years, in the shooting gallery of Edward H. Pair, at Point Breeze avenue and Dickinson street. Rock and the boy were shooting at a target when young James thoughtlessly stepped in the path of his companion's gun. Rock was arrested.

Communist Sentenced to Prison.

HALLE, April 29.—Thirteen members of a communistic club in this place who were arrested on the charge of belonging to a secret society were yesterday found guilty and sentenced to terms of imprisonment ranging from one week to five months.

A Well-Known Physician Tells the New Discovery With Most Successful Results.

Dr. George F. Brooks, No. 29 Temple Place, Boston, says:

"I have used a good many rheumatism medicines in the course of my practice, but I can candidly say that I never saw a remedy as effective as Munyon's Rheumatism Cure. I gave the sample bottle I got Monday to one of my patients, a lady, who has had chronic rheumatism in her limbs for years. Her knee and elbow joints were stiff, and she suffered great pain. The effect was simply marvelous. Relief from any pain was obtained in a few hours after the first dose and inside of twenty-four hours the lady was feeling better than she had for years. I shall prescribe Munyon's Cure for all cases of rheumatism that come under my care in the future."

Munyon's Rheumatism Cure is guaranteed to cure rheumatism in any part of the body. Acute or muscular rheumatism cured in from one to five days. It never fails to cure sharp, shooting pains in the arms, legs, sides, back or breast, or stiffness in any part of the body in from one to three hours. It is guaranteed to promptly cure lameness, stiff and swollen joints, stiff back, and all pains in the hips and loins. Chronic rheumatism, sciatica, lumbago or pain in the back are speedily cured.

Munyon's Homeopathic Home Remedy Company, of Philadelphia, put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

PENNSYLVANIA LEGISLATURE.

A Financial Statement to the House by State Treasurer Jackson.

HARRISBURG, April 29.—The house granted enough special orders yesterday to keep it busy for a week. As nearly all the orders are for next Tuesday and Wednesday many of the bills for which this privilege was secured cannot possibly be reached. Some of the bills for which special orders were made are: The greater Pittsburgh bill; Smith's school appropriation bill; increasing the salary of the adjutant general from \$3,500 to \$5,000 a year; providing that school books shall not be changed oftener than once every five years; making a uniform policy of fire insurance; taxing aliens and making their employers responsible for the payment of their tax.

A statement was received from State Treasurer Jackson showing the condition of the state finances. The state treasurer reports the following:

Balance in the treasury March 31, 1895, less advances made to the legislature, \$3,284,895.59; amount due on account of appropriations for 1894, and which includes the common school appropriation balance for 1895 of \$5,000,000, \$7,370,321.40. In this total sum there are appropriations to five charitable associations, and to the soldiers' orphans' industrial schools, of which no part has been drawn from the treasury, amounting to \$103,500.

The estimate of the ordinary revenues of the state for the current year, ending Nov. 30, 1895, amount to \$9,825,100. From this is to be deducted \$999,371.50, transferred to the sinking fund, leaving an estimated revenue of \$8,825,728.50, a total for the two years ending Nov. 30, 1895, of \$18,911,457.

In reply to the question as to the probable amount of revenue which could be derived during each of the next two years from a tax of sixteen cents per barrel on malt liquors brewed in the state, State Treasurer Jackson says he is not in possession of the data necessary to make such an estimate. Representative Fox estimates that such a tax will raise \$1,200,000 revenue annually.

Mr. Reese, of Luzerne, offered a concurrent resolution calling attention to the overcrowded condition of the anthracite coal regions, owing to the constant importation of laborers from other sections, and calling for the appointment of a joint committee of six to confer with mine owners for the purpose of "promoting the welfare of a most needy and deserving people."

Two-Mile Cycling Record Lowered.

SAN JOSE, Cal., April 29.—San Jose has justified her claim that she has the fastest track in the world. Four thousand people witnessed the cycling races here yesterday. All were well contested, but the main interest centered in the two-mile scratch, which was won by Eddie Bald, of Buffalo, in 4:16 1/5, the former record being 4:21 3/5, made by Ziegler, in Denver.

MRS. PARNELL ASSAULTED.

The Irish Patriot's Mother Found Maimed and Unconscious.

BODENSTOWN, N. J., April 29.—Mrs. Della T. S. Parnell, mother of the late Charles Stewart Parnell, who lives at Ironsides, overlooking the Delaware River, near here, was found bleeding and unconscious by Charles Casey, son of the farmer who has charge of the farm at Ironsides.

Mrs. Parnell was found lying beside a fence with her face and head covered with blood. Her handbag was found alongside the railroad track nearby—her pocketbook missing and papers scattered in all directions. Help was obtained, and she was carried to the house of Farmer Casey. Dr. W. H. Shipp, who was hastily summoned, made an examination and found that, besides several bruises about the face, the woman had a lacerated wound on the right side of the head, from which the blood flowed freely.

The aged woman remained unconscious until last evening, but is as yet unable to throw any light on the affair. Dr. Shipp found her still suffering from the effects of concussion of the brain and shock, but no symptoms have yet developed pointing to fracture of the skull. In view of her advanced age and the loss of blood, it is impossible to foresee the outcome of the case.

It has been learned that the old lady, while in this city, visited the hardware store of Samuel E. Burr and tendered a \$10 check in payment of a bill of about \$2. After receiving her change she left for her home, walking along the railroad tracks, where the assault was doubtless made.

Two tramps were arrested on suspicion yesterday, but as they proved to know nothing of the assault they were released.

YESTERDAY'S BASEBALL GAMES

Pittsburg Defeats Louisville and Boston Wins from Washington.

LOUISVILLE, April 29.—Pittsburg had no trouble defeating the home team yesterday. Knell pitched the first three innings, and the Pittsburgers took so kindly to his curves that Luby was substituted. The ex-Chicagoan succeeded in keeping the hits pretty well scattered, but the game was already lost, as the home team could not bring their hits. Hatfield was hit on the arm by one of Hawley's swift shutouts and had to retire from the game, Glasscock taking his place. Shugar's throw from deep center, catching Stenzel, Pittsburg's centerfielder, at the plate, was a feature. Attendance, 1,600. Score by innings:

Boston Defeats Washington.

BOSTON, April 29.—Boston opened the home season by defeating Washington, 11 to 6. The beautiful weather brought out a crowd of 15,000 enthusiasts, which overflowed the stands and enforced ground rules. The senators gave Stockdale excellent support, but lost the game in the seventh, when four doubles and a single gave Boston seven runs. Score by innings:

A SYRACUSE LADY.

Suffered From Heart Trouble, Liver Complaint and Rheumatism, and Was Cured.

From Syracuse, (N. Y.), Herald.

The efficacy of Dr. Kennedy's Favorite Remedy was never more substantially proven than in the case of Mrs. C. S. Abel of this city. Mrs. Abel lives at No. 114 Roberts avenue, where she was seen by a reporter. She talked freely of her case, and said: "For a number of years I have been troubled with liver complaint and rheumatism, that made me almost helpless. I became so ill I could scarcely walk across the floor. One of our home physicians informed me that I had heart trouble, and began treating me for that. His treatment did me no good. One day I read of Dr. Kennedy's Favorite Remedy, which I purchased, and began taking, and improved greatly. I have now taken six bottles, and was never so well in my life. I can say nothing but kind words for Dr. David Kennedy's Favorite Remedy, to which I owe so much. I know of another case in which Favorite Remedy restored to health a friend, who was thought to be incurable."

Mrs. Abel said she would be glad to describe her case to any sufferer who may call upon her. The family are quite as profuse in their praise of Favorite Remedy as Mrs. Abel herself.

Dr. David Kennedy's Favorite Remedy is a never failing specific in diseases of the skin and blood. It restores the disordered liver to a healthy condition and corrects constipation. It is a certain cure for the diseases peculiar to women. It cures scrofula, salt rheum, erysipelas, nervousness, loss of sleep, or that worn-out feeling. In cases of rheumatism, dyspepsia, gravel, Bright's disease, diabetes and bladder troubles. Dr. David Kennedy's Favorite Remedy is sold by all dealers in medicine at \$1 per bottle, or six bottles for \$5.

Spring Medicine

At this season, more emphatically than at any other, we should build for the future.

When Nature gives vitality to field and wood, there should be the harmony of renewed life and energy in our physical systems.

But, on the contrary, we find ourselves weak, dull, tired. This is because in the winter we have been housed-up in poorly ventilated offices, homes and shops, our blood has become thin and impure, and is unequal to the demand of the body for more life, more vigor, more energy, more strength.

Nature imperatively cries for help! Where is it to be found? Logically enough, in a good Spring Medicine, like Hood's Sarsaparilla, the great blood purifier.

This preparation has proven in many years of test that it supplies the demand as nothing else can

So easy to take and so readily assimilated, the purifying, vitalizing and enriching elements of Hood's Sarsaparilla—combined from nature's own storehouse of vegetable remedies for human ills, pass into the stomach and are then silently but certainly taken up by the blood and sent to every organ and tissue of the body.

The effect is often magical. The weakness is soon driven off, that tired feeling disappears, the nerves are built up, the stomach resumes its tasks even greedily, the appetite becomes as "sharp as a whetstone," and the whole man feel "as made anew."

The wonderful cures of Scrofula, Salt Rheum, and other dreadful diseases prove the great curative, blood purifying powers of Hood's Sarsaparilla. You undoubtedly need a good Spring Medicine. Take Hood's Sarsaparilla, the great blood purifier.

Hood's Sarsaparilla

The statements in the testimonial below are familiar facts to the immediate friends of Mr. Geo. A. Zirkle, school teacher, of Mt. Horeb, Tenn., very well known throughout the county, where he was born and has always lived. It illustrates the wonderful power of Hood's Sarsaparilla over all diseases of the blood. Read it:

"I believe in Hood's Sarsaparilla. I will tell you why. I have suffered from inherited scrofula from childhood. When 37 years of age my eyes became

Strangely Affected. I could not read after sunset, and when I would close my eyes I could not open them; but on whichever side I lay on that side I could open my eye. This condition continued about two years, and was succeeded by an intolerable itching all over my body and limbs. I had to have my little boys take shoe brushes and scratch me. It was dreadful. It continued a month and was followed immediately by a tumor in the right side of my neck as large as a small egg. I took physicians' prescriptions till I lost hope. In the meantime the tumor changed its place to the immediate front of my neck, suppurated

and was followed by others, till six had formed and broken.

"Finally, three years ago, another large tumor seated itself on the point of my collar bone and in six months another half way back on the bone. Both of them soon began to discharge and continued to do so till about seven months ago. I tried everything, including prescriptions. I was often so weak that I could scarcely walk and my mind was so confused that I could scarcely attend to my business (school teaching). I was utterly discouraged. And now my story draws to a close. I began the use of Hood's Sarsaparilla a little less than a year ago, and took five bottles. When I began I had no faith in it. In less than 3 months

Both the Sores

on my shoulder were healed; I was cured of a troublesome catarrh; and scrofulous habit has steadily grown less apparent. I weigh more than I ever did in my life and am in the best of health considering my constitution. Do you wonder that I believe in Hood's Sarsaparilla? I can do no less than recommend it everywhere." GEO. A. ZIRKLE, Mt. Horeb, Tenn.

Scrofula Eradicated.

"I am a great sufferer with blood trouble. I have taken several bottles of Hood's Sarsaparilla and find it the best medicine I ever saw for scrofulous humors and blood poison. It strengthens the system and drives away that tired feeling. No one knows the good Hood Sarsaparilla will do until it has been faithfully tried." LAURA M. LAWTON, Spragueville, New York.

Sores On Neck and Arms.

"Last spring I had sores come on my neck and arms, owing to bad blood and a run down system. My physician told me to get Hood's Sarsaparilla and take it to purify my blood. After taking three bottles I was cured. It is an excellent spring medicine." MRS. ARNA DITZLER, New Danville, Pennsylvania.
