ROUNDS OF THE BASES

Weather Permit, the Base Ball Season Will Open Here Tomorrow.

MORE PLAYERS ARRIVED!

KENNEDY, THE CATCHER, HAS RETURNED FROM NEW YORK AND CLARK IS HERE.

Eleven Men Are Now Ready to go Upon the Diamond and the Twelfth, "Cappy" Martin, is Due Tonight.

Nothing but a severe storm will prevent the opening of the State League base ball season here tomorrow. Workmen were today engaged in repairing the damaged fence of the grounds at the Trotting park and everything will be in readiness for the game tomorrow afternoon.

The home team is ready for the fray with eleven men on the grounds. Kennedy, of New York, and Clark, of Circleville, Ohio, arrived last night and will be ready to take their positions. These have not been decided upon, but it is quite certain that Kennedy will catch. He caught for the Brooklyn National League team for a while last season and did very good work, so he should make a good showing in tomorrow's game. He can throw to second with one movement and with much better success than many good men can throw to first. This was one of the weak points of the home team last season. The batting material of the club is also said to be excellent. The players have thus far sent seventeen balls to the rag pile in practice.

The club as it now stands comprises William McCoach, Chester; Tim Nevins, Columbus, O.; William Severs, Portsmouth, O.; Jim Little, Springfield, Ohio; Jack Merriman, Philadelphia; John Switzer, Harrisburg; George Gill, Philadelphia; John McGarvey, Hazleton; Rafferty, of Philadelphia; W. W. Clark, of Circleville, O.; and Martin Kennedy, of New York. "Cappy" Martin, an old time favorite who has recently been playing with the Demarests, is expected from Williamsport tonight and in the event of his arrival there will be twelve men on the grounds tomorrow afternoon.

The team begins the season with three pitchers, Nevins, Severs and McCoach. Kennedy says he is in trim to catch throughout the season, if necessary and barring accidents, but William Ford, of Augusta, Georgia, who is on his way to Shenandoah will also serve as catcher.

The people of Shenandoah should give the management of the team all possible encouragement this season, as every effort has been made to secure good material and the salaries paid some of the players are the highest ever paid men on local base ball teams.

It is regretted that the team has not been in better shape in the way of uniforms for practice and other matters, but rather than let Pottsville claim the first two games by forfeit the management has determined to summon all possible nerve and go into the opening of the season for all it is worth.

A Pottsville paper says Carbondale will play at that place on Monday, but that paper evidently does not keep abreast with base ball times. The HERALD stated yesterday that the Shenandoah management had decided to play the schedule, and this is so. If Carbondale plays at Pottsville on Monday the club will forfeit a game to Shenandoah.

Baldwin will be a mark when some of the Shenandoah bats get at him.

The Pottsville club will wear the same suits used last year. A large delegation will accompany the club to town tomorrow.

If Shenandoah should defeat Pottsville tomorrow the court house would tumble. The Jail Birds should have their suits conform to their name. They would look odd, but in keeping with the manner the team stole decisions last season.

The Harrisburg Telegram says: We hope that President Hanlon will stand by his principles and not consent to their frequent transfers from one town to another as long as they measure up to what is expected of them under the rules.

The Carbondale grounds are fully a mile north of the city. They are owned by a fair association and will in time become excellent. The grand stand has not been built yet. Just west of the grounds the mountain side affords a fine grand stand.

Manager Swift, of Carbondale, says: "There's a team that is being overlooked. While we hear much about Pottsville and Harrisburg nothing is being said of Hazleton, yet they have an excellent chance of winning the pennant."

DROP IN THE WAGE SCALE.

Ten Per Cent. Comes Off Miners' April and May Wages.

The committee appointed to regulate the wages paid to the employees of the P. & R. C. & I. Co. for the last half of April and the first half of May have made the following report:

Gilberton salaried, P. & R. C. & I. Co. \$23.7

Elmwood " " 20.8

W. Shemans " " 21.8

Hazleton " " 22.1

Beaver groß " " 24.1

Average, 22.5.

The rate of wages will, therefore, be 10 per cent below the \$2.50 basic.

Pursuant to the orders previously issued all the collieries of the P. & R. C. & I. Company will suspend operations to-night. It is possible that orders will be issued for a resumption of work tomorrow, but this event will depend on what the coal sales agents do at their meeting in New York today.

NEW COUNTY BILL DEFEATED.

The Quay County Movement Was Knocked in the Head This Morning. Special to the HERALD.

HARRISBURG, April 30.—The bill to create the county of Quay came up this morning and was defeated by a vote of 83 to 92. The enthusiasm of the lower Luzerne county people was not as great when the bill came up today as it was before action on it was postponed the last time, yet the defeat of the measure made some of them very sore. The railroad companies are said to have made a stand against the bill to avoid increased taxation which a new county would have involved.

Strouse's watch charms are elegant and reasonable in price.

Surprise Party.

A surprise party was held last evening at the house of Mr. and Mrs. Marshall, on West Lloyd street, in honor of their son, Benjamin, who recently returned from a Philadelphia hospital. Refreshments were served and a very enjoyable evening was spent. Those in attendance were Misses Annie Timmins, Mabel Marshall, Mamie Amour, Jennie Powell, Emma Hares, Hattie Lamb, Sarah Baugh, Annie Greener, Hattie Marshall, Mary Millichip, Maggie Williams, Grace Lamb, Amanda and Lillie Marshal; and Messrs. M. Harman, Thomas Millichip, William Bath, Elmer, Benjamin and Edward Marshall, John Bath, Jr., Seth Jones, A. Millichip, William Baugh and Lewis Hopkins, Jr.

It was Temptation.

John Shupack, of Mt. Carmel, came to town Saturday to visit friends. At one house he visited he saw twenty dollars in bills lying on a window sill and, fearing that they might be blown away and lost, he picked them up and struck them into his pocket. Had he tried to find the owner, or even surrendered the money when requested to do so, he would not now be in the county jail, but he was so fearful that the money would get lost if it left his pocket that he kept it there. This morning Justice Toomey committed him for trial in default of bail and Constable Giblin took him down to Pottsville.

It is Temptation.

Matthew Fahey, of town, has entered suit against James McDonald, an inside foreman at Maple Hill colliery, for assault and battery. The warrant was issued by Justice Lawlor and served upon the defendant yesterday. Fahey was entered at St. Nicholas. It appears that Fahey and McDonald had a dispute over work done by the former and Fahey alleges that the boss struck him.

At the Theatre.

It is said that one of the strongest features of Fanny Rice's new play, "Nancy," is the fact that it creates so much hearty laughter and genuine applause, and at the same time teaches a wholesome moral lesson. The critics say that it is so entirely different in construction from any other play as to be a refreshing and delightful novelty. At Ferguson's theatre on Thursday evening, May 2d.

Without Friends or Funds.

Health Officer Miles today found Thomas Bulchinski, a fife, suffering from typhoid fever at a boarding house at 334 South Pear alley. The man is friendless and without means to purchase medicine or nourishment. The attention of the Poor Directors has been called to the case.

ROMANOSKI A RANK FAKIR

BROKE A WATER PIPE IN HIS CELL WITH THE DECLARED INTENTION OF SUICIDE.

A Constable Found the Man Lying Upon His Back, Apparently Unconscious, But He Was Landed in the Pottsville Jail.

Joseph Romanoski was taken before Justice Rybnick last night, charged with felonious assault upon a countryman at Gilberton. After being accorded hearing and being unable to furnish \$1,000 bail, Romanoski was committed to the lockup. This morning Constable Dando went to the lockup to get the man and take him to Pottsville, but to his astonishment found the place flooded with water and Romanoski lying upon his back, apparently unconscious. The constable hastened to look for medical assistance and Dr. J. S. Callen responded. He found that Romanoski's pulse was very fair and it was concluded that the man was faking.

After some persuasion Romanoski consented to cast aside his fake and explained the situation, at the same time accounting for the flooding of the lockup. He said that during the night he became desperate and broke the large water pipe leading to the closet. He then placed his head under the heavy stream of water for the purpose of drowning himself. He finally became exhausted and fell upon his back on the floor of his cell.

The constable secured some dry cloth

for the man and had him make ready

for the trip to Pottsville. Romanoski

made the change of clothing, but was

again seized by a fake spell of semi-

insensibility. Dando was not to be fooled

the second time. He got Expressman

Edward McGinness to haul the fellow

down to the Pennsylvania depot and in

due time landed him in Pottsville. Romanoski walked from the depot to the jail without trouble.

Grand Opening at Lakeside.

A grand opening of the spring and summer season will take place at Lake side next Friday evening, May 3d, and it is expected that throngs of people from all parts of the county will be in attendance. The Schoppe orchestra
