## STILL ON TOBOGGAN.

The Home Team Suffers its Fourth Consecutive Defeat at the Hands of Pottsville.

### WILL WE EVER WIN ?

THE RESULT OF SATURDAY'S GAME WAS VERY HUMILIATING TO THE LOCAL CRANKS.

The Local Management is Being Criticised Unmercifully, and the Poor Playing of the Team Will Cause Small Attendance.

Shenandoah is supposed to be represented in the State League by a base ball team, but if one is allowed to judge from the four games with the jail birds at the county seat it is no more than natural to conclude that we are merely filling up a gap in the circuit. One thing is certain, either the Shenandoah team is playing a very inferior class of ball or the champions are putting up a gilt-edge specimen of that commodity. The poor exhibitions on the part of the home team, if continued, will have a depressing effect upon the enthusiasm of the local cranks, and it will show itself in small attendances at the park. Something must be done on the part of the management to counteract this feeling if they desire a successful season, and that very soon. However, Manager Brennan appears to be making an effort to strengthen his team wherever a weak point appears, but the trouble lies in the fact that his efforts in this direction were not begun earlier in the season. The home team was certainly audacious for want of practice. Individually, there are several good players upon the team and with a weeding out of the inferior articles and a little practice we may all be happy yet. The season is yet young, and it is a little too early to estimate correctly the relative strength of the clubs composing the league. Carbondale, which is looked upon as being one of the strongest teams in the league, is tied with Shenandoah for last place. There may be but little consolation in this statement for the followers of the local team, but it goes to show that base ball is very uncertain, and that the tail enders sometimes close the season in the lead with a Garrison finish.

The game on Saturday was a very poor exhibition on the part of the Shenandoah team, and the attendance was very small. Mattern, who was released by Pottsville, was put in the box against his former colleague. His support was anything but good, and errors on the part of the insiders seemed to be the order of the day.

Cain and Fox were in the points for Pottsville, and the former held his opponents down to seven hits. Tighe led at the bat, having to his credit two singles, two doubles and a home run.

Today's Schedule.  
Allentown at Harrisburg, Carbondale at Pottsville, Reading at Lancaster, Shenandoah at Hazleton.

NOTES.  
Carbondale will play two games at Pottsville today. Shenandoah was scheduled at Carbondale, but the change was made to satisfy the jail birds.  
Gus Weyhing has been released by Philadelphia.  
If Shenandoah will get a better club

and play better ball we may be induced to permit them to use "Mahanoy City" in the club's title, but we positively refuse to share any of the odium of its unbroken defeats. We could put up better ball with amateurs.—Mahanoy City Record.  
Mark Baldwin will arrive in Pottsville this afternoon.

Fay's Steam Laundry nine defeated the Raspberry nine by a score of 6 to 4. The former team will meet any club in the county from 14 to 16 years of age for any size purse. Challenges should be forwarded to Robinson Hall, corner White and Cherry streets.

Shenandoah plays at Hazleton today and tomorrow and on Wednesday and Thursday will cross bats with Carbondale on the latter's grounds. The home team was scheduled to play at Carbondale, and the change was made to accommodate the Pottsville management, who wanted to play at home on account of the large crowd in attendance at the Buffalo Bill show.

Hazleton will play here on Friday and Saturday.

Ford, catcher, of Augusta, Ga., and Malarkey, pitcher, of Cold Springs, O., have been signed by Manager Brennan, and will arrive today.

Gill has received his release from the home management.

The Pill Shop base ball club, of town, crossed bats with the Smoky Hollow team yesterday, at the latter place, and were defeated by the score of 18 to 4.

The world was not made in a day. No more does a base ball nine become proficient in one or two games. The Shenandoah team may yet be heard from as factors.

Two of Ringtown's Citizens Dead.

John Brobst, a highly respected resident of the Catawissa valley, died at his home in Ringtown, yesterday. He was 84 years of age, and the immediate cause of death was a stroke he received a day or two ago. The funeral will take place on Wednesday morning at 10 o'clock, interment being made in the cemetery at Ringtown.

Philip Derr died yesterday at his home in Ringtown. He was 81 years of age, and had suffered from dropsy for some time, to which he finally succumbed. The deceased was a father-in-law of Daniel Landerman, outside foreman at Kohinore colliery.

There is a remarkable coincidence about the death of these two residents of Ringtown. They were raised together, and during their lifetime were warm friends. While the church bell was tolling the death of Brobst, the latter's friend passed away.

### A Commendable Act.

A little girl called at the fruit stand at the corner of Centre and White streets this morning for ten cent's worth of candy and handed the proprietor a ten dollar gold piece. The latter accepted the money but did not give the girl the candy. His suspicions were aroused and, upon inquiry, found the parents of the child and turned over to them the ten dollars. The action of the proprietor is to be commended, because he could easily have retained the money without the knowledge of the parties interested.

The neglect of a cold is often fatal. Dr. Wood's Norway Pine syrup contains all the soothing virtues of the pine. Never fails to cure.

### KILLED ON THE RAILROAD.

A POLE MET A FRIGHTFUL DEATH NEAR PARK PLACE ON SATURDAY NIGHT.

The Train Passed Over His Body, Severing His Head, Arms and Legs—Removed to His Home at Trenton.

A horrible railroad accident occurred on the Mahanoy division of the Lehigh Valley railroad on Saturday night, by which a Pole met instant death.

Mike Smirotski, a Pole, nineteen years of age, and a resident of Trenton, boarded an east bound coal train at Park Place at 8 o'clock, and when about half way between the latter place and Delano stepped from the coal train on the track in front of the west-bound passenger train No. 25, which is due here at 8:22. At the time of the accident the passenger train was running at a speed of forty miles an hour, and did not stop until it reached Park Place. At that point a telegram was sent to Delano for a special engine to convey the unfortunate man to his home.

The man's head, legs and arms were completely severed from his body, and presented a horrible sight to witness. The remains were conveyed to his home at Trenton.

### Return of the Favorites.

The announcement of the return of the very popular and highly capable Clair Patee Company for three nights at Ferguson's theatre, commencing next Thursday evening, May 9th, will be received with considerable pleasure by our theatre goers. Of all the popular priced organizations visiting Shenandoah this one proved to be the best. The comedy drama "In Old Louisiana" will be the bill for Thursday evening. It is filled with unspecialties, singing and dancing. Miss Virginia Bray and Mr. Nichols will be seen in the leading roles, and all the former favorites are still with the company including Miss Eva Taylor, Miss Florence Hadley, Miss Julia Hancock, Albert Livingston, George Gordon, J. W. Davenport and others. Prices will be 10, 20 and 30 cents.

### Testing the Water Pipes.

Contractor McAdam has about completed preparations for testing the water pipes of the public water works through the town, and tomorrow morning will begin operations in that respect. It is proposed to test the pipes by sections, and those laid on Coal and Line streets will be tested tomorrow. It will be done by water pressure, although the Borough Council had decided that the hydraulic pressure be used. The water pressure will hardly be acceptable to the members of Council. The engineer at the pumping station has been instructed to keep the pumps at their full capacity in order to have sufficient water in the distributing reservoir to fill the pipes during the test.

### Criminal Court Opens Today.

### He Paid the Tax.

Joe Samulaski boarded the Pennsylvania train leaving here at 6:00 o'clock this morning, bound for New York. The books of the Tax Collector show that he is a delinquent to the amount of \$8.47 and when Mr. Scanlan requested payment before his departure, the Pole handed the amount due over without any protest.
