## THE BOROUGH COUNCIL

An Adjourned Meeting of the Body Was Held Last Evening in the Council Chamber.

### BILLS AND COMMUNICATIONS

THEY APPEARED IN PROFUSION AND CONSIDERABLE TIME WAS SPENT IN DISPOSING OF THEM.

Bids for Hauling Coal From Brandonville to the Pumping Station Opened and the Contract Awarded to William Schmicker.

The Borough Council held an adjourned meeting last night to consider communications and pass bills that were laid over from the last meeting. President McGuire was unable to be in attendance, on account of the serious illness of his father, Martin McGuire, Sr., and Mr. Kane presided at the meeting. The other member in attendance were Messrs. Dougherty, Hand, Kane, Kerns, Meluskey, Gaffigan, McEhenny, D. R. James, Gable, Straughn, T. J. James, Boehm and Reese.

The Eclipse Oil Company of town sent in a communication claiming damages for injury to a wagon on account of the imperfect condition of the road where the water pipes are laid on Emerick street. The case was referred to the street committee.

A communication from John Robbins concerning the natural sewer that runs through town, from the northern to the southeastern part, and recommending that the people divert the sewer where it passes through their properties and Council put in traps where gutter water runs into the sewer was read and filed. Council said they considered the suggestion a good one.

A communication from the Anthracite Telephone and Supply Company was read and filed. The company asked for rights of way for a telephone line on promise of better and cheaper service.

Hon. B. J. Monaghan was in attendance and a draft of an ordinance giving a right of way to the Schuykill Telephone Company was presented by the ordinance committee, but was not considered, as the meeting was an adjourned one and the chair ruled the matter could only be taken up at the next meeting. The ruling settled a discussion as to whether the word "next" applied to an adjourned meeting.

In answer to questions by Councilmen, Mr. Monaghan said his company was prepared to enter into an agreement to furnish the borough with a telephone free of charge as one of the considerations for the right of way. Council gave notice that this agreement should be incorporated in the ordinance.

The bids for hauling coal from the Brandonville station to the pumping station were opened and read as follows: C. S. Reichart, 40 cents per ton; William Schmicker, 40; Martin Mullaly, 42; W. P. Seward, 45.

Mr. Kerns moved that the contract be given to William Schmicker and he be required to furnish a \$500 bond.

Mr. Gable amended that a bond for \$2,000 be required and if Mr. Schmicker failed to furnish it the contract be given to the next lowest bidder. The amendment was defeated and the motion carried.

Borough Treasurer Davies presented his report for the month of April, showing expenditures to the amount of \$3,042.40 and a balance of \$17,005.88 on May 1st.

The fire marshal's report showed that there were four alarms of fire during the month.

The report of the Chief Burgess showed that he collected for fines, licenses, etc., during April the sum of \$73.50, which was the largest collection made for one month in several years.

The report of Chief of Police Tush showed 27 arrests for the month and fines to the amount of \$40 collected. Twenty paid fines and the balance served time. This is also a big record.

Mr. Gable made complaint that three men named Shoup, Taylor and Campbell, residing at Turkey Run, created a reign of terror on Cherry and Oak streets from midnight on Monday until 6 o'clock yesterday morning and he wanted to know where the police were. The chairman of the lamp and watch committee was instructed to investigate the matter.

Mr. Gable recommended that Mrs. Ring heiser, of West Oak street, be exonerated from taxes.

The water committee has given a note for the Jeanesville Iron Works claim. It is for \$7,980 and will be due on August 9th, 1895.

## THE DIAMOND DOINGS.

Yesterday's Game Between Shenandoah and Hazleton Well Played.

### HOME TEAM SHOWS UP WELL

POTTSVILLE'S DISCARDED PITCHER WAS IN THE BOX AND MADE THE CONTEST AN INTERESTING ONE.

Kennedy, the Catcher, Jumped the Shenandoahs at Hazleton Yesterday, But the Management Will Not Bring Him Back.

The American people want winners, in whatever branch of business or sport they are interested. This was illustrated in Philadelphia last week. Thursday 20,000 people went to the base ball game. The Philadelphia club lost. On the next day but 2000 were there, but the Phillies won. Their winning proved a good thing for them, for on the following day 15,000 people paid to see them play again—and win. The Philadelphia and Shenandoah people are alike in this respect. The latter will not patronize a losing club.

It may be that our team has made up its mind to pull itself together and give a better article than it has been giving the people. At all events the players braced up at Hazleton yesterday and made the game a very close one. From start to finish the contest was exciting and brilliant plays were numerous.

Matters, the pitcher the Pottsville released on Saturday, pitched a strong game for Shenandoah, and but for two fumbles by the infielders the game would have been prolonged for more than nine innings. Merriman and Clark also played well.

Contrary to rumors there is no likelihood of the home team disbanding, or being transferred to some other place. It is confidently stated that the season will be played here, but there may be a change of management to a syndicate. This change, however, is entirely dependent upon the willingness of Manager Brennan to surrender the franchise, and at present he is not inclined to do so. In this he may change, however, during the next two weeks.

Kennedy, the catcher, "jumped" the team at Hazleton yesterday. He received \$25 advance money when he signed and is a few dollars ahead of the management. His departure is not regretted by the patrons of the game, or the management. He was signed on the strength of representations that he caught in eleven games for the Brooklyn national league club last year, but with Shenandoah he did not display enough ability to play with a third-rate amateur team. He was awkward, slow and everything else which is not in the make up of a man who knows how to play ball. The home management says it will not go to the trouble of having him blacklisted for the "jump," because he is not worth the trouble.

There was a report current last night that Gill intended to attach the gate receipts of the home team for salary due. One of the managers said today that Gill is "blowing" and that there is no money due him.

The score of the home team's game at Hazleton yesterday was as follows:

McEhenny's Popular Cafe. The attention of all lovers of something good to eat, and the public in general, is called to the bill of fare now on at McEhenny's—frogs, hard shell, deviled and steamed crabs, lobster salad, little neck clams, large and elegant prime oysters, in fact every delicacy the market affords. The eating department of this cafe has no equal in the county. Obliging waiters to attend to your wants. The elegant and spacious dining parlors on second floor is presided over by a lady attendant.

One application of Dr. Thomas' Electric Oil takes away the pain of the most severe burn. It is an ideal family liniment.

Improvements. Mrs. Burns is erecting a double block on North Market street.

Thomas Bellis has broken ground for a new building on the same street.

C. E. Titman's new addition to the Harington building, recently purchased by him, is under roof.

Evans Anstock has a new double block under roof on North West street.

The neglect of a cold is often fatal. Dr. Wood's Norway Pine syrup contains all the soothing virtues of the pine. Never fails to cure.

Watson House Free Lunch. On account of Mr. McGuire's thoroughly renovating the Watson House this week, he will abandon his hot lunches, with the exception of Saturday evening, and will serve an elegant cold lunch every morning and evening instead. Remember this arrangement is for this week only.
