Reported Engagement of Miss Willard.

CHICAGO, May 11 .- A story is floating around in Women's Temperance circle to the effect that Miss Frances Willard, the famous temperance lecturer, may be led to the altar before autumn. The gentle man in the case is alluded to as "an En-glishman of wealth and position and of prominence in reform work across the water." Miss Willard's most intimate friends, however, point to the fact that she is just entering upon her 56th year and say that she has not hinted at any prospective change in her domestic relation

LONDON. May 11 .- Jem Smith and Ted Pritchard fought last night at the Contral Hall, Holborn, for the heavyweight championship of England and £200 a side and a purse. The decision was to be given to the best man in twenty rounds. In the first round Pritchard had the advantage, but in the second Smith got in a severe blow on Pritchard's body and soon knock G.

ed him out of the ring. Pritchard was unable to respond to the call of time and

the fight was awarded to Smith.

The Manitoba School Muddle.

WIMMIPEG, May 11 .- It is said that Premler Greenway and Attorney General Sifton will leave for Ottawa next week. The rumor is that the recent letter from Lord Aberdeen summoned these gentlemen to Ottawa to see if something could not be done to escape the difficulty created by the sweeping terms of the remedial order. It is not for a moment suspected that any gubernatorial influence will have the slightest effect on the policy to maintain intact the present system of schools.

Striking Workmen Discharged.

CHICAGO, May 11 .- The Illinois Steel company has thrown down the gaunties to its striking employes by discharging every one of them and announcing that h will fill their places and start the mills full handed Monday. None of the strikers have been permitted to re-enter the grounds of the company for any purpose whatever. Each man's tools and pay were sent to his house and he was notified that ho was discharged.

Darnegie Workmen Demand an Increase. PITTSBURG, May 11.-The 1.500 employee of the Carnegie Steel company's plant a Braddock yesterday made a formal demand for an increase ranging from 10 to 20 per cent. The company was given until the 15th to make an answer. The company had evidently anticipated such a move and had enough pig metal stored at the mill to keep it in operation for more than a month.
