Elected Superintendent of the Public Water Works by Council Last Night.

SALARY AND BOND FIXED.

SEVENTY-FIVE DOLLARS A MONTH IS THE AMOUNT OF THE FORMER.

A Bond in the Sum of Ten Thousand Dollars to be Furnished-The Jeanesville Company's Note Discussed at Length.

The Borough Council held a regular meting last night and was in se sion unil almost midnight. The members in utendance were Messra. Reese, Straughn, inde, Magargle, T. J. James, McElberny, Kane, Bochm, Meluskey, Dougherty, Hand, D. R. James and Kerns.

The features of the evening were engthy discussion of the Jeanesville note and discount matter, which resuited in a decision to cancel the note, and the election of a superintendent for the public water works, in which ex Councilman O-car Betteridge was sucpesseful over ex Councilman A. B. Lamb.

Mr. Kane made a lengthy report for the roads and highways committee and stated that in the matter of the claim of \$8 25 by the Eclipse Oil Company for damages to its wagon on account of the bad condition of Emerick street it had been found that the bad part of the street could have been avoided, but that a short turn and the washing of the oil to one side had upset the wagon. The

report was accepted. T. J. James, of the finance committee, stated that Messrs. P. J. Ferguson and J. J. Francy, bondsmen in the Higgins case, had given their checks for \$2,000 and were ready to give their notes for the balance due.

D. R. James then brought up the Jeanesville Company's note business and said that if the finance committee had attended to its business it would have known that the claim fell due on April 20th and not compel the borough to pay a discount of \$125.

T. J. James said the finance committee had nothing to do with the transaction; that the water committee did it.

Mr. McElhenny said he wanted a little light on the subject. He wanted to know who allowed Mr. Meluskey to have the note discounted at the borough's expense.

President McGuire said the instructions of Council to the chairman of the water committee was to see if the claim was due and, if so, have the officers of Council xecute a note for the amount and give i

Mr. McElhenny said the instructions were not for Council to pay the discount. He did not blame anybody for the transaction, but he thought it was a piece of pretty sharp fluanciering on the part of he bank.

The secretary was requested to read the motion made by Mr. Gable at a previous meeting. It was read as follows: "That he chairman of the water committee look up the matter in regard to the Jeanes ville Iron Works and, if the moner is due, that a note be given to the company for the amount."

Mr. Meluskey said : "The matter was referred to the water committee to see whether the amount was due and, accord ing to contract, it was due April 20th and reported so to the president of Council As for paying any interest, I know noth ng of that. The note was drawn for \$7,980 and a bill for interest will come up later on. The water committee had nothing to do with interest.

Mr. McGuire said that before action wag taken on the note the Borough Sof itor was consulted and that the hairman of Council seted under his in-

Mr. Pomeroy, the solicitor, made engthy statement in which he stated that Sunday evening Mr. Morris, representing the Jeanesville Iron Works called on him and said he wanted the note to have it discounted. Mr. Watkins, the secretary, was absent from town and the note could not be properly executed without a special meeting of Council to elect a secretary pro tem. On Monday morning following President McGuire, Treasurer Davies and Mr. Hunter, the cashier of the bank, called on him. Mr. Hunter demurred. A note had been drawn for so much and interest, Mr. Hunter wanted a note without interest. Mr. Pomeroy said discount and interest amounted to about the same thing. Mr. Pomeroy did not find out what they did until he got home from Pottsville that afternoon. Mr. Morris then said he had made satisfactory arrangements. Mr. Pomeroy added that if the committee carried out the instructions of the Borough Council it had to give a note. It could not give a check, or cash.

Mr. Gable said he made the motion to Baking Powder tomorrow will be a give the note because from conversation 4 quart oil can. Remember you get a in Conneil he understood that there was I pound box of baking powder and a no money in the treasury. He said he 1-gallon oil can for 50 cents. heard that Mr. Hunter stated that the Mr. McGuire said he was not so in Centre street. Dealer in stoves. borough had \$17,000 in bank, and that Mr. Davies said so, too, and if so, the officers made a mistake.

formed until after the note had been executed.

Messrs. Gable and D. R. James then got into a hot exchange of words, during which Mr. James said he would like Mr. Gable to state to the people the difference between \$90,000 and \$150,000, and Mr. Gable said he would give Mr. James \$25 to go into a small space with him. The latter retorted that he was ready at any time, but the exchange ended.

Au ordinance granting right of way to NEVINS' FIELDING WAS BAD the Schuylkill Telephone Company was adopted. The company is to enter into a written agreement giving the Council free use of the local exchange.

Solicitor Pomeroy read opinions on the Lawlor and Jones claims for damages, stating that the borough was not respon sible. Mrs. Bridget Lawlor claimed damages for being struck by a coasting sled on Chestnut street last February. Mr. Jones claimed damages for injuries sustained by falling on a slippery pavement on North White street.

The claim of Lawrence Little for damage to sleigh was ordered paid and the claim was placed in the hands of the Solicitor for collection from the Schuyl kill Traction Company.

treet complaining about the sawer which ias been before the Council and Board of Health for several weeks past was read and President McGuire instructed the sanitary committee to meet the Buard of Health and see what can be done to abate structions in the matter.

Mr. Meluskey made a lengthy report of routine work on the public water works and also stated that Quinn & Kerns have sent in a bid for \$5,930 for repairing the Brandonville dam. It is claimed that st, 800 of the amount is for new work.

The bond of William Schmicker and his agreement on his coal hauling conract were accepted.

On motion of Mr. McElhenny, it was decided that the parties who executed the iote given to the Jeanesville Iron Works Company see the offi dals of the bank and see if the discount cannot be cancelled by paying the principal and interest for the time the money has been used.

Council decided to hold another meet ng next Monday evening to meet Con ractor McAdam.

A. J. Womelsdorf has sued the borough for 8900 for extra services in connection with the public water works.

On mo lon of T. J. James, the salary of the superintendent of the water works va fixed at \$75 per month and on motion of Mr. Hand, the officer's bond was fixed at \$10,000.

T. J. James nominated ex-Councilman A. B. Lamb for the superintendency and Mr. Gaffigan nominated ex Councilman Oscar Betteridge. The latter was elected. Messra, Kane, Meluskey, McGuire, Gaffl gan, Kerns, Dougherty, Hand and D. R. James voted for Mr. Betteridge, and desars. Boshm, McElhenny, Magargle, T. J. James, Straughn, Gable and Reese oted for Mr. Lamb.

Mr. Straughn presented the following esolution and it was adopted on motion of Mr. Gable; "Resolved, That all industries established in the borough of Shenandoah giving employment to at least thirty five hands are hereby exempted from taxation for borough purposes for a period of ten years from the beginning with the passage of this resolution; pro vided that the privileges of this resolu tion shall be construed to refer only to buildings as are required in the operation of such industry as may ask for exonera-

Mr. Gable reported that the Phoenix Fire Company wanted its money, but the Columbia Hose Company was willing to wait for its appropriation until July 1st. Mr. Reese said the Rescue Hook and Ladder Company desired its appropriation for building purposes. Orders were granted for the Phoenix and Rescue Com-

Mr. Reese recommended Mrs. Shortall, of the 5th ward, for exoneration, Mr. McGuire recommended Mrs. McNulty, of the Sad ward, Mr. Gable recommended Mrs. Becker, of West Centre street, and Mrs. Davis, of South Catharine street,

Mr. James referred to the discussion on xonerations before the School Board on Wednesday night and said Council ought to establish some rule governing the granting of exonerations from taxes.

Try Scheider's Homemade Bread and Cakes. 23 East Coal street.

McElhenny's Lunch Invitation.

Tonight is McElhenny's clam chowder night, and he cordially invites the public to visit his popular cafe and enjoy his hospitality in the shape of a dish of his inimitable chowder, and he again calls your attention to the fact that tomorrow night he will have genuine snapper soup for free lunch. Do not forget tomorrow night-the finest free lunch ever given to the public-genuine snapper soup.

For a good drink of New Jersey Applejack Whiskey, call at M. P. Conroy's, 31 Merriman flew out to Cappel, McCoach South Main street.

GRAND UNION TEA CO.

Another Defeat For the Local State League Base Ball Team.

THE LANCASTERS ALSO JUMPED UPON HIS DELIVERY AND HIT IT FREELY.

Players on the Home Team Are Evidently Playing Off and Dissatisfied With the Management. Remarks by Them.

The tale of woe was repeated at the Trotting park yesterday afternoon. The home State League base ball team surfered another detest. Inis lime it was the Lancasters who did the trick. It was A petition from residents of West Coal the same old story. The Saenandoans treet complaining about the sewer which started out well, but somebody went wrong at a critical point and then every body seemed to get wheels in his head

The playing in the first inning pleased the spectators very much and they settled down to see a good contest. In the second the nuisance, and also instructed the inning their confidence received a slight Borough Solicitor to give the officers in- shock. In the third it was comple sly shattered, and before the game was over all but four of the spectators left the grand stand, although they did not number many at any stage of the game. Several times it was clear that the home players were not disposed to exert them selves. Nevins was the first to make a break in the good work and figured con spicuously in the degeneration during the whole game.

Merriman started the game with a hit, but went out with McCoach on a double play by Stout and Meyers. Little was retired on Stout's throw to Meyers. Cargo and Cappel went out on flies to King and Reagan was retired on a foul fly to Lee. The latter put up an excellent game up to the close of the contest.

King, the first batter for the home eam, in the second inning, went out on a foul fly to Cappel. Ford made a bit and was advanced by McGarvey's. Clark got his base on balls and Lee went out on a foulfly to Arthur. Nevins got his base on balls and Ford was torced home. Mc-Garvey scored when Merriman got his first on Meyer's error and the side was retired by Clark being thrown out at third by Meyers after he recovered the muffed ball. In the last half Nevins gave Se bold and Stout their bases on balls and Yeager brought the two men home with a two bagger. Nevins then struck out Meyers after giving him three balls. Nevins got Yeager into a fox chase between second and third and the player went out near second on a throw by Ford Little. Arthur went out on a fly to McCoach, who made a nice catch and gave the first indication of the season on

his part of a desire to play ball. In the third inning the visitors scored three runs after two men had been retired. and it was due to Nevins' poor fielding. Yerkes was the first batter and struck out on the first three balls thrown over the plate. Cargo went out on a fly to Mc Garvey. Reagan sent a slow grounder to Nevins, who ran with the runner half way to first and then made a bad throw to Little, giving Reagan his base. Cappel brought Reagan home on a two bagger. Sebold got his base on balls and he and Cappel scored on Stout's two base hit. Yeager then struck out.

In the fifth inning three more runs were added to the score of the visitors on hits by Cappel and Yeager and errors by Nevias and McGarvey.

Nevins started the seventh inning with a three bagger and got home when Merriman went out on a fly to Sebold. Me-Coach got his base on balls, Little was retired on a foul fly to Arthur and Mo-Coach went out at the plate on the throw in from the center field after King had made a hit. In the last half the home team was slaughtered. Two three base hits, three doubles and two singles, all well bunched, and two bases on balls brought in nine runs. There was only one error. That was made by Merriman. He and Clark were after the ball and as it descended the former threw his hands apart and allowed the ball to fall to the ground. His explanation for the misplay was that the captain failed to designate which of the two men was to make the play.

In the eighth inning Yerkes, the first batter for the visitors went out on a fly to King. Cargo got to first on an error by McCoach. Three singles, two stolen bases and a base on balls made five more runs and increased the total score for the visitors to 22 runs. Meyers and Arthur were then thrown out at first by Nevins. The last spasm was brief. Lee made s

hit, Nevius went out on a fly to Stout, got his base on Cargo's error and Little struck out, retiring the side and leaving the result 22 to 3 in favor of the visitors. The score

Today's Schedule. Lancaster at Pottsviile.

Reading at Carbondale. Allentown at Hazleton. Harrisburg at Shenandonh.

NOTES "I guess Brennau will begin to see that there is something in the wind," was a remark made by one of the home players after yesterday's game.

There is no doubt that the Shenandouhs can play ball, but won't do so under the present circumstances connected with the

management. Lee is looked upon very favorably as a

eatcher since his work yesterday. One of the home team told a reporter esterday that salary day feil on the 15th inst., and that if the money was not forthcoming by tonight he would not be surprised if the club should refuse to play until they are paid.

Manager Brennan says his indebtedness foes not amount to as much as some people suppose, that he has paid consider able advance money and several railway fares for players, which must be deducted from the salary list.

There is but one kind of clam chowder the genuine-at the Scheifly House tomorrow night.

Ball Players Strike.

All the players on the home team of the State Base Ball League struck for their salaries today. When the time arrived for them to report for today's game they refused to go to the grounds. Manager Brennan said the players were obliged to report and if they failed to do so he would fine them \$50 each. The players did not seem disturbed when told of this and did not go to the park. The Harrisburgs went up and claimed the game. It is expected President Hanlon will arrive here tonight to take some action. Manager Bentley, of the Lancasters, failed to get his guarantee yesterday and is here awaiting Hanlon's arrival. At three o'clock Manager Brennan was busy trying to get the players together to play today's game and at the time the HERALD went to press it appeared that some of the players were inclined to do

Finest eating and drinking bar in the county at McElhenny's.

Military Students Here.

party of students of the Ogon. Military Academy at Jenkintown, near Philadelphia, arrived at Pottsville last night and spent this morning visiting the mines north of the Broad Mountain. John Gilbert, of the Gilbert estate and Walter S. Sheafer, one of the executors of the P. W. Sheafer estate, accompanied them. W. G. Gregory, mining engineer for the estate, acted as guide, and took them to the Lawrence, Furnace and other collieries. At noon they dined at the Ferguson House and at 19:43 left by train. for Pottsville.
