THE Cleveland Administration already shows a deficit of \$50,000,000 so far this YEBT.

A NEW YORK man called a Galveston man a liar, and the doctors say he will be able to go back home in about three months, if he is prodent.

BISMARCE believes that women can have great influence in politics. There are plenty of women who will say that Bismarck has a grand old head on him, when they read this.

CAPT. J. W. MORRIS has started from San Francisco in a 45 foot boat to make a trip around the world. This may not be so sure as walking, but it will be pleas anter while it lasts
