

HUGH McCULLOCH DEAD.

The Venerable Financier Succumbs at His Maryland Home.

TWICE SECRETARY OF TREASURY.

First Appointed by President Lincoln in 1865, He Again Took the Treasury Portfolio Under President Arthur—His Contributions to Current Literature.

WASHINGTON, May 25.—Hon. Hugh McCulloch, ex-secretary of the treasury, died at his country place near this city yesterday, aged 86. Death came while Mr. McCulloch was in a comatose state, and was not so soon expected, even by the family physician. A general breaking down of the system, due to advanced age and aggravated by lung trouble, was the cause. His two sons, a daughter, and a grandson were at his bedside.

The interment of the remains will be in Rock Creek cemetery, near this city, probably on Monday next, although the time will not be fixed definitely until the arrival of a day steamer, expected in New York today from Europe.

Hugh McCulloch was the first man up to President Harrison's administration

Tired, Weak, Nervous Could Not Sleep.

Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I suffered from brain fatigue, mental depression, etc. I became so weak and nervous that I could not sleep, I would arise tired, discouraged and blue. I began taking Dr. Miles' Nervine

and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit. It Cures."

Two Tramps Killed in a Freight Wreck. DANVILLE, Ky., May 25.—In a freight wreck on the Cincinnati and Southern railroad near here early in the morning two men were killed and five others wounded. The injured men were all tramps, two of them being negroes. The dead men are: Stanley Davis (white), of Chattanooga; D. H. Stokes (colored), of Chattanooga. The wreck took place on a high hill, and the cars rolled down the hill in a heap.

Presbyterians to Raise a \$1,000,000 Fund. PITTSBURGH, May 25.—The attention of the Presbyterian General Assembly yesterday was occupied by things of importance to the denomination, but of no sensational interest. A \$1,000,000 fund to wipe out the debts of the benevolent boards, continued annual sessions, a deliverance on temperance and fraternal greetings from other ecclesiastical bodies completed the catalogue. The regular business of the assembly was much delayed by the amount of time occupied by the speeches of the delegates from outside.

A Catholic Salvation Army. CLEVELAND, May 25.—Catholic missionary workers are about to institute a movement of great importance among the masses of population in this city. It might be called a Catholic Salvation Army, except that some of the features of the Salvation Army will be omitted. The missionaries have the indorsement of Bishop Horstmann, and meetings will soon begin on street corners and curbs. So enthusiastic are the local Catholic clergy that several will resign from their parishes to engage in the street work.

None but Democratic Candidates. DANVILLE, Va., May 25.—There was no election in this city this year. In the county of Pittsylvania there was a free election, all candidates being Democrats. Sheriff Overmyer has no opposition. In other cases the old officers were beaten by new men. Vanden, for treasurer, had 87 majority, and Hugh Dillard, Jr., defeated George F. Risien, for commonwealth's attorney, by over 1,000.

Our President's Portrait in Lines of Fire. NEW YORK, May 25.—President Cleveland's portrait will illuminate the night during the festivities attending the opening of the Baltic ship canal. It will be shown in pyrotechnics from the yard arm of the cruiser New York at Niantic and at the same time a fiery portrait of Emperor William II will be displayed.

MEETING OF THE LEGISLATURE

It Will Convene on Tuesday Next, and It Is Hoped to Push Through Bills Framed by the Senate Investigating Committee. Suggestions for Economy.

TRENTON, May 25.—The senate investigating committee yesterday held its last public meeting previous to the reassembling of the legislature on Tuesday, June 1, when the committee will submit a report of its work, together with the draft of a number of bills which will be recommended for passage to correct the abuses and extravagances which have been discovered and exposed through the investigation. From now until the legislature meets the committee will be very busy preparing the reports and drafting the bills which will be recommended. Whether the committee will resume its investigation after the legislature adjourns will depend of course upon what action is taken in the matter by the legislature itself.

The legislature will be in session about two weeks, and if the present program is carried out nothing will be done outside of the consideration of such bills now
