MERE MENTION.

Some people like to be called "old women," but if the shoe fits, what's the difference?

When the burned district is rebuilt the town will look brighter than ever.

Don't believe the croakers, of which there are a few in town. Go about and help to make Shenandoah greater and better.

If we had more enterprising business men like Mr. Brewer things would go with a hurrah in town.

The League base ball games are being missed.

The electric railways entering town ought to give our people plenty of amusements at the different parks along their lines.

Atlantic City has taken Shenandoah's place in the League.

If half the stories in circulation are to be believed the burned district will be built up more substantial and handsomer than before.

The outlook for a busy season for our carpenters, masons, plasterers, etc., is very bright.

The miners will work about ten days this month.

Albert Eisenhart made a fine catch of trout yesterday. They ranged from six to thirteen inches.

Patrick Burke, Harry Reeves, Martin Mullahy and William Lowrey did special police duty last night in the place of Chief Tosh and Assistants Hand, Lee and Kirwin, who attended the wedding of their colleague, George Walatis.

J. S. Housnick is the agent for the Waverley bicycles.

B. B. B.

A Comparison.

The gloss put on the shirts and collars done up at Fay's Steam Laundry is as bright as the blaze created by the recent big fire.

Relief in Six Hours.

Distressing Kidney and Bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female.

"Pled" the Forms.

The Miners' Journal missed the out-of-town deliveries this morning on account of an accident in the press room. In some manner the forms were relieved of their fastenings and precipitated from the bed of the press, the type and cuts becoming a mass of "pl" on the floor of the press room.

The best and most reliable plumbing in town is done by P. W. Bell, the plumber, corner of Main and Centre streets. Satisfaction guaranteed.
