

PRINCETON STUDENTS SHOT.

FRED. OHL AND GARRY COCHRAN VICTIMS OF A BAD NEGRO.

In a Fit of Rage the Negro Inflicts Serious Wounds on the Two Lads at Anderson's Hotel.

PRINCETON, N. J., June 9.—Two students of Princeton college, Garry Cochran, '98, and Fred Ohl, '98, were shot last night in front of Anderson's restaurant on Nassau street by a negro named Jackson. Three shots were fired, all taking effect. Cochran's injuries are not serious, but Ohl is in a bad condition.

The trouble originated in the negro's blocking the sidewalk and the students attempting to pass. One lad took effect in Cochran's wrist and another in the chin. Ohl was struck in the abdomen and seriously injured. The negro has a bad reputation in the town, and the feeling among the students has been strongly aroused by the murderous attack.

The town officials were not slow to arrest Jackson and convey him to a place of safety outside the county. The students were kept in check by the college authorities. To-night the wounded students are lying in a critical condition. Dr. Bull, of New York, extracted the bullet from his body but failed to disengage the one underneath Cochran's arm.

Ohl belongs in New Castle, Pa. He is a member of Pull back Ohl, of the Cornell college football team. He played half back in the Princeton-Freshmen's football team and was last fall heavy weight case Sprer winning the only game won by the Freshmen. Cochran's is from Wilkes-Barre, Pa. He was captain of the Lawrenceville football team in '93 and played pull back with the Princeton team last fall.

PENNSYLVANIA LEGISLATURE.

Refusal of an Appropriation for the Philadelphia Investigation.

HARRISBURG, June 10.—After one of the most memorable deadlocks on the eve of the final adjournment, the senate, early Saturday morning, was compelled to recede from the amendment to the general appropriation bill setting aside \$30,000 for the expenses of the Penrose committee to investigate the municipal affairs of Philadelphia.

That the attempt to stifle the proposed investigation will prove abortive was emphasized late in the afternoon by the organization of the committee and the authoritative announcement that the investigation would be proceeded with. The committee met in room 116 of the Lochiel hotel, the senators remaining over in order that the committee might be put in position for work at as early a date as possible. All of the senators were present, as follows: William H. Andrews, John C. Grady, E. B. Hazardburg, Wesley Thomas, S. J. M. McCauley and Arthur Kennedy. Senator Penrose was present by invitation. The meeting was held in executive session, but it is no secret that nearly every one of the members made scathing speeches announcing their determination to push the probe in as far as it will go.

The committee organized by the selection of William H. Andrews as chairman and C. Wesley Thomas as secretary. On motion of Senator Grady the chairman was instructed to engage competent counsel to assist the committee, to secure one or more stenographers and to look after the necessary office hire. On motion of Senator Kennedy the chairman was instructed to have 2,000 subpoenas printed. Although no announcement was made of the fact it is known that Siles W. Pettit, of Philadelphia, is to be the counsel of the committee. He will be instructed to prepare the necessary papers in the case and will have everything in shape for the meetings of the committee. The committee adjourned to meet at the call of the chair.

While the committee adjourned to meet at the call of the chair, it was agreed that the next meeting should be held in Harrisburg in the early part of August. By that time it was thought all the details could be arranged and the committee be prepared at once to plunge into the investigation.

Comedian Emmet Tries Murder.

SAN FRANCISCO, June 10.—J. K. Emmet, Jr., the German dialect comedian, attempted to murder his wife Saturday night, and was only prevented from executing his design by the forcible interference of neighbors. Emmet had been about town all day, and in the evening returned home in a drunken condition. He and his wife had an altercation and she fled from the house. Emmet pursued her into the street and fired a shot at her at close range. Then he caught the unfortunate woman and beat her about the face with the butt end of the gun. Two young men pulled the maddened actor from his victim and turned him over to the police. Mrs. Emmet refused to allow her wounds to be examined. She insisted she had not been shot. There is a large wound upon her forehead, and it is thought the ball ranged beneath the scalp, but it is not dangerous. Emmet was arrested and admitted to bail.

Killed by Sewer Gas.

PROVIDENCE, June 10.—Germano Palumbo, Pasquale Maffeo, Crescenzo Desimono, Italians, and Charles Cassidy, a tailor of this city, were overcome by sewer gas at a cess pool at the rear of 590 Charles street. Desimono descended a ladder into a vault to repair a leaking pipe connected with a house of which he is the owner, and had no sooner reached the bottom than he was overcome by the gas which escaped from an adjoining vault. Maffeo and Palumbo descended soon after, and they, too, ~~lost consciousness~~. After several attempts rescuers succeeded in bringing up all three of the men. Palumbo was dead, and the condition of the others is serious. Palumbo was 32 years old and leaves a family.

Pennsylvania Forest Fires Renewed.

BRADFORD, Pa., June 10.—The forest fires of last week were renewed fiercely on Saturday and are still burning. Fires are reported in the vicinity of the Kane oil field and a force of men is fighting the flames. Grimsby is again the scene of destructive fires and a large amount of valuable timber has been destroyed. Fires are reported in the vicinity of Mount Alto and Mount Jewett. A destructive fire at Sugar Run, a small lumber town eighteen miles west of here, yesterday destroyed a trestle on the Allegheny and Kinzua railroad, and a large amount of timber.

The Judge Himself Convicted.

PERRY, O. T., June 10.—George Parker, a citizen of Alva, O. T., was arraigned a few days ago before Judge Goodwin for drunkenness and disorderly conduct. Judge Goodwin impaneled a jury of twelve men to try the case, who returned a verdict of guilty against the court. The verdict says: "We find the defendant, George Parker, not guilty as charged, but we find the judge of this court guilty of the offense charged against the defendant, and that the case in this case be assessed against him." The jury was composed of the best men in town.

A Locomotive Runs Away.

LOGANSPORT, Ind., June 10.—A passenger engine, while standing in the Pan Handle yards without any person on board, ran away yesterday. Only for the promptness of a switchman, who threw the engine onto a siding, it would have struck a passenger train. As it was it collided with a switch engine, killing Fred Schulz, a switch engineer, and badly wounding Pat Gray, his fireman.
