Evening Herald.

SATURDAY, JUNE 15, 1895.

The signs of the times indicate a prosperous future for Shenandoah. All that is required to bring a beginning of the prosperity is a little more confidence on the part of the citizen.

As proof of the fact that home industries are profitable it should be necessary only to point out the fact that every industrial establishment in the town is working over time.

It is our opinion that a mistake is made by some of the Republicans of this county in allowing the action of any particular representative on any bill before the last Legislature to become an issue within the ranks at the present time.

THROUGH Democratic inefficiency the people have suffered a loss of millions of dollars. Reduction of values, loss of foreign trade, the closing of home manufacturing industries, by which thousands of people were thrown idle, have brought about the loss and depreciated the Democratic party in the eyes of the people.

A Monster Equestrian and Zoological Exhibition. Sands & Astley's Enormous New and Old World Shows, which are to exhibit here Monday, June 24, is, without doubt or question, one of the most popular and attractive exhibition enterprises of the age.

Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of Constipation and Sick Headache.

Taglieh (rapartously)—Did you ever see Brainwaves, the poet, in one of his rare moments? Waggleh—I guess so. I met him at dinner.

All Free. Those who have used Dr. King's New Discovery know its value, and those who have not, have now the opportunity to try it free.

THE BOILER EXPLODED

And a Harness Shop at Fall River Is Demolished.

FOUR KILLED, FIVE OTHERS HURT.

Two of the Dead are Women—Of the Injured It is Feared that Two Will Die.

FALL RIVER, June 15.—A terrible explosion, involving the loss of four lives, occurred at the Langley harness shop, a three story wooden building on County street.

The shock broke in the windows of the Stafford mill and injured several of the operatives there. The whole eastern section of the city was shaken.

The seriously injured are: Thomas Barry, skull fractured and face and body badly burned, will die; Mattie Daroches, bruises and burns, fatally injured; William Russell, badly burned; Alice Tremblay, bruised and burned; Ida Le Page, 10 Unity street, badly bruised.

Soon after the explosion and collapse the ruins took fire. The fire department hastened to the scene, and made every effort to rescue the imprisoned working people.

The engineer, LePage, who was in charge of the boiler, was at first reported killed, but later turned up unhurt and was placed under arrest by order of Medical Examiner Dolan.

Stabbing Affray Among Italians. HONEOYE FALLS, N. Y., June 15.—A stabbing affray occurred at a salient occupied by forty Italian laborers, in which one man was fatally wounded and another badly cut.

Effect of the Colombian Revolution. WASHINGTON, June 15.—The state department has received information of the serious devastation the revolution in Colombia is causing.

Through Democratic inefficiency the people have suffered a loss of millions of dollars. Reduction of values, loss of foreign trade, the closing of home manufacturing industries, by which thousands of people were thrown idle, have brought about the loss and depreciated the Democratic party in the eyes of the people.

FINANCE AND TRADE.

The Most Favorable Reports Presented in Many Months.

NEW YORK, June 15.—R. G. Dun & Co.'s weekly review of trade says: It is no longer a question whether business improves. Not for a long time have our reports from all parts of the country been so favorable.

The most potent influence has been the receipt of more favorable advice regarding growing crops. Labor troubles are getting out of the way, wages in many establishments are rising and, with the iron industry just now leading, there is general improvement in manufactures. Monetary conditions also help.

Cotton mills are doing well for the season, and numerous advances of an eighth to a quarter in brown sheetings, drills, bleached muslins, denims and ticks are still reported. The wool manufacture looks for speedy settlement of labor troubles, and finds a moderate demand for low and medium heavy weight goods, while some of the cheaper lines of spring goods have been opened with encouraging results, but as to better grades there is still great uncertainty about prices.

The failures during the past week have been 241 in the United States, against 392 for the same week last year, and 24 in Canada, against 40 last year.

Bradstreet's review says: "The recent check to the activity in general trade, taking the country as a whole, which followed the severe and unusual frosts of the close of May has begun to register itself in relatively fewer upward spurts of prices for staples and moderately smaller totals of bank clearings. The cereal crop scares which followed the frosts frightened foreigners out of Wall street for the moment, and since then the speculative exchanges and leading commercial houses have been busy trying to determine future values on the basis of present conditions. The exception to the halt is found in the remarkable exhibition of strength by iron and steel.

D., June 15.—An agreement has been reached between the friends of Absconding Treasurer Taylor and Attorney General Crawford, whereby Taylor will return to Pierre on Tuesday next and serve his term on hard labor, amounting to \$45,000, and also personal property which is to be assessed at a liberal valuation. Taylor will then plead guilty, and Judge Gaffey has agreed to call a special term of court and sentence him to the penitentiary for two years. It is further agreed that before the expiration of this sentence the governor will pardon him out and thus save his citizenship.

Slim Attendance at the Cabinet. WASHINGTON, June 15.—Secretaries Carlisle and Herbert and Postmaster Wilson did not attend yesterday's cabinet meeting, each of them being out of the city. All the other cabinet officers were present. The session was unusually protracted, and it is understood was chiefly devoted to cutting up routine details prior to the coming recess. An impression prevails that this will be the last cabinet meeting before the president departs for Gray Gables.

Bridgeton Brigands Busy. BRIDGETON, N. J., June 15.—Thomas Baker and Frank Brown, both colored, held up Rev. H. Lisse and his brother-in-law, Carl Horning, on a country road near here. They stopped the horse Mr. Lisse was driving, and pointing pistols at the heads of the two gentlemen ordered them to throw up their hands and give up their money and valuables. Another wagon came in sight just at this time and the negroes fled. Both have been captured.

Tramps Held Up a Train. ELKHART, Ind., June 15.—Tramps held up a Lake Shore freight train between here and South Bend Thursday night. A crowd of young men from here were on board, and the tramps relieved them of their money and valuables. They then shot at the youths in the car and compelled them to jump from the rapidly moving train. During the melee one of the tramps was thrown from the train into a cattle guard and killed.

Tax Gatherers Enjoined. INDIANAPOLIS, June 15.—The supreme court granted an injunction in the suit of the Western Union Telegraph company vs. the auditor of Marion county, and the auditors of all the other counties in the state, restraining them from collecting taxes from the company under the act of 1893, and pending a decision of the case by the supreme court of the United States.

Ohio Miners on Strike. BURLINGAME, O., June 15.—The first strike that has occurred since the settlement of the big coal miners' strike has taken place at Dillonville, on the Wheeling and Lake Erie Railroad, north of here. Those participating in the riots at Gaylord mines two weeks ago were refused work, and the other miners went out, and the mines are reclosed. Six hundred men are idle.

Arrested for a Murder in Canada. OCALA, Fla., June 15.—Thomas Gray is under arrest here on the charge of murder and arson committed at Coburg, Ont., three years ago. A warrant is out for his arrest because she has six small children. Gray has been farming near here for three years. He is sick.

The Lone Highwayman in Oregon. ROSBURG, Ore., June 15.—The Coos Bay stage was held up by a lone highwayman near Hoover Hill, fourteen miles from here, and one mail pouch out open, two registered packages being taken. The driver was relieved of \$30 in cash, but the two passengers were not touched.

Murder in the First Degree. JERSEY CITY, June 15.—The jury in the case of Patrick Sheehan, who was tried for the killing of Friedrich Garbs, of Bayonne, on April 7, brought in a verdict of murder in the first degree. The jury was out all night.
