

PAINT cracks.—It often costs more to prepare a house for repainting that has been painted in the first place with cheap ready-mixed paints, than it would have painted it twice with strictly pure white lead, ground in pure linseed oil.

Strictly Pure White Lead forms a permanent base for repainting and never has to be burned or scraped off on account of scaling or cracking. It is always smooth and clean. To be sure of getting strictly pure white lead, purchase this brand:

HARDIN THE NOMINEE.

A Silverite on a Gold Platform in Kentucky.

CARLISLE STRONGLY INDORSED.

His Speeches in His Native State Said to Have Had Great Weight in Fixing the Policy of His Party on the Money Question.

LOUISVILLE, June 27.—The Democratic state convention of Kentucky has certainly indorsed the administration, with special tributes to President Cleveland and his distinguished coadjutor and secretary, John G. Carlisle. No outing was ever productive of more effective results than that of Secretary Carlisle to the Kentucky and Memphis conventions. The silverites, including Senator Blackburn, attribute their defeat to the recent speeches of Carlisle and the circulation that was given them.

The free coinage men do not deny that they expected to control the convention and all its committees, platform and nominations. They fought gamely to a finish, and acknowledge their defeat, although they make charges about the way it was done. The free silver men were beaten in district meetings that elected members of the various committees, in the selection of Judge W. M. Buchanan for temporary chairman and Congressman A. S. Berry for permanent chairman and in the organization of the committee on resolutions, as well as in the organization of other committees.

Yesterday the silver men went down under the adoption of the minority report of the committee on credentials, seating Clay's "sound money" delegates, as well as under the adoption of the majority report on resolutions for sound money and the indorsement of President Cleveland and Secretary Carlisle. The committee on credentials is one that the "sound money" men did not look after, and the silver men had a majority on it, but the convention overruled the majority by adopting the minority report.

Senator Blackburn and other silver leaders remained on the floor of the convention and fought to the last on the resolutions after which they did not take much interest in those who, as they said, had previously deserted them. They were very bitter towards Auditor of State Norman, who was General Hardin's manager and himself a candidate for renomination.

In Senator Blackburn's speech against the majority report he showed his feeling toward some on whom he had depended, while he referred very respectfully to Senator Lindsay, Congressman McCreary and others who had opposed him openly. The convention was a record breaker in great speeches, as well as in other respects.

The fight between Generals Hardin and Clay for the gubernatorial nomination was much closer than the Hardin men expected. They state that if they could have forced nominations on Tuesday Hardin would have had over 600 votes, instead of less than 500, and admit that they were nervous all day.

While Hardin held the silver vote almost solid, the Clay men could not get all the "sound money" men away from him, because of his consideration for them in the organization of the convention and of his unusually good personal following. Under the circumstances the nomination of Hardin is considered a great personal victory, as the men who formed the platform and shaped the policy of the party had been working hard for Clay or a dark horse.

In the present fight the entire daily press of Kentucky has been against Senator Blackburn, and the Cincinnati Enquirer has been his exponent. Last night the senator made the following statement to the Enquirer correspondent:

"I do not feel sore, nor have any heart-burnings. I realize, however, that it is impossible to win a fight against a combination of money and federal patronage, especially where both are furnished in unlimited quantities."

The convention did not reach the nominations until last evening's session. When the convention reassembled at 7:30 p. m. dilatory measures occupied almost an hour, when the name of General Cassius M. Clay was presented by George C. Lockhart for the nomination for governor and seconded by Isaac M. Quigley. R. J. Breckinridge, the eloquent brother of W. C. Breckinridge, presented the name of P. Watt Hardin, seconded by James T. Taylor and A. Spalding.

There were 578 votes, making 440 necessary to nominate. When the counties were all called it was evident that General Hardin was nominated, and before the result of the ballot was announced the Clay men moved that the nomination of General Hardin be made unanimous, and it carried with a great hurrah. The result of the ballot was announced as follows: Hardin, 498 1/2; Clay, 300 1/2; Stone, 76; Watterson, 3.

For lieutenant governor the names of R. T. Tyler, M. B. Brown and Oscar Turner, Jr., were presented. Tyler was nominated without counting the vote, when the convention, at midnight, adjourned until today.

Arrested the Wrong Person.
PHILADELPHIA, June 27.—James H. Nell, who is said to be a lumber merchant of Monongahela City, Pa., and worth fully \$100,000, was arrested here a few days ago on the charge of assaulting Frank Hurst, a conductor on the Philadelphia and Reading railroad, and robbing him of his watch. The assault occurred the next day upon the description of the robber circulated by the police. He was committed to prison with bail, and was confined there four days before he was able to engage a lawyer and secure his release. Mr. Nell says that he left his home on June 19 to go to Atlantic City for rest, and he had not been in this city a half hour before he was arrested. He threatens to bring suit for false arrest and malicious prosecution.

The English Champion Defeated.
NEWTON, Mass., June 27.—Dr. Pim, champion tennis player of England and Ireland, was defeated by Clarence Hobart, the American player, yesterday afternoon in two straight sets. The games were the best ever witnessed in this country, so say the tennis cronies, who were present in force. Over 1,300 persons witnessed the match. Pim felt his defeat keenly, but when questioned he said he was outplayed.

Fillingster Vessel Seized.
KINGSTON, Jamaica, June 27.—The government has seized the brig Pearl, at Port Maria, as a Cuban filibuster. There were arms and ammunition found on board of her.

WHEN HOPE FADED

Mrs. White, a Citizen of Ithaca, Was Saved.

(From the Ithaca Herald.)
Our representative, hearing of the case of Mrs. H. T. White, called to see her at Seneca and Plain streets. We publish her conversation in the following interview:

"Mrs. White, I hear you have something to say about a new remedy for backache and kidney disorders. Will you give me your statement for publication?"
"Yes, I am quite satisfied to do so. I think the public should know when a really good remedy is to be had, it is the least I can do in gratitude for my recovery."

"Tell me about your complaint."
"About a year ago I had the Grippe, and since then my back has pained me constantly in the region of the kidneys; a dull pain at times, and at other intervals, sharp, darning pains piercing through me, were almost unbearable. I seemed to be giving out as the pain in my kidneys grew worse, and at last I had to stay in bed the greater part of the time. Finally, I gave up altogether. I had terrific headaches, and suffered so much pain my appetite left me."

"Did the disorder affect the bladder?"
"Finally, it did. The urine was highly colored, and varied in suppression and excess. I often told my friends I believed I should go insane from the pain. I heard of Doan's Kidney Pills, and began their use."

"After taking them two or three days I began to feel their good effects. I continued, and now am perfectly well."
"Am I to understand that Doan's Kidney Pills have entirely cured you?"
"Yes, that's the truth. I have no more headaches or pains, and my appetite has returned. Before using Doan's Kidney Pills I found it very trying to go up and down stairs, or to sleep on my back; but now I can do so without a single pain. I feel completely cured, and I wish the manufacturers every possible success."
